JACKET SPIRIT AIN'T NEVER GONNA DIE

*We never lose our spirit,
That is plain to see,
Until the final whistle blows,
We will fight for victory . .*

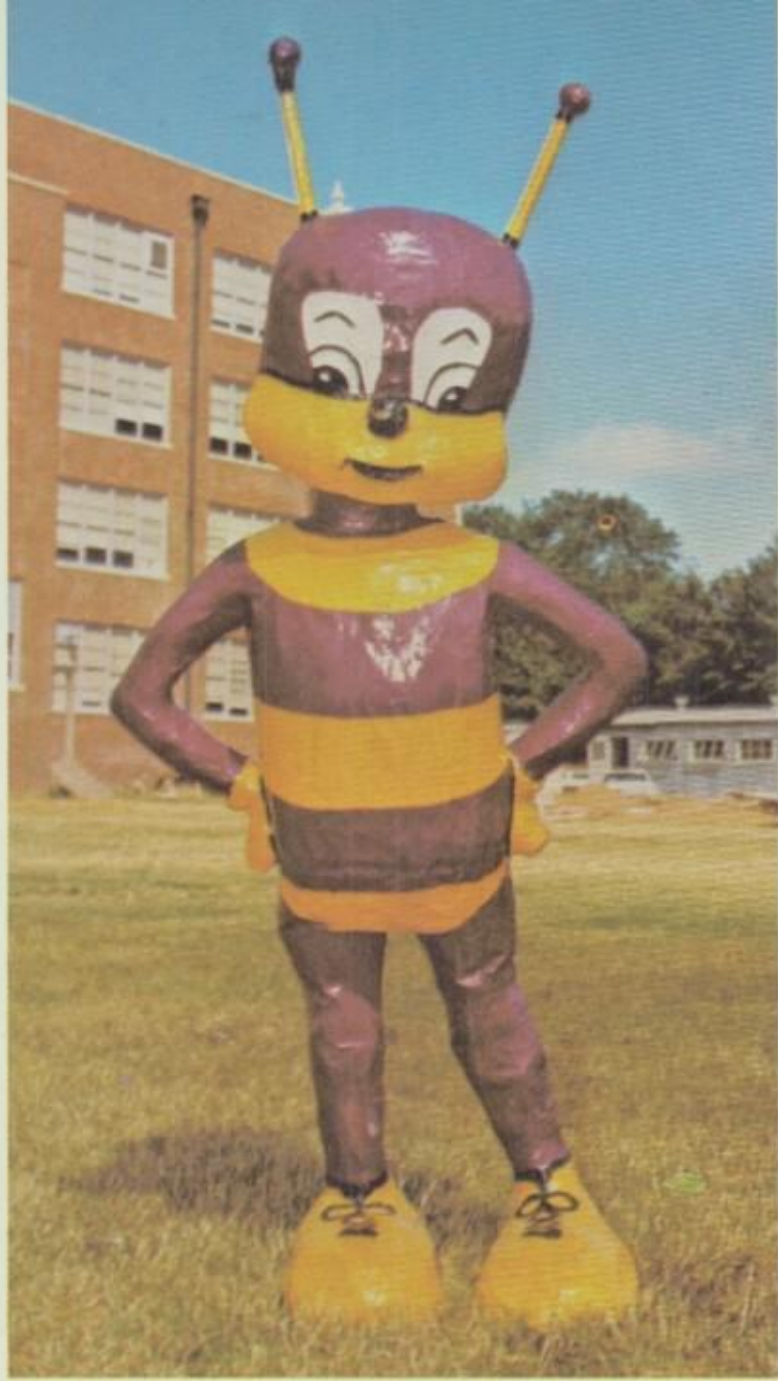

What is it that makes students go wild when they sing this song, whether after a pep rally or a sensational Jacket touchdown? It is known to all as JACKET SPIRIT, but to each individual it has a unique meaning. JACKET SPIRIT dominates every aspect of life at Byrd. It is the basis for the many ACTIVITIES which take place each year, such as Go West Day, Gator Hunt Day, pep rallies, Homecoming, Basketball Day, and the Junior Prom. Students in MUSIC and MILITARY further JACKET SPIRIT by making banners, participating in the various assemblies, and drilling for performances until their feet ached. Together, CLASSES and FACULTY expand Byrdities' scope of knowledge in academic areas. JACKET SPIRIT inspires outstanding students to achieve HONORS. Students through ORGANIZATIONS create spirit in their own special ways. ADVERTISEMENTS are the result of JACKET SPIRIT which has been radiated out into the public. With spirits high and hopes undaunted, *JACKET SPIRIT AIN'T NEVER GONNA DIE!*

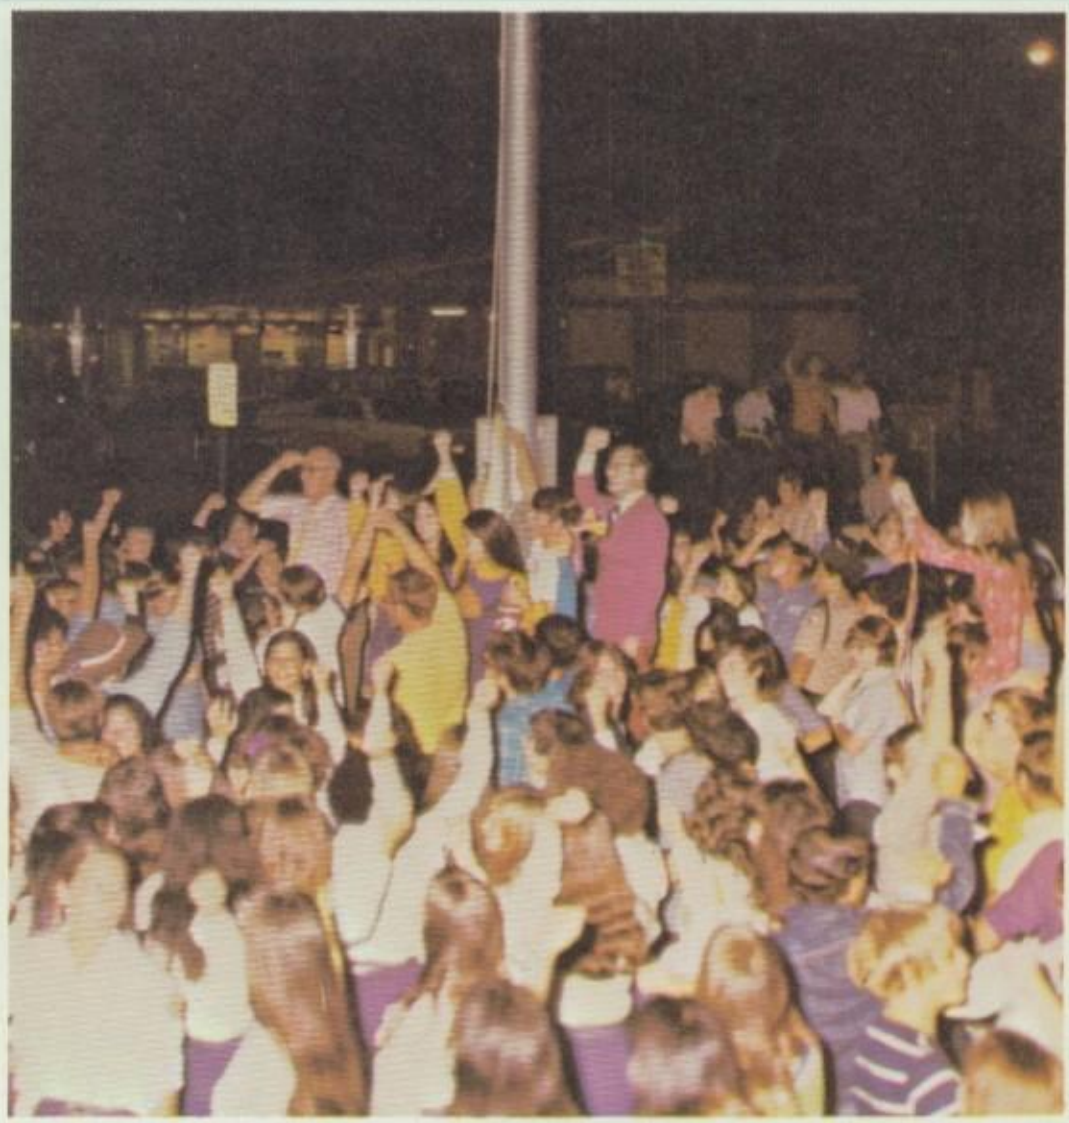

Kate Hunsicker, Gay Brooke, Kathy Conlon, Cece Sartori, Delma Mason, and D. J. May were filled with joy over the football team's 15-14 victory over Airline.

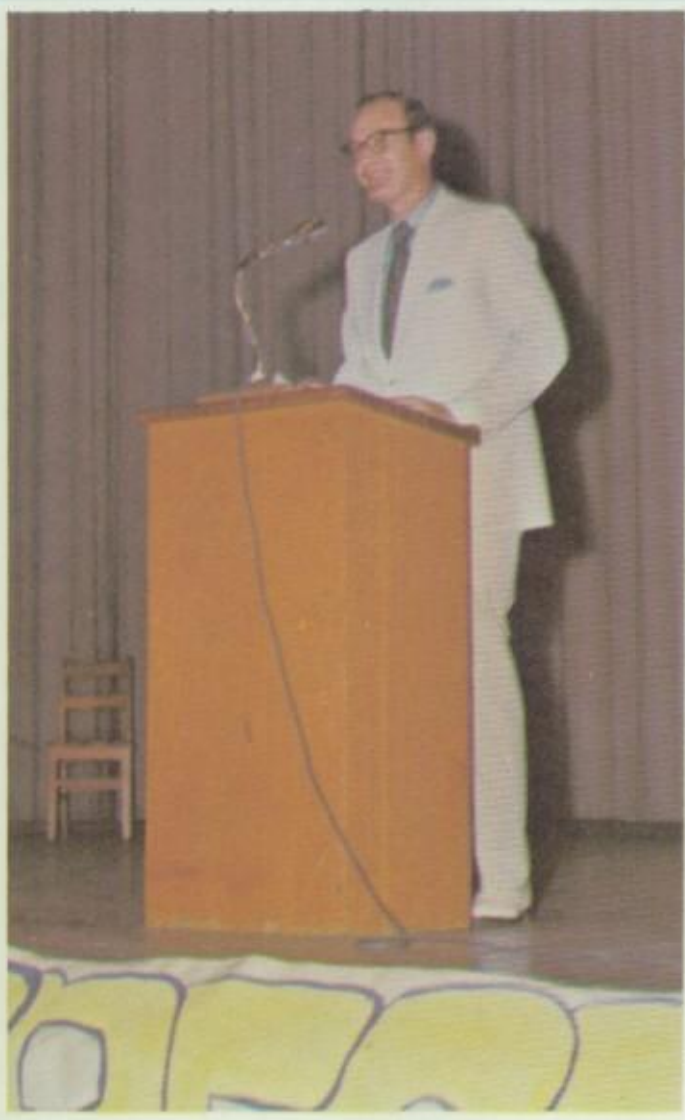

In the shape of a "J", the Stingerettes cheered the football team as they ran through the hoop before the Jesuit game.

Jack the Jacket, Byrd's mascot, has long been a symbol of Byrd's spirit.

Enthusiastic Jackets rallied around Dr. B. L. Shaw and the cheerleaders during the first of many victory flag raisings.

Dr. B. L. Shaw welcomed new students to the City of Byrd during the orientation assembly.

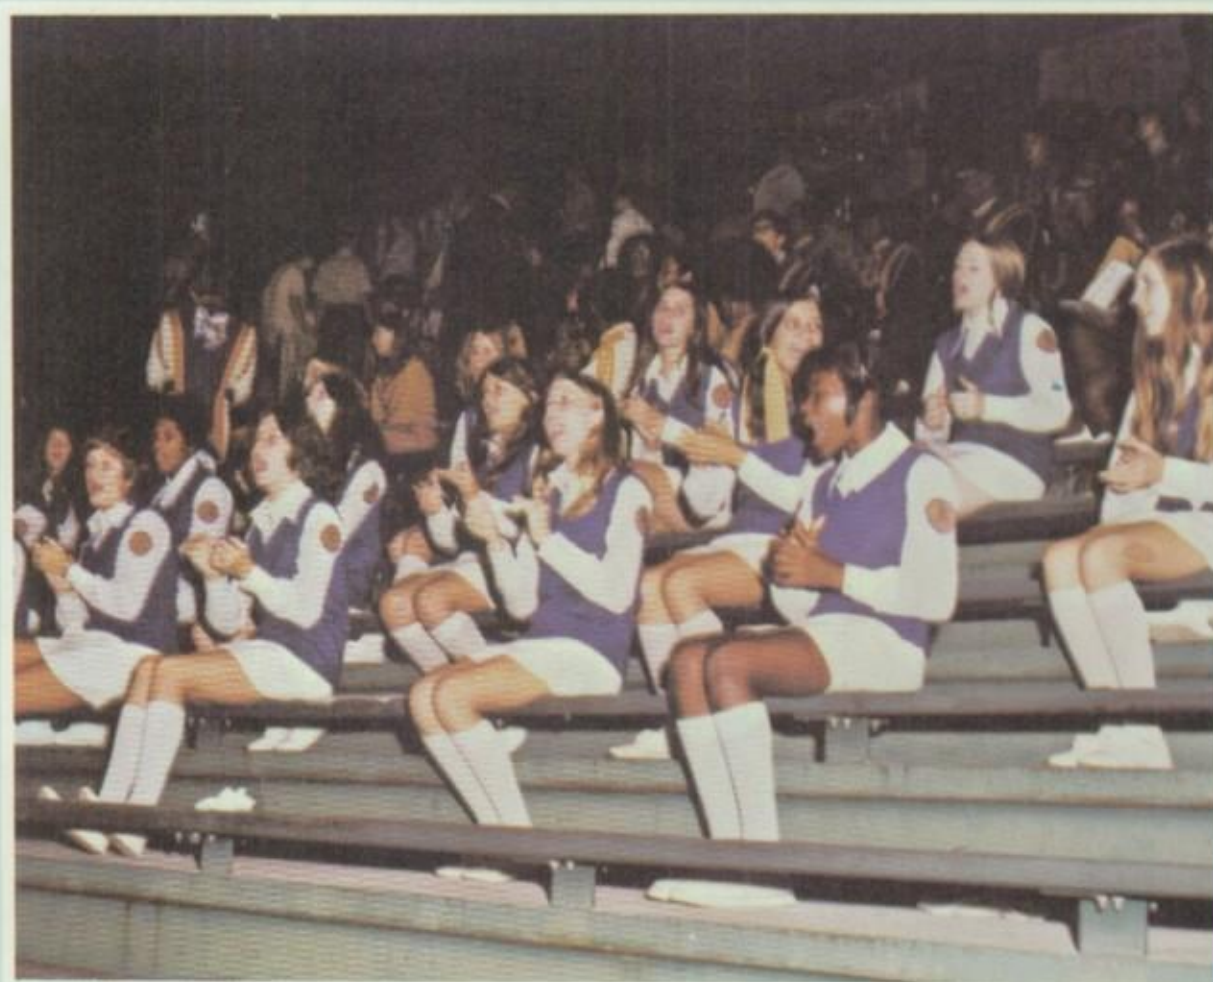

Led by Coach Gene Hamner, the players and coaches paused for a moment of prayer.

Athletic Competition Boosts Jacket Spirit

One of the essential parts of Byrd is its athletic department. Outsiders would most likely say that athletic spirit is found in the spectator stands, but at Byrd it is also in the players, driving them to achieve a victory. When we are behind, it is JACKET SPIRIT that moves us ahead. Sport spectators only see the end results of the multitude of hours spent by the athletes in training.

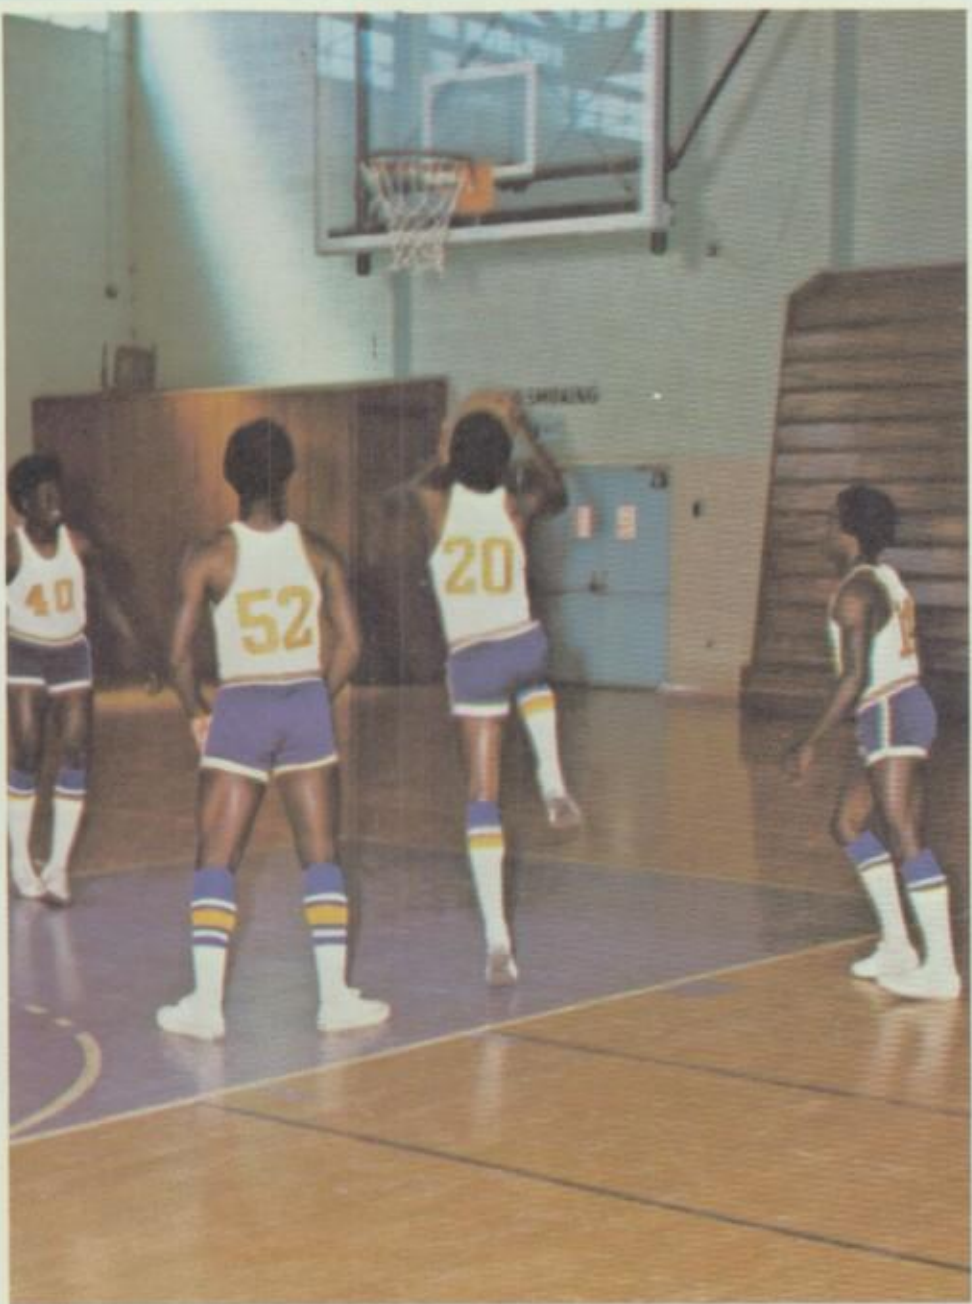

In the athletic sense, Byrd means "*Beat Your Rival's Desire.*" This slogan stays in the mind of each Jacket athlete as he faces competition and urges him to try his best, win or lose. The winning touchdown made in the final seconds of the play; the crack heard as the ball meets the bat; the basketball whooshing through the net; the urgent grasp of the baton; the winning point in the tennis game; the ball that circles the hole, then drops in . . . these things are inspired by JACKET SPIRIT.

The Purple Jackets helped spur the football team on to victory with a rousing cheer.

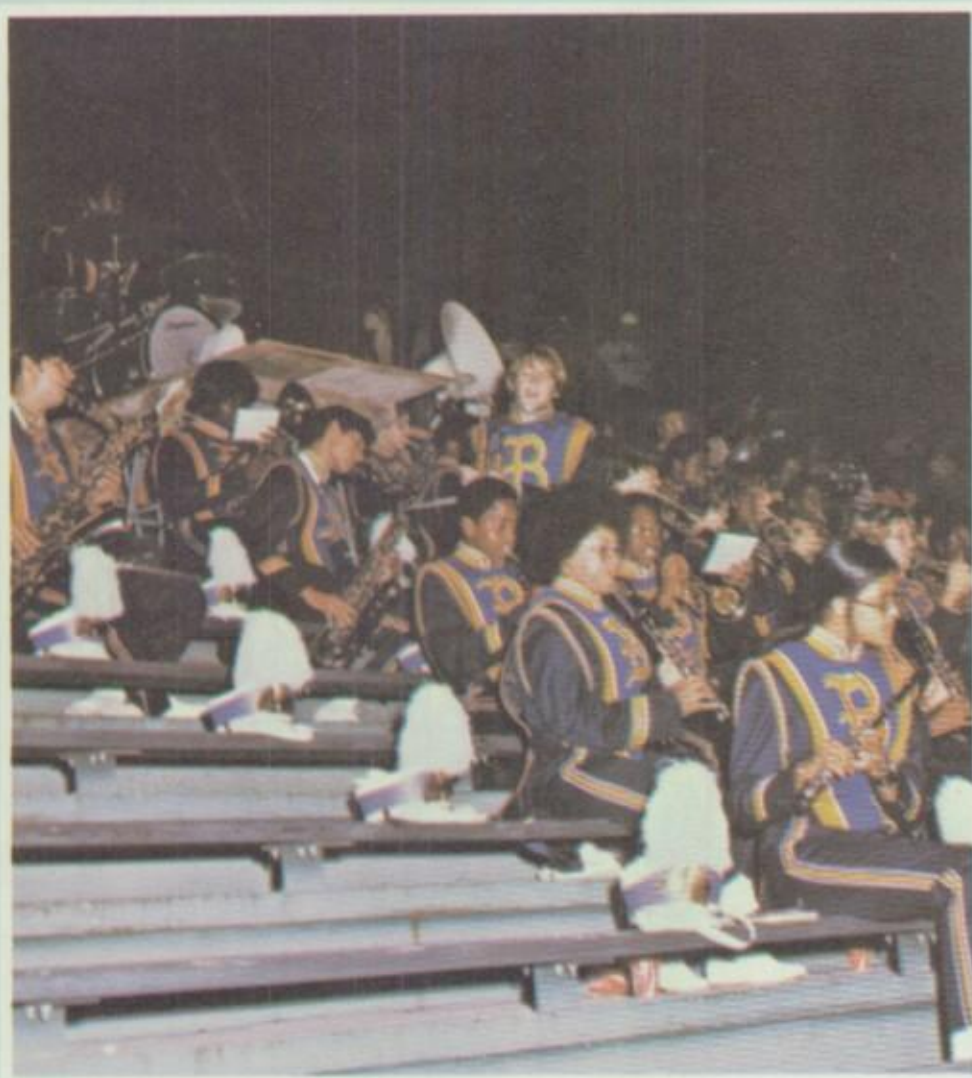

The Pep Squad's major fund-raising project was its annual carnival.

Jeffery Carter, Arthur Gilliam, and Isaac Hagins looked on as Mike Alexander lined up a shot.

Mr. Camp Flourney checked Ginger Kramer's ring size for that very special senior ring.

The band led the students in "We Are Jackets" after another Byrd touchdown.

Track team members Robert Williams and Mark Thorne-Thomsen ran many miles in preparation for the spring events.

Jackets Excel In Academic Pursuit

Jackets will long remember their classroom hours, which far outnumber those spent in any other phase of life at Byrd. The times when tense concentration on a test was shattered by the fire buzzer or a near-wreck on Kings Highway, the ringing silence of the College Board testing center or Room 301 for Sophomore tests, the research papers which are now in teachers' files or wastebaskets . . . these memories will remain with Byrd students for the rest of their lives.

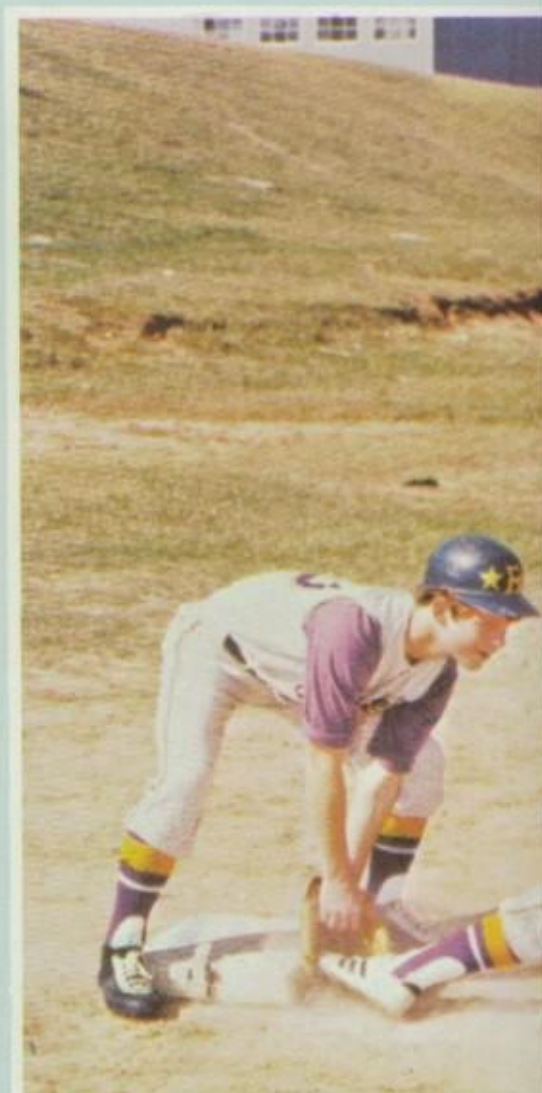

Jackets through the years have established the school's excellent academic record. Even in those not-so-long-gone years when Byrd dropped out of the sports scene, the school's academic record kept her up on top. National Merit Finalists and Semi-Finalists, along with the winners of other academic awards, have brought added recognition to Byrd, showing just how far one can go when he has JACKET SPIRIT.

Morgan O'Brien got a pie in the face as Martha McClelland fulfilled one of her many goals.

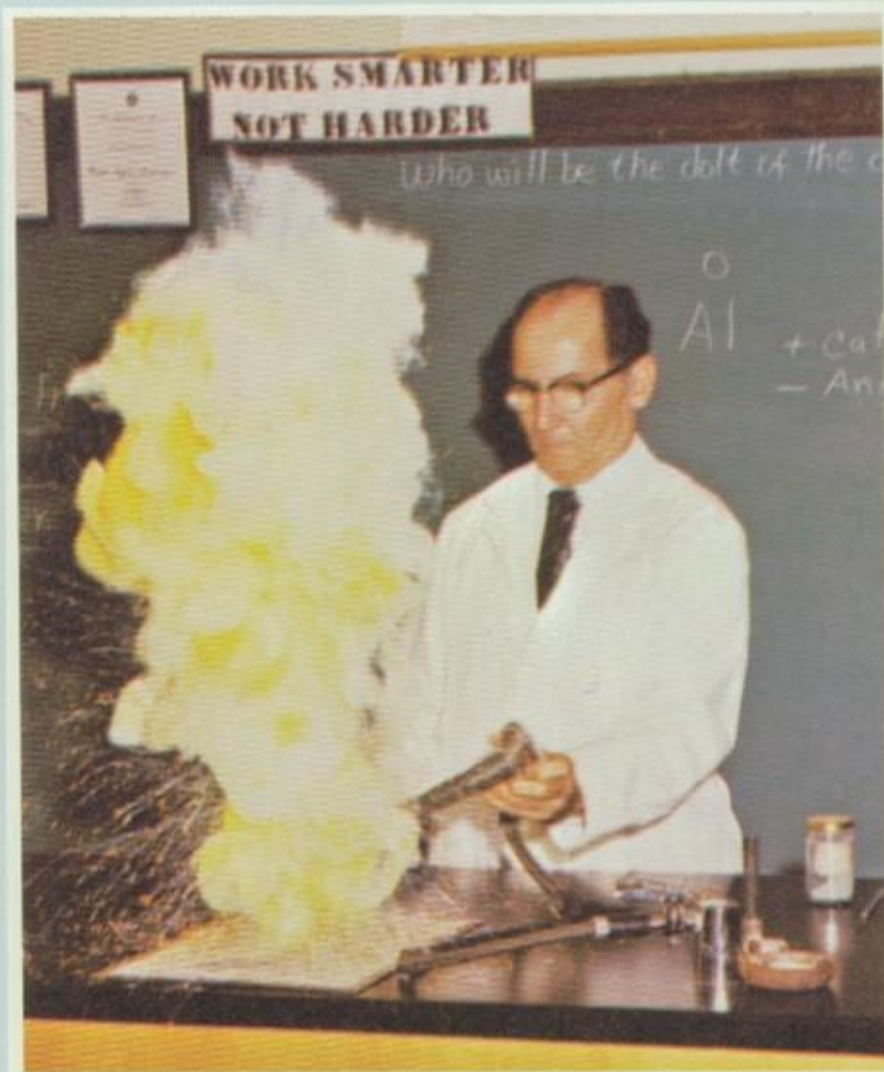

Assistant principal George Wilson, who enforced student rules among other duties, discussed the Key Club parade with Jerry Peyton and Rocky Pope.

Mrs. Mary Clyde Wintle, assistant principal, kept in touch with the classroom situation by teaching the humanities class.

Major Cyrus Larmoyeaux demonstrated a rapid reaction of sulfur and zinc to one of his chemistry classes.

During team practice, Jerry Peyton slid safely into third base as Marty McDowell waited for the ball.

Linda Collins, Raymond Bailey, Douglas Strong, and Miss Lee Persley looked over materials for the audio-visual aid section of the library.

Jacket Clubs Spread The Spirit

Just who is responsible for this JACKET SPIRIT? It is, in a large part, made up of the support of our various Jacket organizations. They provide, throughout the year, spirit boosts in many different ways: the walls were covered with banners; football and basketball players' lockers were decorated; refreshments for Back to School Night were served by "Z" Club; many back-breaking hours were spent washing cars. Through these organizations and others, students worked together to build up the mighty spirit which is Byrd's.

There is another spirit, too. The spirit of wanting to belong. It is this spirit that brings together groups of students with common interests — in history, language, and academic achievement. Byrd offers many opportunities for students to unite and work together to spread that great JACKET SPIRIT.

Isaac Hagins outran a pack of Southwood Cowboys.

Pep Squaders eagerly awaited the orientation assembly.

Brian Homza, Neil Johnson, James Roach, Brian Baker, and George Kurz gave up precious summer hours for Interact to help teachers move books.

Jim Gibson sold a book cover to Tommy Adams in the school store, which is a Jacket service provided by the Student Council.

"Z" Club members, Terry Morris, Debbie Tucker, and Laura Peterson volunteered for the tedious job of checking locker combinations for the upcoming year.

One of the responsibilities of the R.O.T.C. was to post the colors each morning before school started.

This Is The Spirit We Love

Although days of classes at Byrd are certainly busy, activity does not cease at the ring of the 3:00 bell. After-school hours are devoted to such behind-the-scene tasks as sports practice, band practice, banner-painting, skit-writing, and newspaper and yearbook work.

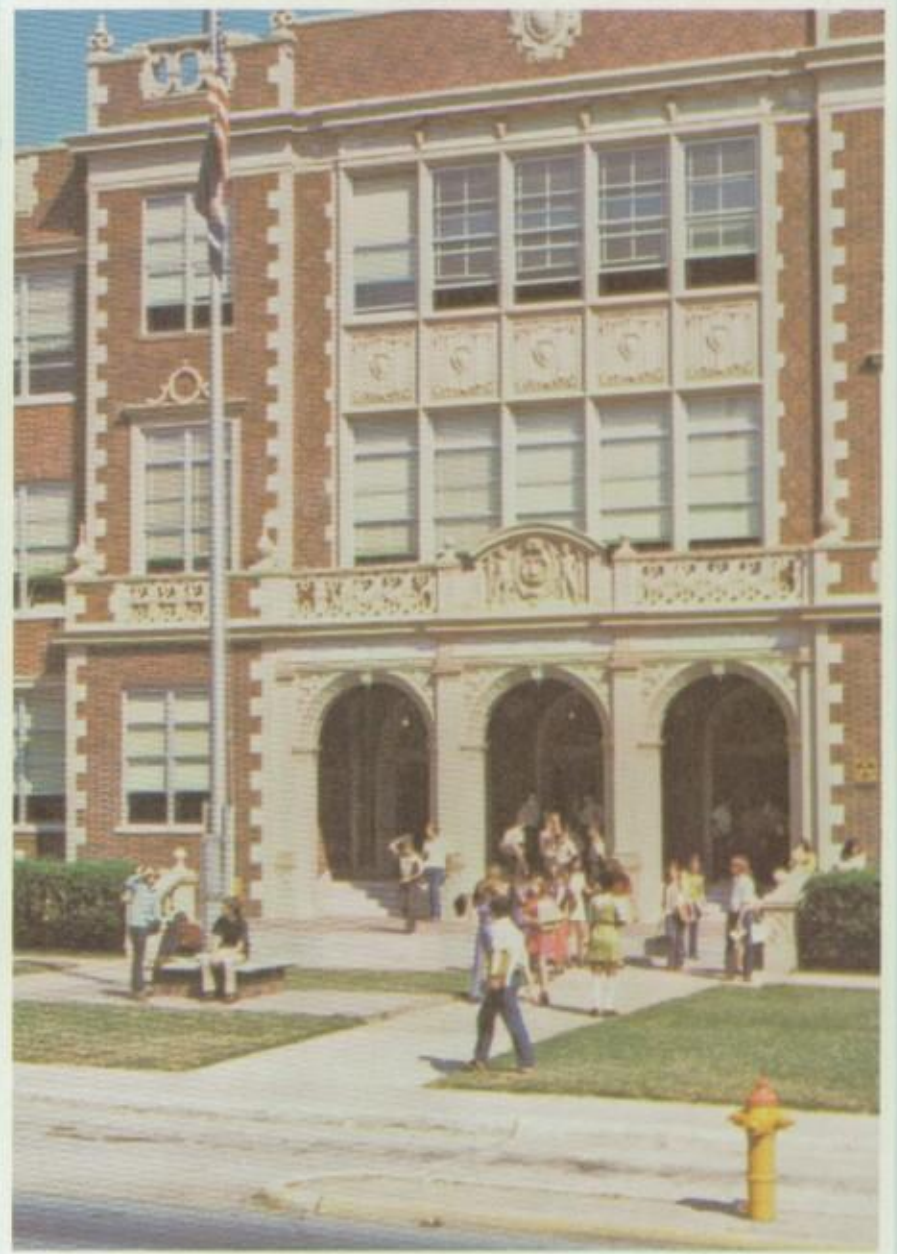

Seeing a cowboy walking with a saloon girl down the hall is not uncommon at Byrd — at least not on Go West Day, when most students participate by wearing Western outfits. The occasion is the day of the game against the Fair Park Indians. Gator Hunt Day is held before the Captain Shreve game, when students and teachers don purple derbies. On both of these days the cafeteria walls are covered with banners depicting Western store fronts and gator swamps. Later on in the year, Basketball Day is held to arouse spirit before an important game. When spring comes around, Juniors get busy raising money for their prom, and N.H.S. members try to persuade other students to send a carnation to someone. Participants in the Dope Stop program work year-round to stress the hazards of drug abuse to elementary schoolers. These activities, among others, help build JACKET SPIRIT.

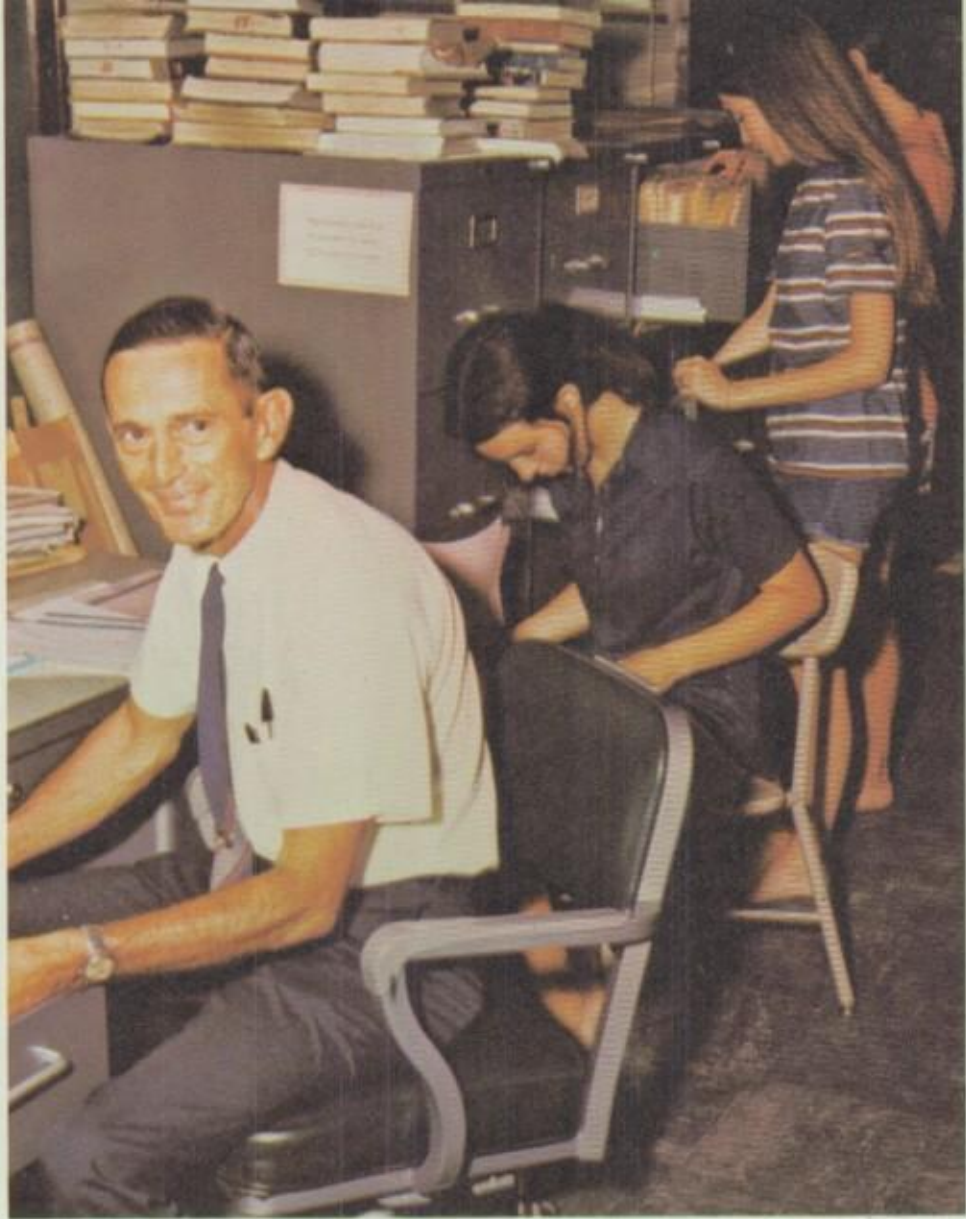

Cece Sartori, posing as Dr. Shaw, with the help of other students, presented a pep rally skit that filled the student body with Jacket Spirit.

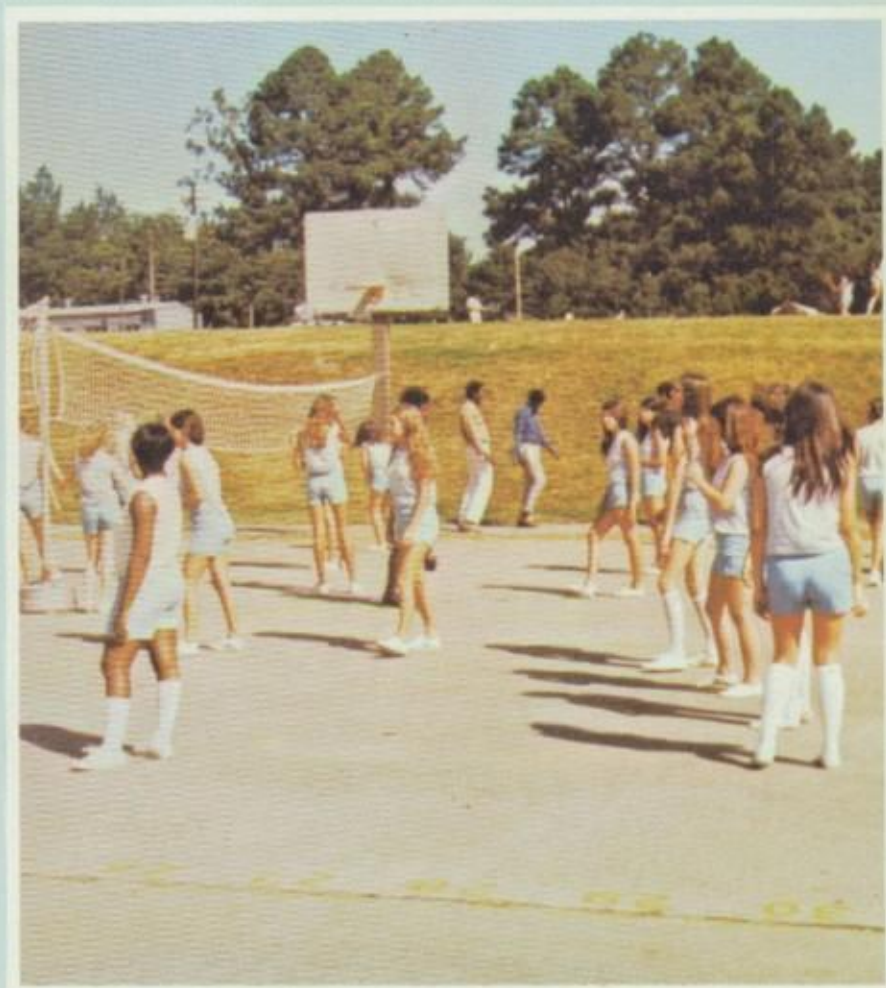

Larry Harper and James Johnson, Byrd's team captains for the Airline game, looked on as the referee made the toss.

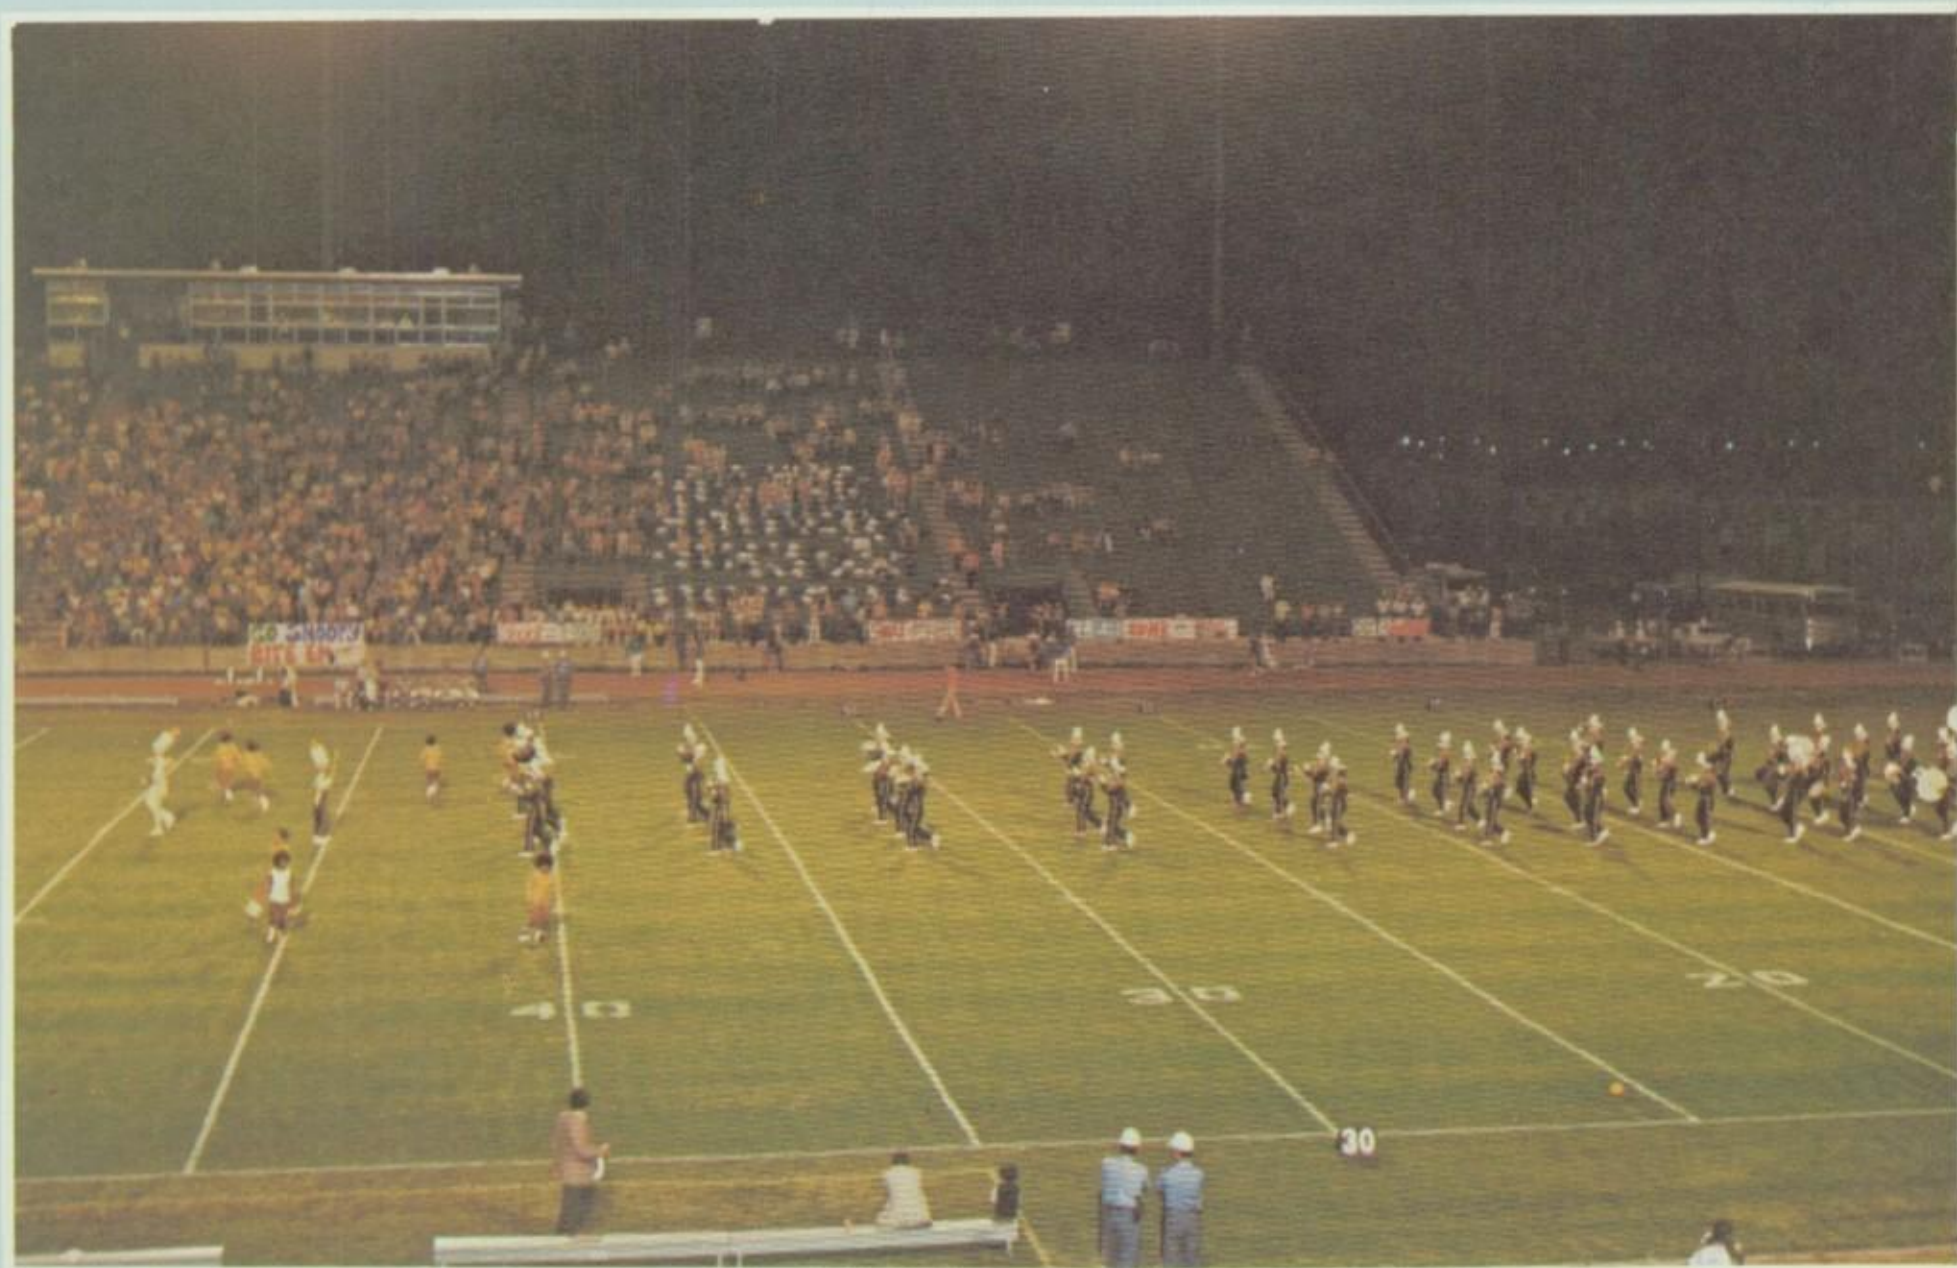

Students ended a busy day at Byrd when the 3:00 bell rang.

Mary McKee, Donna Middlebrooks, and Linda Sentell helped Mr. Joe Dornier with many jobs before the opening of school.

Girls' P.E. classes provided stimulation and enjoyment for girls after a long day of study.

The Jacket Band demonstrated precision marching at the half-time performance of the Jesuit game.

Jacket Spirit "Keeps On Keeping On"

Graduation time does not mean the end of JACKET SPIRIT. Graduates from former years support the school in many ways because it is the memories within each person's heart that keeps them "keeping on." Homecoming is one of the many examples of this lingering spirit. This year's Homecoming was a special one because of the "Golden Era of Athletics" reunion, honoring Coaches Harold M. Knilan and F. H. Prendergast and the other graduates, along with the football and baseball players from 1925 through 1935. During these years, Byrd produced four football and five baseball state championship teams.

Years from now when we hear of Byrd, we will picture the auditorium in which many spirited assemblies were held. Some will recall the horror of receiving a note from Office 107 or losing a hall pass which we never had. We will remember the lunch passes we did not get and the frustrations of really trying to study in study hall.

Every graduating senior takes some JACKET SPIRIT with him, but also passes it on to underclassmen. In this way the spirit will stay with Byrd always and keep her on top. The timeless quality of this spirit can be summed up in one simple statement: JACKET SPIRIT AIN'T NEVER GONNA DIE!

N.H.S. members, Paul Scott, Martha McClelland, Bennett Politz, and Melanie Jouett, made plans for the Homecoming assembly.

Nina Planchard and Alvah Ann Neal distributed the first issue of the HIGH LIFE in homerooms.

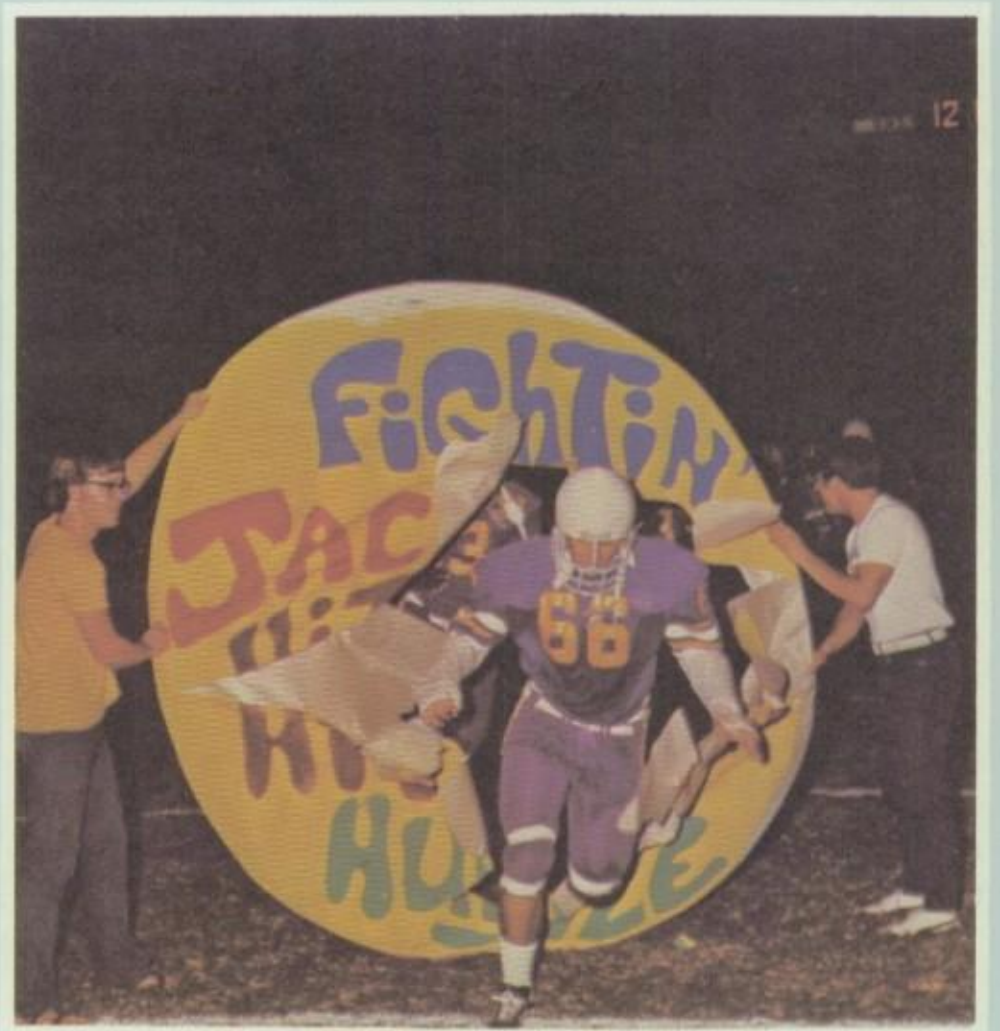

The Pep Squad, band, and R.O.T.C. joined in the traditional fight song and dance after a Byrd touchdown in the Jesuit game.

Boys' P.E. classes stressed physical fitness.

Neil Johnson and James Roach held the hoop as Ronnie Benoit led the team through it.

Byrd students were active in many ways. Spending an afternoon in the park were: Alicia Richey, GUSHER; Mark Thorne-Thomsen, Key Club President; Mike Hubley, HIGH LIFE Co-Editor; Beth Bailey, "Z" Club President; Carol Marrs, Pep Squad President; Neil Johnson, Interact Club Treasurer; Laura Peterson, GUSHER Editor; and James Roach, Student Council President.

ACTIVITIES

Extra-curricular activities are as much a part of Byrd as the scholastic program. Growing up and developing into a mature person is a slow and exciting but sometimes painful process which includes a great deal of learning. The development of one's character is a vital part of one's education, and Byrd's activities provide a place for students to direct their interests constructively after school. The inner spirit of the students is expressed in these activities which branch out into every phase and attempt to include all students. The giving of one's time in varied fields produces a better citizen of Byrd and a more dependable person who will take an active role in leading the community.

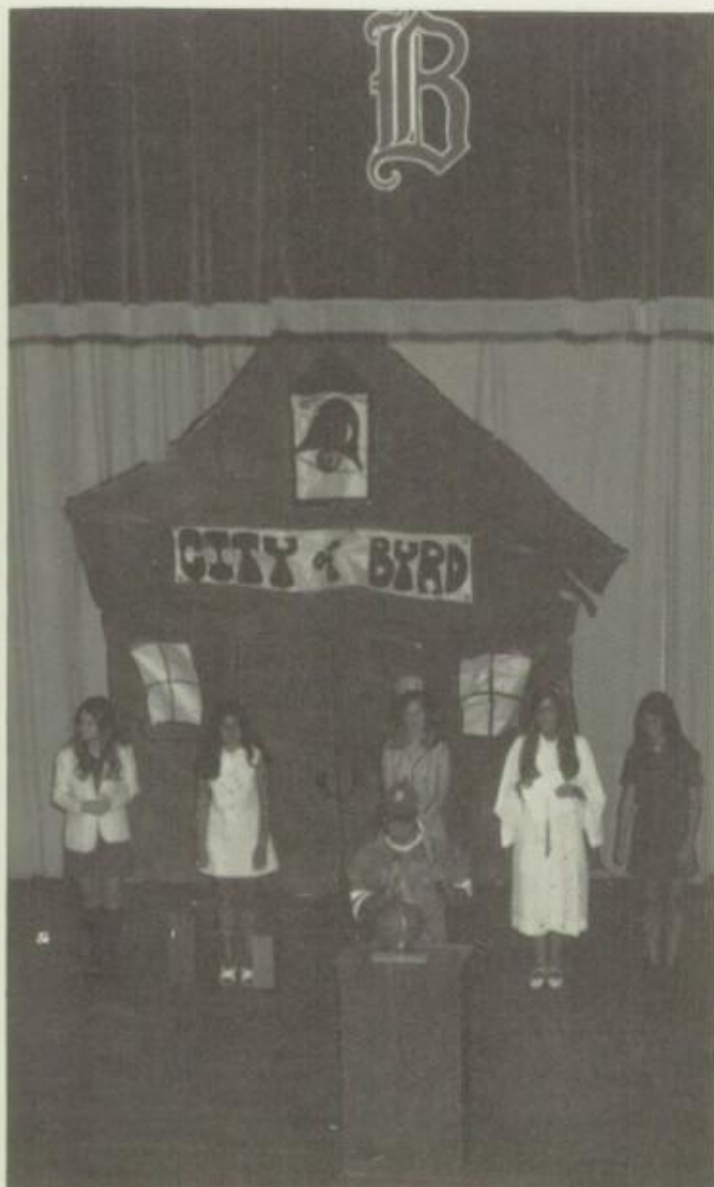

Efforts Of Many Made ORIENTATION

On August 30 and 31, 1971, many new students came to Byrd filled with anxious anticipation. Following a song from the band and the drumbeat of the Pep Squad, the new students sat back and watched other students representing various activities at Byrd. After seeing the enthusiasm of upperclassmen, the new students were filled with the Byrd tradition and pride.

Later in the fall, many different organizations worked together to make Back-to-School Night a success. The cheerleaders and the Pep Squad boosted the Jacket Spirit, while the band enthusiastically played the Byrd Fight Song. "Z" Club helped guide the parents to their children's classrooms and served refreshments. With the effort of these people, Orientation and Back-to-School Night were memorable experiences.

Mrs. Clayton Smith distributed information concerning P.T.A. memberships to the home-room representatives.

Representatives of every organization told the new students about life at C.E. Byrd.

"Z" Club member Carol Marrs served Hawaiian punch to thirsty parents.

And BACK-TO-SCHOOL NIGHT Successful.

After the skit, the cheerleaders aroused spirit by doing the "Have You Got the Spirit?" yell.

Drum Corps members anxiously awaited the signal for marching into the auditorium.

Besides allowing parents to meet the teachers, Back-to-School Night also brought many old friends back together.

Older Jackets showed the new students the spirit at Byrd by dancing to the tune of "We Are Jackets."

A Successful CARNIVAL Preceded

"Everyone's Favorite Darling" was the theme of the annual Byrd High Pep Squad's Peep Show, held September 14 in the Byrd gym. The skit, written by Jan Middleton and Melanie Jouett, was a beauty pageant with the football players as contestants. "Queen" Jimmy Harrison refused to relinquish his crown at the end of the pageant to the new "Everyone's Favorite Darling."

Preceding the Peep Show was a carnival also sponsored by the Pep Squad. A variety of booths, with everything from the Pie Throw to a Spook House, entertained the large crowd which attended the Carnival. The booths were organized and supervised by Drum Corps members with help from the juniors and seniors. Ginger Lenoir's Candle Squirt Booth won the prize for being the most original and best-decorated. Profits showed that this year's Carnival and Peep Show were extremely successful.

Pep Squaders looked on as a contestant struggled for the prize money atop the greased pole.

The football players, dressed for the Beauty Pageant, paraded in front of the audience.

"Queen" Jimmy Harrison posed for photographers.

Mrs. Mary Williams made a big splash in the Dunkin' Booth when the fatal ball hit the target.

“Everybody’s Favorite Darling”

While Ginger Kramer was busy dressing Chris Ferguson, Mattie Cooley and David Mauroner also prepared for the Beauty Contest.

Barbara Sue Pickett watched as a participant attempted to win a prize in the Garter Throw.

Mrs. Gayle Brooke and Patsy Ogletree dressed Robert Glass for the Swim-suit Competition.

The workers in the White Elephant Booth made another sale from their wide variety of merchandise.

Jacket Spirit, As Presented In

Playing an important part in the life of Byrd High students were the numerous pep rallies. During these pep rallies, the cheerleaders led the student body in cheers and presented humorous skits. Lively music by the Byrd band added rhythm to the pep rallies. The pep rallies promoted school spirit, boosted team morale, and provided a time for the students to express their enthusiasm for their school. The spirit exhibited at the games, which originated in these pep rallies, enabled the Jackets to win many games.

Part of the football team and Pep Squad joined in a chorus line to the sound of "We Are Jackets."

For the Byrd-Airline game, a before-school pep rally was held.

Members of "Shanana," Clay Robinson, Mac Risinger, and Ted Walton, sang together in the Woodlawn pep rally.

PEP RALLIES, "Ain't Never Gonna Die"

Allen Pomeroy, Kate Hunsicker, and Gay Brooke played dramatic parts in the pep rally before the Carroll High game.

"Doctor" Allen Pomeroy cured a patient, Mal White, with his bottled miracle medicine in the Southwood pep rally.

Drummer Jordan Edwards, along with other members of the Byrd band, added rhythm to many of the pep rallies.

Student Spirit Excelled In HOMECOMING

Homecoming 1971 will long be remembered as a special event in the history of Byrd High School. It will be remembered for its excellence in spirit, sportsmanship, and teamwork. Every organization contributed to the success of many pre-game activities held during the week. Homecoming corsages were sold, a car decoration contest was held, and banners and spirit tags were made by each club to promote spirit during the week. The Homecoming assembly welcomed former graduates of Byrd, and the National Honor Society presented the skit. Although Captain Shreve slipped past Byrd 27-21, the spirit and sportsmanship remained high. The Homecoming dance, sponsored by the Varsity Club, concluded a week of many memorable activities.

The 1971 Homecoming Court was presented to the student body during the assembly.

Mr. Frank Satori, Jr., escorted his daughter, Cece, to the field where Dr. Shaw crowned her Homecoming Queen.

National Honor Society members, Brian Smith, Freddy Knight, and Bennett Politz, broadcasted the Captain Shreve-Byrd game during the assembly.

Marilyn Delton, Beth Bailey, Melanie Jouett, Sharon Caudle, Pat Bone, and Jan Middleton served as the 1971 Homecoming cheerleaders.

The traditional burning of the Captain Shreve gator was held at the game.

The Pep Squad and Band formed the letters BHS before the Homecoming Court was presented.

The Feathered de Gama played at the Homecoming dance, which was sponsored by the Varsity Club.

Dr. B. L. Shaw, Mr. Larry Ramsey, and Mr. James Rife were judges for the best-decorated car contest.

Mark Thorne-Thomsen, president of Key Club, presented the trophy for the best-decorated car to Grey Hammett, representative from Interact.

Knilans — Prendergast REUNION

Homecoming 1971 was highlighted by the special reunion in honor of Coach H. M. Knilans and Coach F. H. Prendergast. Coach Knilans, "Maker of Champions," is credited for Byrd's wonderful athletic record between 1926-1935. In Knilans' first four seasons, Byrd played thirty-two games, losing only four. Equally as important, Coach Knilans did not limit his teaching to athletics, but strove successfully to teach the broader subject of Manhood. Although Coach F. H. Prendergast was not always in the spotlight of public acclaim, he deserves a great deal of credit for the part he played in making the Jacket team a success. Festivities for the Reunion began on November 6 with registration of attendants. In the afternoon a program and dinner were held in the cafeteria. At this time Mayor Calhoun Allen, Dr. B. L. Shaw, and Coach Jimmy Harrison welcomed the past graduates. Awards were presented to Coaches Knilans and Prendergast, and the guests loaded buses for the Captain Shreve Stadium, where the Homecoming game took place. After the game, Reunion attendants returned to Byrd's Cafeteria for a concluding fellowship and coffee.

Pete Nance, Reunion chairman, welcomed Coach Knilans at the airport.

The Band played Byrd's Alma Mater for the special Homecoming guests and the student body at the assembly.

Dr. Shaw presented Coach Knilans and each Homecoming guest with a special Homecoming issue of the HIGH LIFE.

Highlighted 1971 Homecoming

Mayor Allen presented Coach Knilans with a proclamation declaring "Knilans-Prendergast Day" and a key to the city.

The Varsity Club gave Coach Knilans a coach's jacket.

At a dinner served by the Future Homemakers of America in the school cafeteria, Dr. Shaw welcomed past graduates.

Beverly King served Mr. Duncan a cup of punch at the reception after the Homecoming Assembly sponsored by the Student Council.

Student Participation Created The Spirit

This year's Go West Day, entitled "How the West Was Won," boosted spirit for the all-important Fair Park game. The day began with a Senior March, followed by a pep rally led by the Cheerleaders. The halls and cafeteria were decorated with banners and western storefronts painted by the Pep Squad and Student Council. Many students came dressed in the traditional western attire. The costume awards for teachers went to Mrs. Mary Ann Coburn and Mr. Edward Allen. Mike Cassard and Elizabeth Fowler received the student awards. The day was climaxed with a thrilling 20-7 victory over the Fair Park Indians, which sent the mighty Jackets to the state play-offs.

Greg Harper and Yvonne Burns entertained students on lunch shifts.

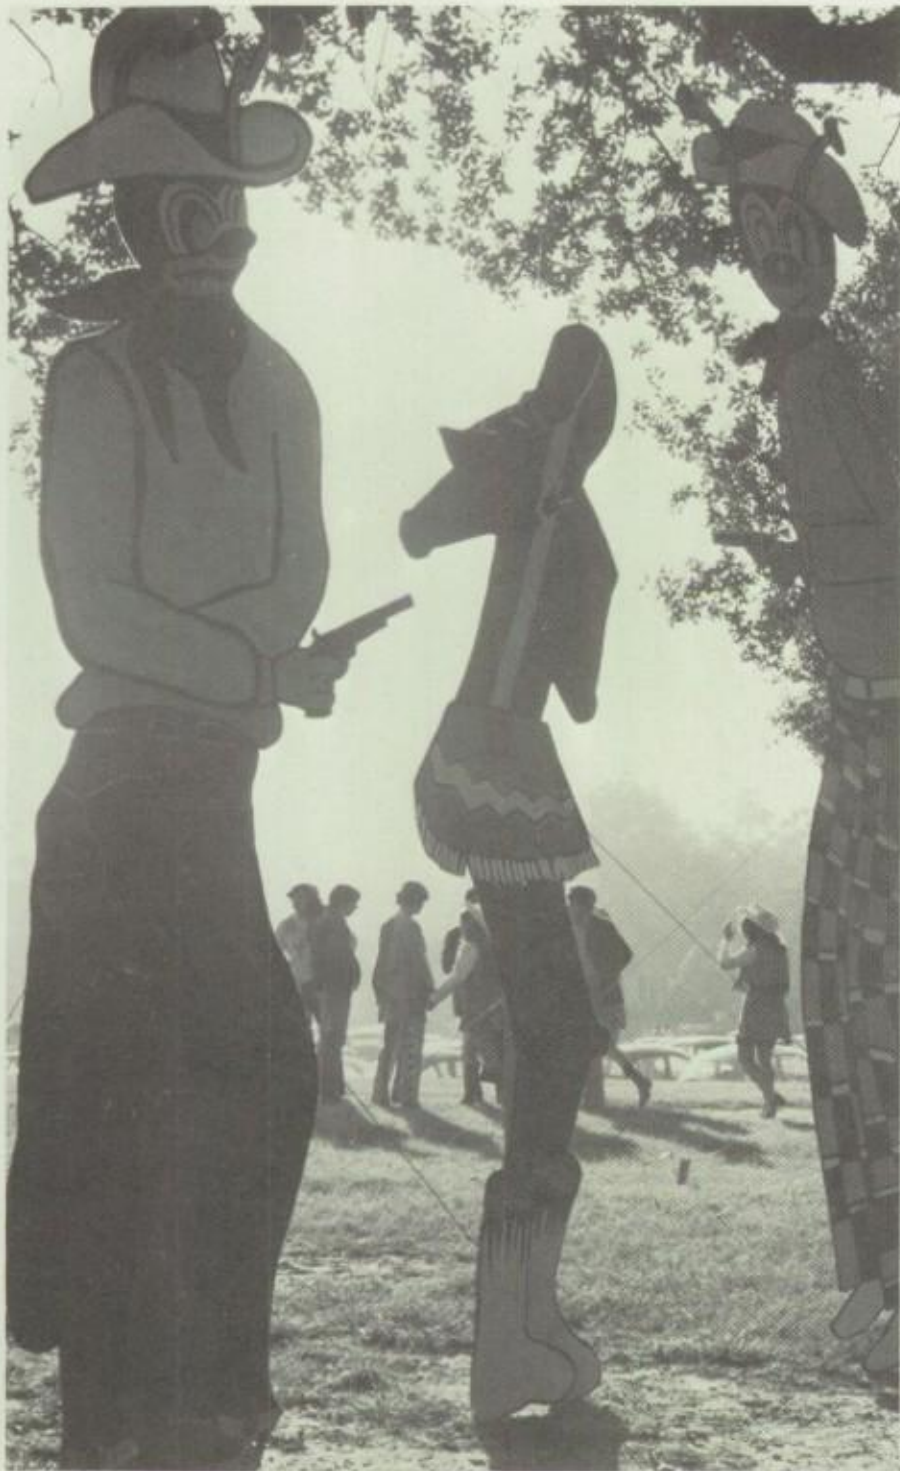

"Byrd-watcher" Jackson, "Sophia" Peterson, "Faye" Jouett and "Damion" Sullins awaited the arrival of the "Lone Ranger."

Students paraded Jack the Jacket at the victory flag raising.

That Made GO WEST DAY Successful

Art Club prepared decorations for Go West Day.

Mr. Edward Allen, Mrs. Mary Ann Coburn, Elizabeth Fowler, and Mike Cassard were awarded prizes for their outstanding Western costumes.

Go West Day began with the traditional Senior March.

Western storefronts, painted by the Pep Squad, decorated the cafeteria.

New Californians And Young Americans

Mr. James Sullivan directed the beautiful numbers sung by the Concert Choir.

The New Californians entertained a captive audience in a special fall assembly.

Performed In Special ASSEMBLIES

The Young Americans, a group of performers from California, entertained students and faculty in a special assembly.

Margaret Williams, a former Byrd student, returned to Byrd to sing during the Christmas assembly.

Faculty-Student Games

Jacket students battled the teachers on Friday, February 4, during the annual Basketball Day Assembly. The game between the students and the teachers boosted the spirit before Byrd's exciting victory over Southwood. Highlighting the evening was the Basketball Court's presentation, which had also taken place at the afternoon assembly. This year's court included a representative elected from each class, and a senior sweetheart, who was chosen by the basketball team.

GUSHER Seniors Danced With "Dickie"

Editorial and Business GUSHER Staff seniors presented the 1972 Senior Favorites in a skit entitled "Dickie Byrd's Danceland." Dickie Byrd emceed the program and led the stage full of screaming teeny-boppers in their song and dance numbers. As the Senior Favorites were called from the audience, they became honorary members of Dickie Byrd's Dance Club. To prove themselves worthy of this honor, they had to display their abilities in many different ways. Stunts included everything from baton twirling, dancing, and singing to doing dog tricks and shaving to the music of "The Stripper." As part of their initiation, the favorites had to wear the clothes of the 1950 teeny-boppers, including white bobby socks, pony tails, and red lipstick. The GUSHER seniors had a great time writing the skit and an even greater time performing it for the enjoyment of the student body.

Swingers Neil Johnson, Sylvia Kosmitis, Yvonne Burns, and Ginger Kramer danced to the rockin' melodies of the 1950's.

Emcee Rik Cawthon introduced the fabulous "Connie and the Cowbells," Laura Peterson, Alicia Richey, and Debbie Tucker.

Performing their own arrangement of "Mr. Sandman" were Patsy Ogletree, Carol Marrs, and Jan Middleton.

Senior Favorites Chris Gardner and David Mauroner displayed their fantastic baton twirling ability.

Jan Parrish and Don Herring danced the tango to music from the "Good Ole Days."

Jackets Were Surrounded By Activity

Many home rooms participated in the annual Christmas Door Decorating Contest.

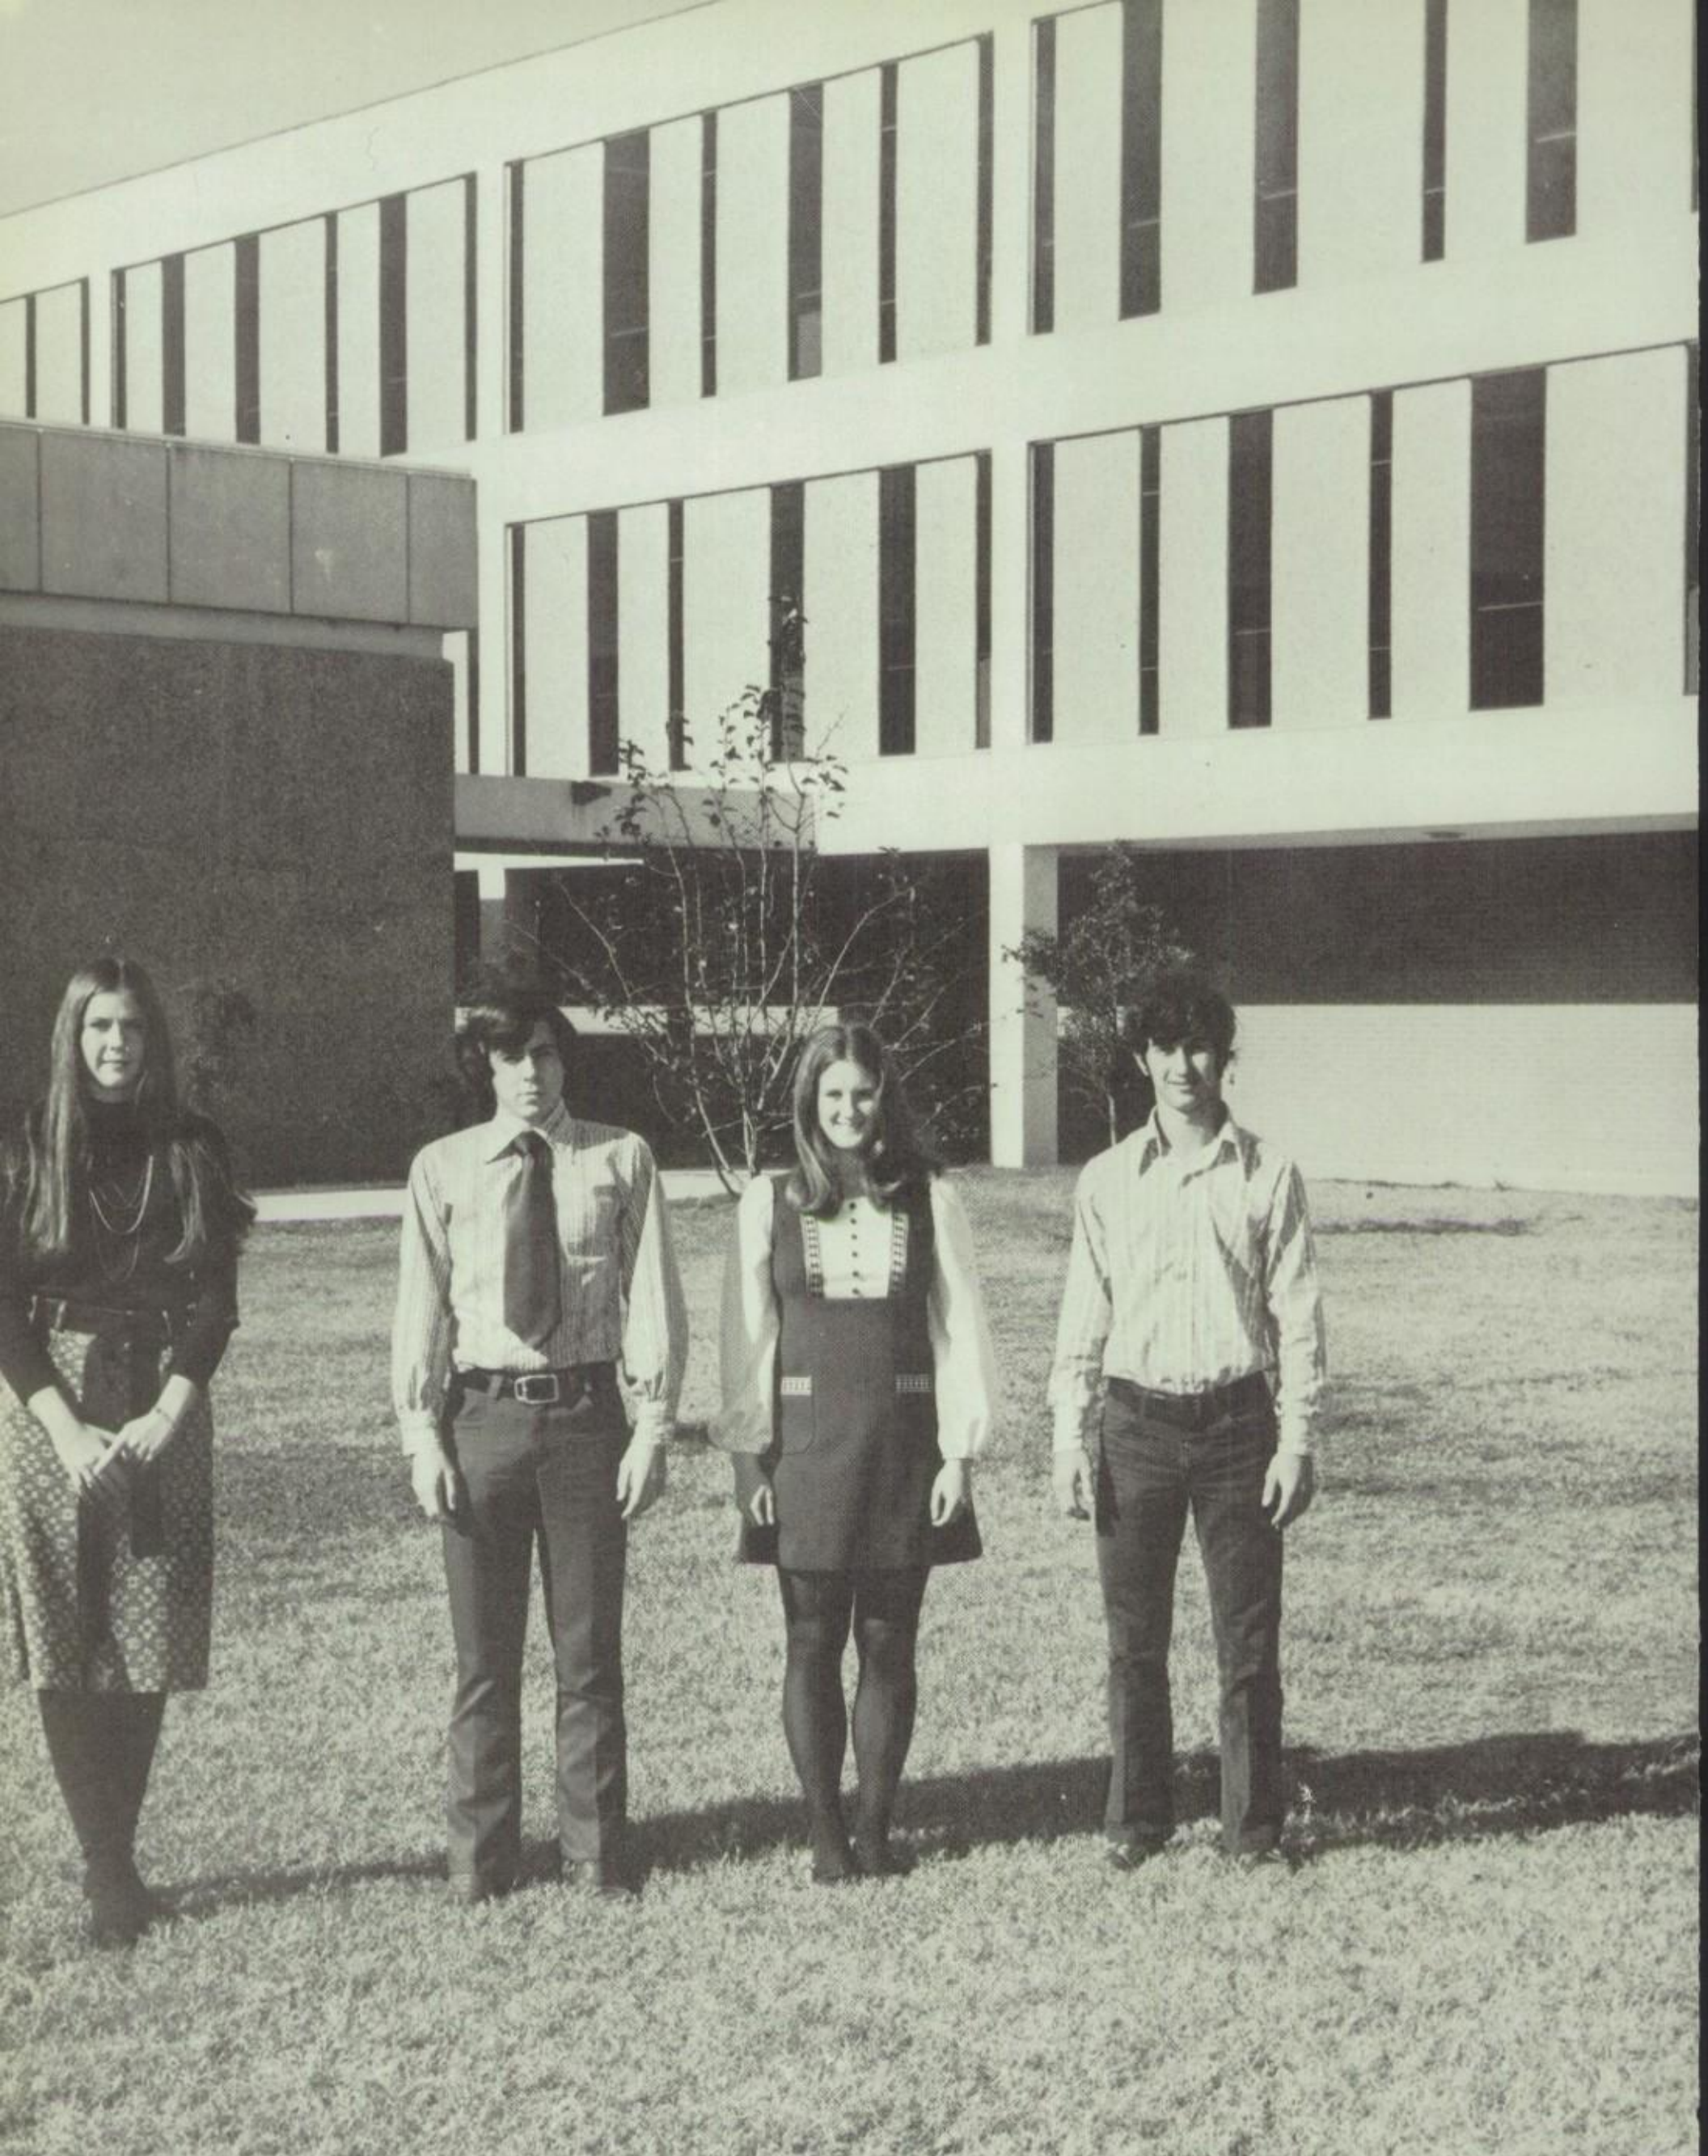

New Life In, located across from Byrd, attempted to give young people a new outlook on life through Christ.

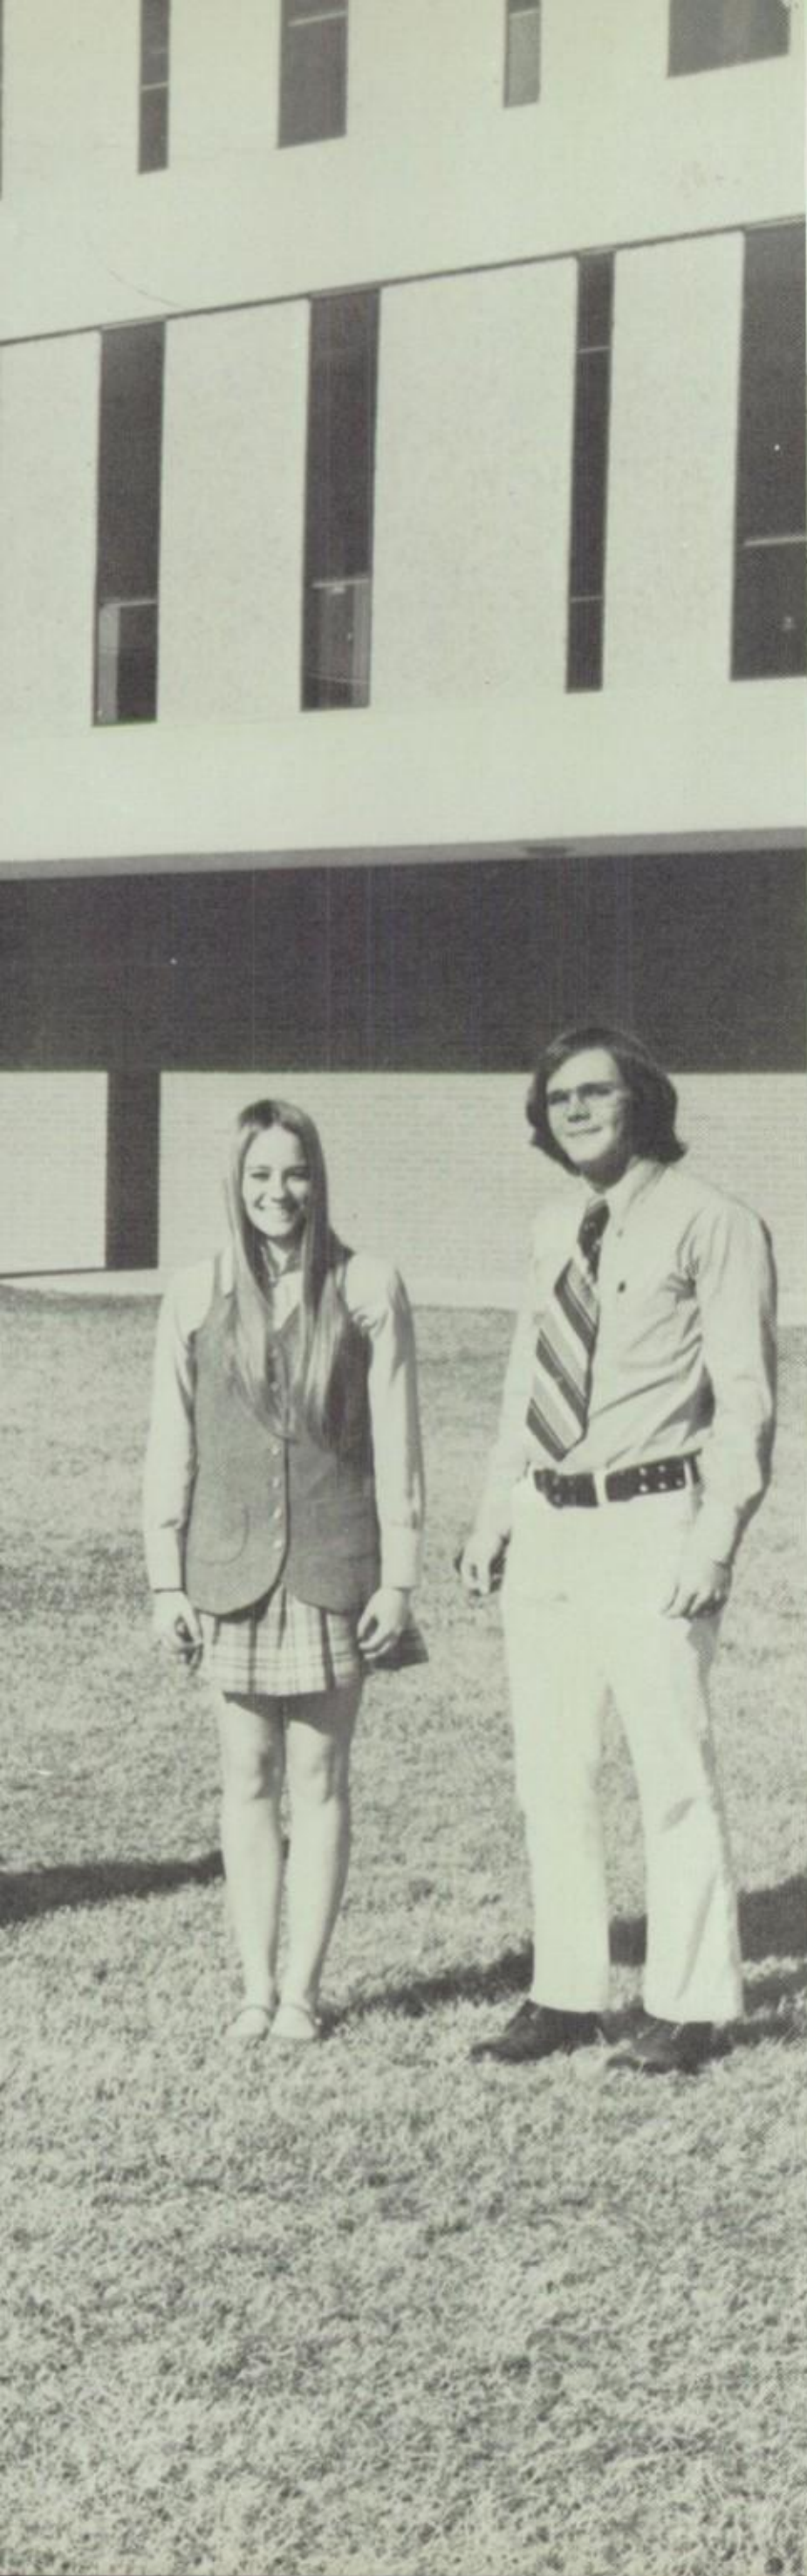

The new Supplementary Learning Center, started this fall, was completed and ready for use by the students in the spring.

The Women Faculty fought for the ball as they challenged the Senior Girls on Basketball Day.

Organizations teach man to become responsible and help him to mature. Standing in front of a local college were Jan Middleton, GUSHER; Steve Sullins, Interact President; Melanie Joubert, Student Council Secretary; Paul King, GUSHER; Sharon Caudle, Stingerettes Majorette; and Don Herring, Interact District Governor.

ORGANIZATIONS

One of the outstanding features of Byrd High School is its many ORGANIZATIONS. The participation of students in varied extra-curricular activities helps them to increase their productiveness and develop a strong sense of responsibility. By applying themselves and laboring in these ORGANIZATIONS, students also acquire the feeling of satisfaction which only dedication, hard work, and spirit can produce. The many students active in ORGANIZATIONS are given a chance to discover and develop new interests and abilities, and to become outstanding citizens.

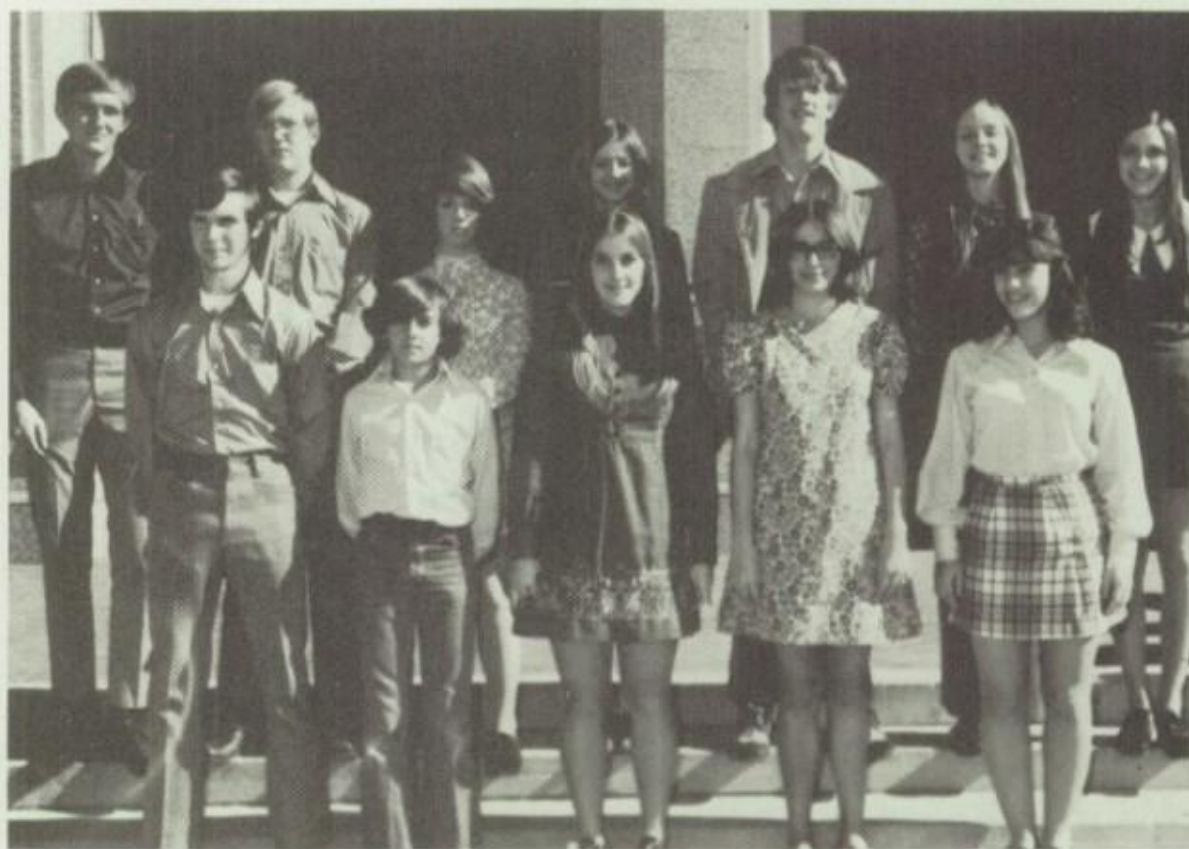

OFFICE WORKERS Aided Secretaries

A large number of students gave up their study halls to work in the School Store and the many offices of Byrd. These people received little recognition for their hard work.

The office workers carried out the new tardy system without difficulty. The new method of checking out from school proved to be successful.

Library workers aided the librarians in checking in and out books and checking hall passes as students entered the library.

Counselors and secretaries were assisted by office workers, who were an invaluable help in performing daily tasks.

DOPE-STOP Volunteers Educated

This year, for the first time, Dope-Stop became a part of school activities. Dope-Stop, one phase of CODAC, is an educational program for elementary and junior high school students. Teenage counselors from the senior high schools went into the fourth through eighth grades once a month to attempt to educate the younger students on the problems of drugs and drug abuse.

Byrd had approximately one hundred students that participated in this program. Twice each month these students attended training sessions to help prepare them for their teaching assignments in the elementary and junior high schools. Not only did the high school students present lessons on drug abuse, but also provided a sort of "big brother and sister image." They tried to convey to the younger students the fact that it is not necessary to take drugs in order to live an exciting, worthwhile life. Byrd's Dope-Stop volunteers were a part of a program that used education to try to curb drug abuse in our community.

ART CLUB Decorated Gym

Brush and Palette, in its second year under the sponsorship of Mr. Edward Allen, had many activities. The club helped promote spirit for the football season in many ways. At Homecoming, members decorated the stage for the Knilans-Prendergast Reunion assembly, and they worked hard to decorate the gym for the Homecoming Dance. The club participated in the Captain Shreve Car Contest by transforming a car into a giant Jacket eating a Gator. As a traditional end to another exciting football season, Brush and Palette provided figures showing "How the West was Won by Jackets" on Fair Park "Go West Day." Later, at Christmas, the Art Club held a sale of Christmas wreaths made by club members.

Officers of Brush and Palette were Shirley Grady, President; Lisa Norwood, Secretary; and David Terry, Vice-President.

Robert Carroll added the finishing touches to one of the figures used on Go West Day.

SQUAD Boosted Spirit At Byrd

Debra May

Gay Brooke

Kate Hunsicker

Byrd's 1971-72 cheerleaders carried on the tradition of Jacket Spirit, exhibiting tremendous enthusiasm and adding interest to the athletic program. Even though no boy cheerleaders were allowed this year, the girls did an excellent job. Having spent countless hours drawing hoops and banners, planning assemblies and pep rallies, and decorating goal posts and stands, they could always be found leading the cheering crowd through victory and defeat. During the summer the group attended a cheerleading school at Sam Houston State College in Huntsville, Texas, in order to learn new cheers, leadership techniques, and new ways to arouse school spirit. Here they kept up the Byrd tradition by winning the spirit stick for the seventeenth consecutive year. They also won the Spark Plug award as the result of their hard work and precision cheering. These six seniors were elected in the spring of 1971 by the entire student body; and because of their hard work, they kept alive the saying, "Jacket Spirit Ain't Never Gonna Die."

The cheerleaders led cheers at assemblies and games.

D.E.C.A. Attended State Convention

Some students at Byrd led dual lives. They went to half a day of school, then to a job. These students, who were members of the Distributive Education Club of America, worked at various jobs in many local department stores and businesses in the Shreveport area. This year D.E.C.A. was under the sponsorship of Mrs. Evelyn Carmichal. During the fall, the club sold candy; then in March, some of its members went to a statewide convention in New Orleans. An end of the year banquet was held in a local restaurant. Through D.E.C.A., these working students were given a better understanding of the many challenges of working in the business world.

Officers this year were Jimmy Shaver, Sergeant-at-Arms; Nancy Head, Parliamentarian; Julie Scholz, Historian; Tim McJunkins, Treasurer; Debbie Hysell, Secretary; Rocky Pope, Vice-President; Michael Malarcher, President.

Duet acting, dramatic interpretation, and poetry entries for tournaments were selected from the club membership. Several one-act plays were produced, one being entered in the Northwestern Drama Festival. A student director from Centenary cast the play, "The Brick and the Rose," from members in the Drama Club. The play was one of the five presented at the Centenary Drama Festival. Many long hours of hard work resulted in the performance of an exciting three-act play in the spring, which climaxed the year's activities. The Drama Club was sponsored by Mr. Raymond Rodgers.

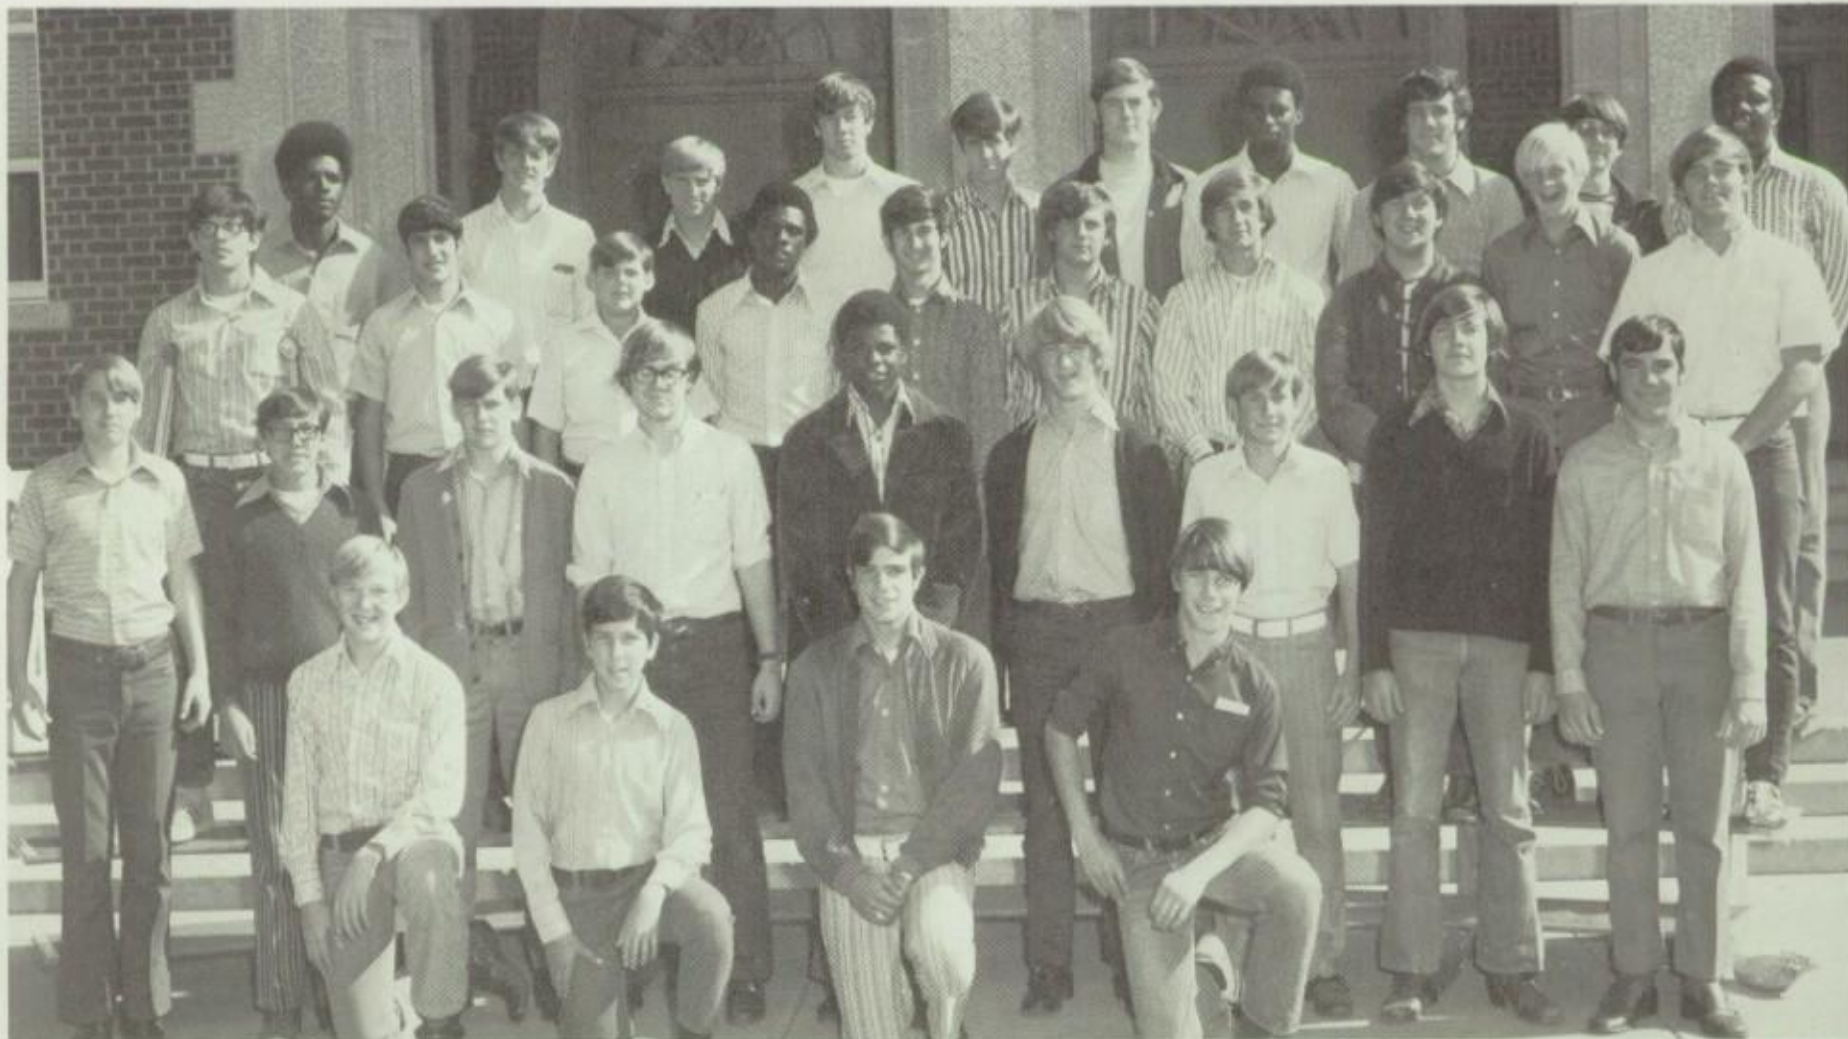

Helping backstage with several of the productions were Allen Pomeroy, David Roberts, Cindy Smith, Sallye Westmoreland, Pat McWilliams, and Heidi Ferguson.

F.C.A. Was Reorganized

In addition to the numerous hours of practice and competition, many of Byrd's athletes devoted time together to express their faith through the Fellowship of Christian Athletes, which was reorganized this year. Any athlete at Byrd was eligible to become a member of the F.C.A. The Fellowship of Christian Athletes is an interdenominational organization to help keep athletes and coaches within the fellowship of the church. Speakers, films, and tapes were shown of great Christian athletes' testimonies to encourage members to live their Christian faith in their lives and especially in the sports they play. Sponsored by Mr. Tony Stickell, the club sold candy for Halloween. Toward the end of the year, the members attended the State F.B.L.A. Convention in New Orleans.

Today, 4-H is not limited to the rural community. The program has spread to include all areas of life, including the center of cities. Years ago, the typical 4-H'er lived on a farm and raised cows, sheep, or a crop of some kind. This image has changed to show the 4-H'er as an average student interested in the improvement of himself, his home, community, and country. Projects in the 4-H programs vary from livestock to clothing. Awards are given for outstanding achievements in all project areas at the parish, state, and national levels. Clubs in the schools not only give the 4-H member an opportunity to compare experiences in project work with other members but also to teach the members how to conduct a meeting according to proper procedure.

This year 4-H offered many various opportunities to a wide variety of students with many interests.

GUSHER Staff Sacrificed

The GUSHER Staff, composed of editorial and business workers, was responsible for compiling an accurate record of a year's events at Byrd and financing this tremendous undertaking. Many extra hours were required in order to meet the four copy deadlines during the year. After the final deadline in February, the staff members were able to relax until the delivery of the books.

The first edition of the GUSHER was published in 1911 and had only eighty-three pages. Since then, the school has changed its name from Shreveport to C. E. Byrd and has also changed its location. The GUSHER has expanded with the school to become one of the area's finest yearbooks.

"To Be Jackets" and "Bee Line" Were

Published monthly and on special occasions, the HIGH LIFE kept students and teachers informed of various school activities.

Mrs. Maredia Bowdon sponsored the editorial staff, which wrote articles and planned layouts to prepare the HIGH LIFE for publication before each deadline. They added two new regular features: "To Be Jackets," which summarized the activities of several nearby junior high schools, and "The Bee Line," which heard complaints and suggestions, and answered the questions of students and teachers.

The business staff, sponsored by Mr. Tony Stickle, was busy with advertising, planning the ad section of the paper, and selling ads. Their new money-making project was a concession stand, which sold cold drinks, doughnuts, popcorn, and candy every day. During December, Christmas ads and stockings were sold.

In the Christmas issue, the HIGH LIFE staff announced Mr. and Miss Mistletoe, Mark Thorne-Thomsen and Martha McClelland.

Co-Editors Alvah Ann Neal and Mike Hubley planned the front page of the next HIGH LIFE issue.

Mr. Tony Stickle, Business Staff Sponsor, supervised the work of Hank Phelps at the concession stand.

LATIN CLUB Members Donned Togas

The Byrd Forum Latinum, or Latin Club, can be traced back to 1954. Consisting of students taking Latin I or II and those who have taken at least two years of Latin in the past, the Latin Club had over fifty members. The main objective of the club, as stated in the constitution, is "to promote good fellowship among those who are interested in Latin." The motto of the club reflects the objective, "Societas per Fraternitatem Latinum," or, "Fellowship through Latin Brotherhood."

The activities of the Latin Club this year included a trip to Henderson, Texas, for the annual Roman Banquet. Club members also enjoyed a Christmas banquet at El Chico's. RED CROSS Made Favors

The C. E. Byrd chapter of the Junior Red Cross, under the new sponsorship of Mrs. Hattie Bonner, had a very busy year. The club's activities were led by an executive committee consisting of students appointed rather than elected to their positions. Representatives and alternates were elected from their homerooms, and all students were urged to join during the Red Cross Membership Drive. At Christmas, the club sponsored a party for each class with one hundred per cent memberships. Each student in the room brought a gift for a child and the Red Cross distributed the presents to the children in various local hospitals. STINGERETTE Spirit Was

Drawing, painting, buying, selling, yelling, praying, laughing, crying: a close-knit group of 102 girls working together with unfathomable energy constituted the 1971-72 Byrd Stingerettes Pep Squad and Drum Corps. Under the sponsorship of Mrs. Mary Williams, the girls' unfailing spirit swept them through a tremendous season.

The girls' moneymaking projects bought them out of a debt that had been inherited from many years past. Spirit breakfasts and the Peep Show showed just a little of what the girls could do. Present at all athletic functions, fall and winter, this group influenced the spirit of many people, who otherwise would not have known what spirit is at a game or pep rally at Byrd High School.

Constant cheering was simple proof of Pep Squad spirit at the Woodlawn game.

"Z" Clubbers started off a year of hard work by helping out in the office during the summer. During the school year, the girls provided cookies for the teachers' lounge on Wednesdays, polished trophies, and provided cookies and acted as guides at Back-to-School Night. They also helped with various local drives, sold tickets and served refreshments at the annual Zonta Antique Show, visited a nursing home every month, sponsored an all-school toy drive for Brooks Street in November, and gave food and clothing to needy families at Christmas time. One main project this year was the Brooks Street Picnic, held once a month on Saturdays at Betty Virginia Park. The girls made sandwiches and played with the children. Martha McClelland, a member of Byrd's "Z" Club, served as "Z" Club Inter-City Council President this year. Miss Margaret Whelan was the club's faculty sponsor.

Playing or listening to music brings people together; it gives laymen as well as actual musicians a well-rounded education. Gathered at Centenary's Shell, where many concerts have been given, were Alan Rihner, choir; Deborah English, band; Ernest Jones, band; Virginia Grounds, Choir; David Childs, band; Renee Downs, choir; and Steven Nance, choir.

MUSIC

MUSIC, even before man had invented the symbols of a written language, was the record of what had happened and was sung from generation to generation. An exquisite composition of music sometimes emerges from one who has neither a vast education nor wealth, only gifted hands to play the instrument with loving touches. However, many people go on to pursue the study of music in greater depth. The pulse of the heartbeat is the rhythm of the body; the beat of a song or chant is like that beat of a heart. Rhythm is something everyone can understand — it is a universal language which enables people who speak a different language to understand one another. MUSIC is like a language written with notes instead of words. The written notes are read by the player and made into sounds which the listener hears. In this way, the composer gives his message to the world; he can express joy, sorrow, and beauty.

CONCERT CHOIR Entered

The Concert Choir represented Byrd well during the past year. Under the direction of Mr. James L. Sullivan, this organization performed at the District Music Festival in Natchitoches, the Shreveport Christmas Lighting Ceremony, the Byrd Baccalaureate Service, and the Byrd Commencement Exercises at the Centenary Dome. The group also sang for various local civic organizations and made a tour of junior high schools in the vicinity. Several school assemblies and concerts, including the annual Spring Concert, were presented by the Choir.

Individual members made many contributions to the Choir. Steve Nance was chosen to represent Byrd in the All State Choir. Several members of the Choir took part in the District Solo and Ensemble Festival at Northwestern State University in February.

Choir officers were, *Front Row:* Debbie Allen, Vice-President; Alan Rihner, President; Renee Downs, Librarian. *Second Row:* Patty Lawrence, Robe Chairman; Willie Richardson, Robe Chairman; Missy Duncan, Secretary.

The Byrd BAND Added Its Own

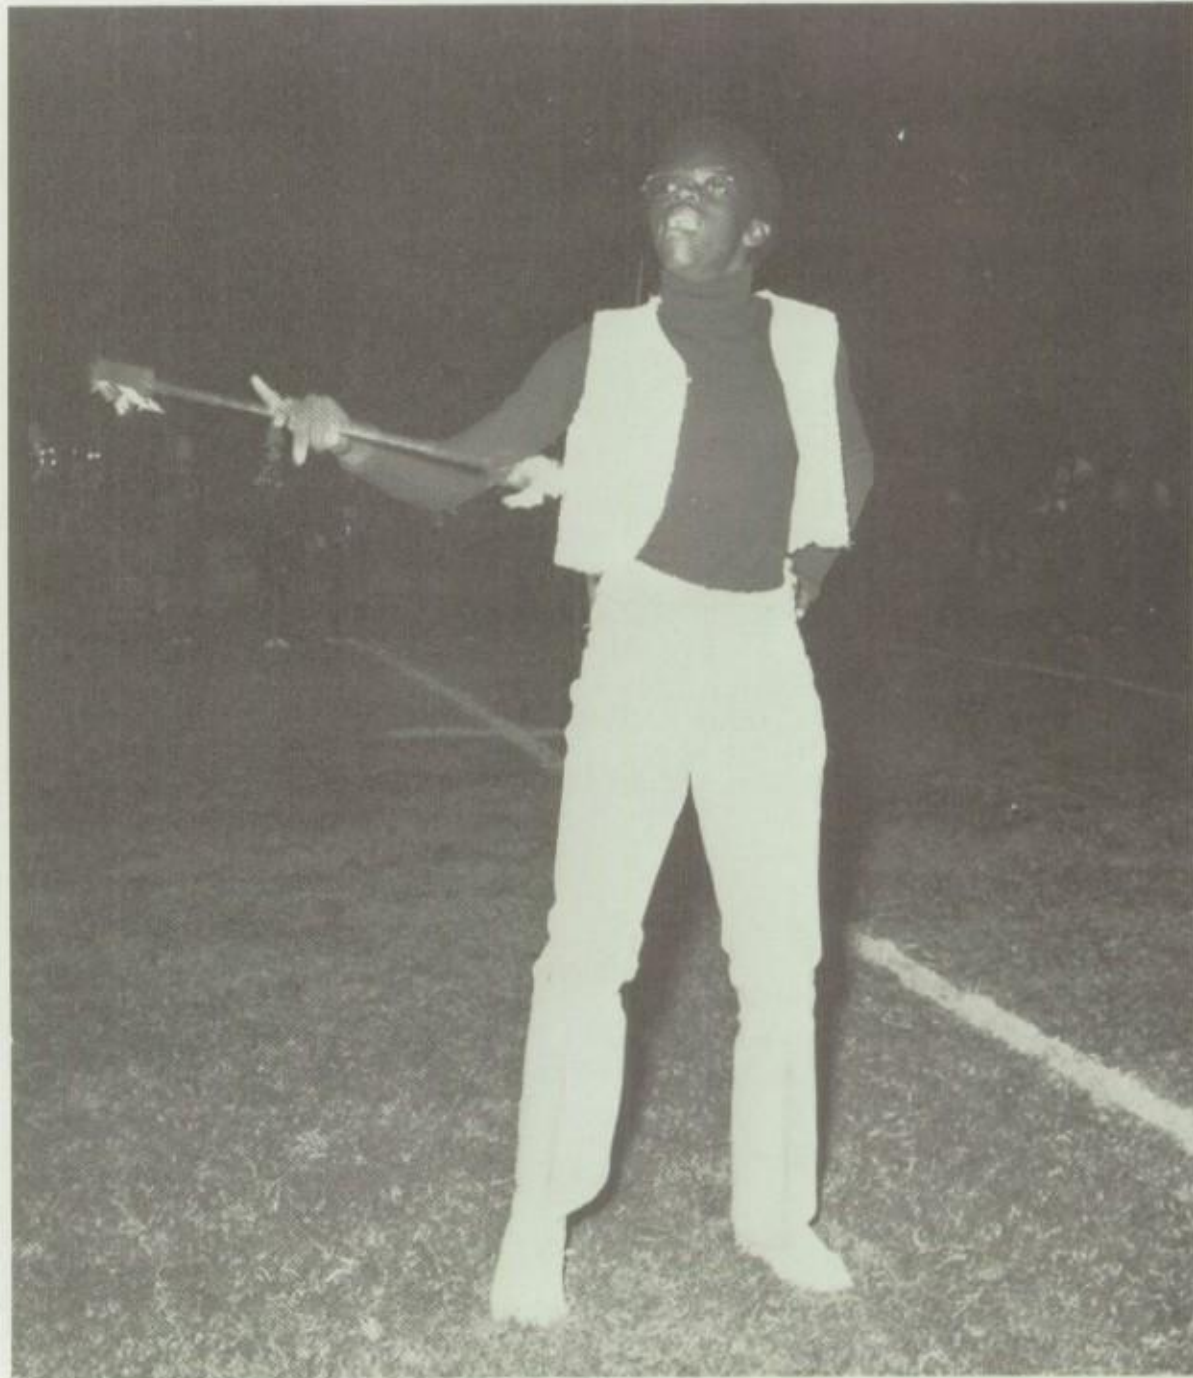

A stronger than ever spirit was shown this year by the Byrd Band. The half-time performances were excellent, and support from the stands was very enthusiastic. The Band had its own kind of spirit that added even more to the morale of the rest of the student body.

At pep rallies the Band provided the students with music for the fight songs. Their spirit was so good that the cheerleaders' coveted Sparkplug was awarded to the Band for a day. The cheerleaders had never done this before, so the honor was even greater. The Band also received the Spirit Stick one week.

As a token of their appreciation, the Band awarded to the Pep Squad and cheerleaders its own special Spirit Stick. It was five feet long and was painted the traditional purple and gold.

At the annual Christmas Assembly, the Band played several selected songs of the season. Mr. Shields invited the student body to sing along to such songs as "Silent Night" and "O Come All Ye Faithful." Along with the choir, the Band made the assembly very successful.

Several individual honors were received in the Band. Jordan Edwards was a member of the Governor's Honor Band and the Youth Symphony. James Stewart was also in the Youth Symphony, and Ralph Gipson was in the District II Honor Band.

Victor Jackson with his fire baton added dramatic color to the halftime festivities at football games.

MILITARY

To train young men to be the leaders of tomorrow is the main goal of the MILITARY. The activities of the Byrd High R.O.T.C. develop the strong character and self-discipline so necessary to the youth of today. Instilling in their men an intense feeling of pride in country, service, and self, the R.O.T.C. produces well-educated, well-rounded men who, as a result of the knowledge gained through participation in MILITARY activities, will be able to solve problems as they arise. These men emerge as the protectors of the American people's homes, families, and futures.

There was enthusiastic competition among cadets for company and platoon positions and honors such as the Superior Junior Cadet Award and the American Legion Medals; and among groups for such awards as Best Company, Best Platoon and Best Squad. Each cadet was engaged in the never-ending struggle to attain more ribbons than his fellows.

Planned Six Flags Trip

Lt. Col. Pete Sims and Sponsor Major Marsha Dark examined the merchandise during the club's candle sale.

Playing an important role in the R.O.T.C. program, the Officers and Sponsors Club was responsible for planning the social activities of the battalion. In the early fall the club held two car washes to raise money for special projects. In November the Officers and Sponsors helped organize the annual Spaghetti Supper, where the sponsors held a bake sale. The club held a Christmas candle sale in December, which proved to be quite successful. With the funds from these projects, the Officers and Sponsors arranged a trip to Six Flags Over Texas. They also helped cadet officers acquire uniform components inexpensively.

To be a member of the club a cadet had to hold the rank of lieutenant or above in the R.O.T.C. at Byrd. The president of the club was Cadet Major Harold Brandt. The faculty sponsor was Lt. Col. William Teal.

Through athletics man discovers himself, the thrill of teamwork, his own abilities, and his place in the world. Representing their respective sports were Arthur Gilham, Basketball, all District and State; Pat Fulton, State Champion in Swimming; Alan Elbert, Golf; Martha McClelland, Tennis; Issac Hagins, Baseball and all District and State in Football; Barry Atkins, Baseball and James Johnson, all City and District in Football.

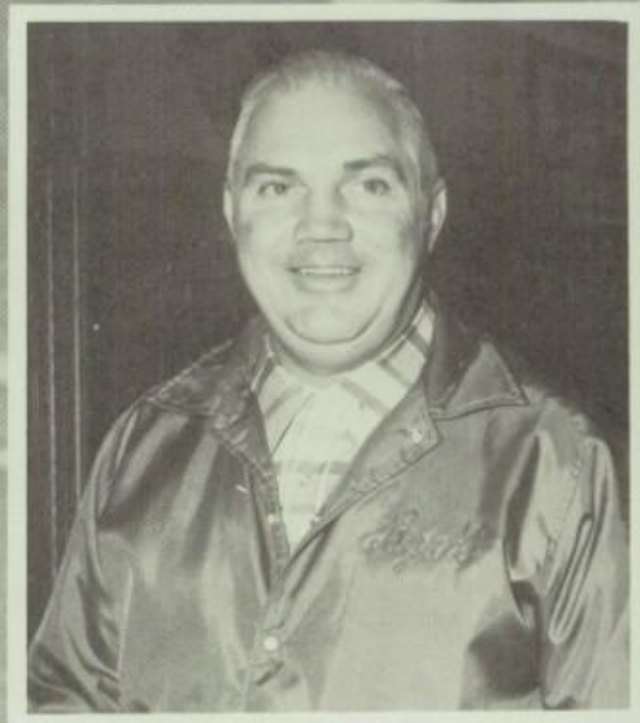

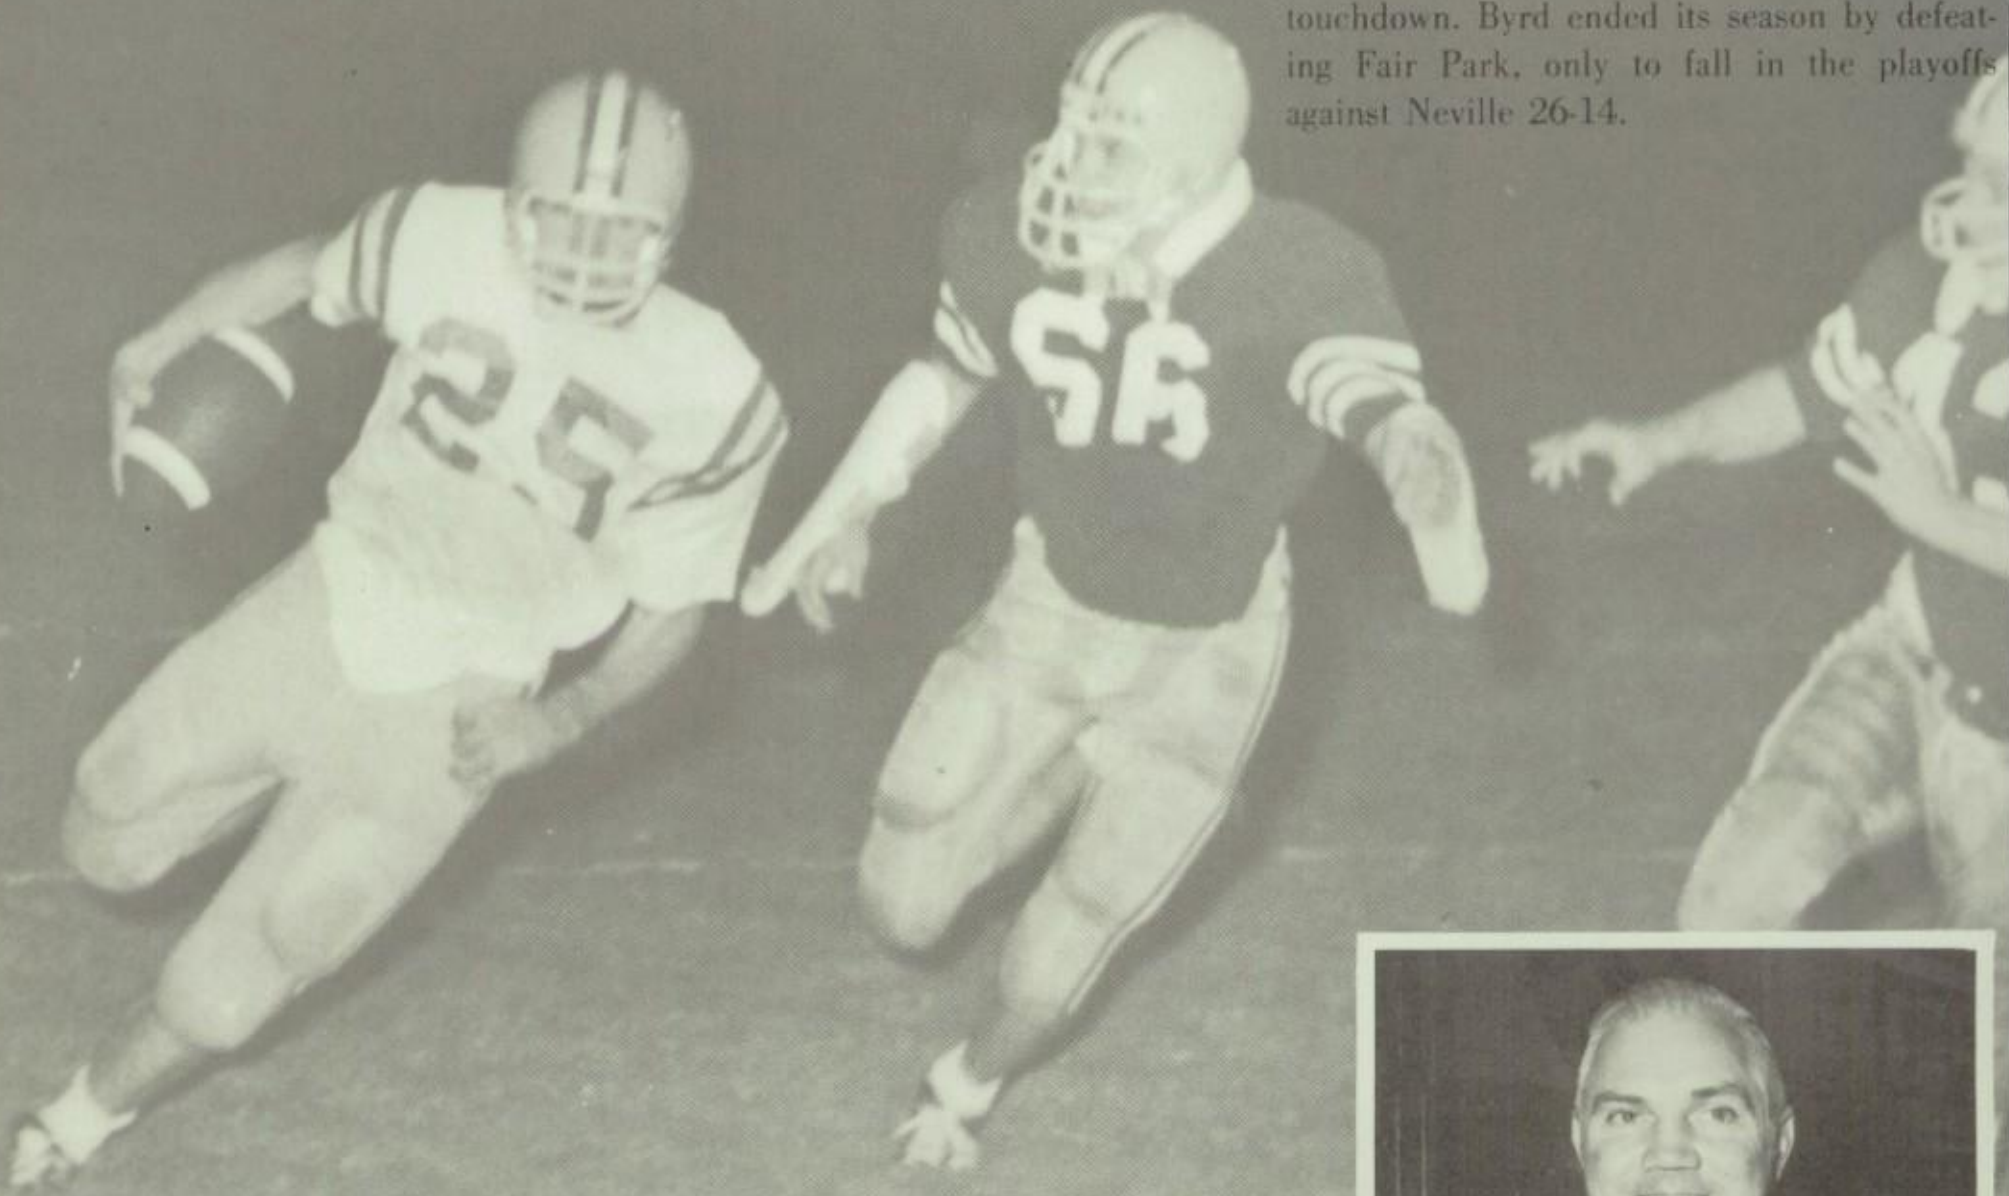

ATHLETICS

True athletes are in a group by themselves because they have an unceasing ambition which is developed by infinite hours of practice and preparation for contests. To participate in ATHLETICS requires that one have an inherent amount of natural ability and co-ordination, an extensive program of training, and an excessive amount of self-determination to win and excel. An athlete learns to give his job all he has and never give up until he has done his best. He learns to accept defeat, but at the same time works even harder in order to win the next time. Self-satisfaction, achievement of top physical condition, and development of character are some of the rewards from such devotion.

FOOTBALL

The 1971 football season for the C. E. Byrd Yellow Jackets proved just as exciting as last year's, if not more so. Predicted to end up fourth in 1-AAAA, the "Cardiac Kids" again showed that they could face adversity and make the state playoffs. The Jackets got off to a slow start, losing to Ruston and Jesuit by a total of six points. But they charged ahead with a six-game winning streak, which was highlighted by a one point victory over heavily favored Airline. Then the Jackets faced rival Captain Shreve and lost by one heartbreaking touchdown. Byrd ended its season by defeating Fair Park, only to fall in the playoffs against Neville 26-14.

RUSTON 18

Outweighed by as much as ten pounds per man, the Yellow Jackets went into their first game of the season as underdogs to the Ruston Bearkats. The Jackets played their best, but came out a disappointing four points behind. Ending eight yards away from a win when the clock ran out, the game started off an exciting season. Although the Bearkats controlled the ball the first half ending it 12-0, Byrd came back in the third period when James Johnson fell over the goal line for a one yard touchdown. The second Byrd score came on a 59-yard pass to Jeffrey Carter. The Kats score in the fourth quarter helped them to survive the furious Byrd passing attack. Byrd's hopes dimmed only after a fourth down pass was batted down from the eight with a minute and a half left in the game.

Isaac Hagins began the Fair Park game dramatically.

Jackets Gained Experience

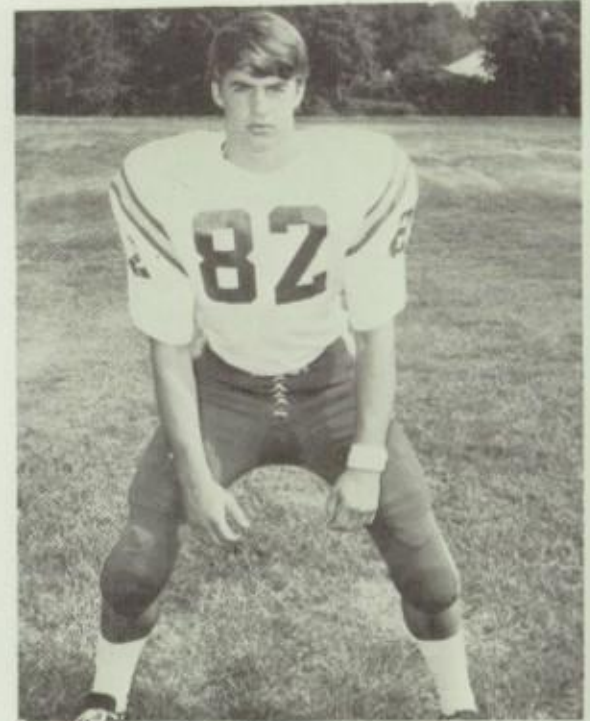

BYRD 15

JESUIT 17

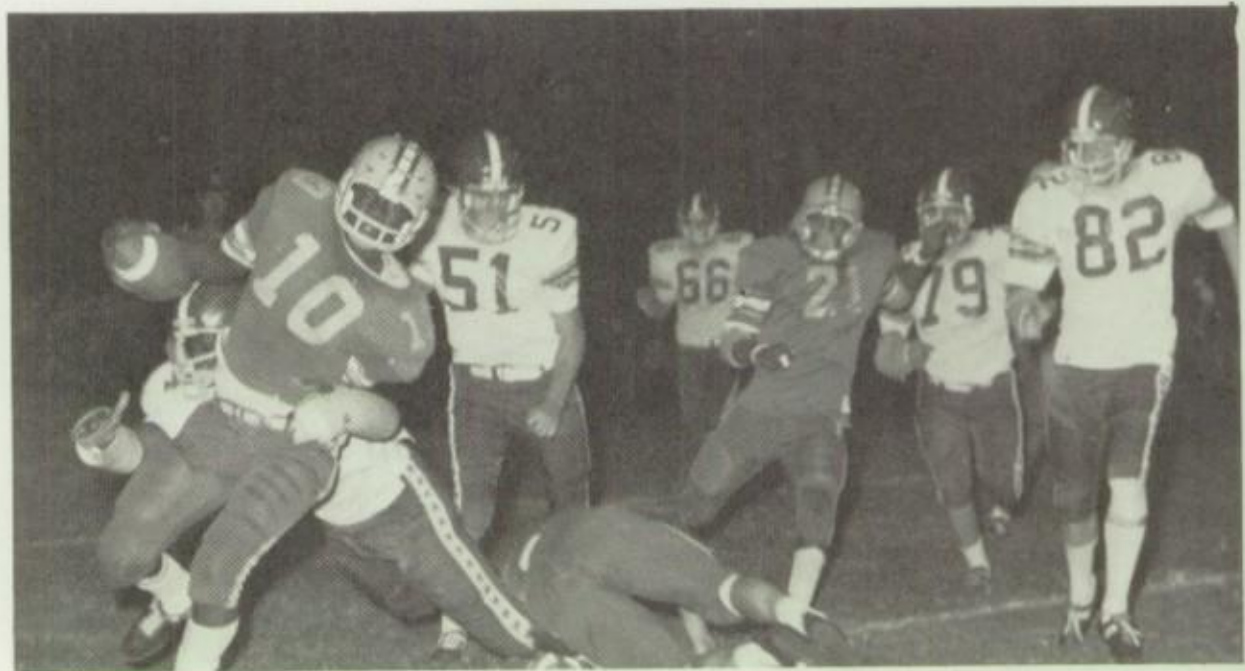

The Byrd High Yellow Jackets again missed out on a victory flag raising, but this time by a mere two points against the inspired Jesuit Flyers. Byrd scored first on a sixteen yard pass to Ed Reinowski. But the Flyers came back in the second quarter to tie up the game at half-time 7-7. Jesuit dominated the third quarter scoring a touchdown and in the fourth the score was 17-7 after a Jesuit fieldgoal. But the Jackets weren't through. Tom Hester made a sparkling run on the Jesuit three yard line and James Johnson passed for two points to Issac Hagins. Although Jesuit won on running plays, the Jacket defense held their passing yardage to forty-three yards and made two interceptions.

SOUTHWOOD 6

Meeting the Southwood Cowboys in their first District 1-A AAAA game, the Byrd Yellow Jackets hung on for a thrilling 7-6 victory. Although the Jackets rolled up a tremendous offensive edge, they were only able to score once on a ten yard pass from James Johnson to Issac Hagins. Twice the Jackets drove within the Cowboy ten yard line, but both times, turnovers killed the drive. In the fourth quarter the Cowboys made a close game of it as they scored with just a few minutes of playing time remaining. With the score 7-6, the Cowboys chose to go for a two point conversion and failed. The Cowboys managed to get the ball back before the end of the game, but David Mauroner's interception stopped a last-ditch Southwood drive.

Issac Hagins prepared to meet with resistance in the Southwood game.

Jeffery Carter evaded Viking defender after making a stunning reception of the ball.

BYRD 47 WEST LAKE 20

The Yellow Jackets, weary of close games, rolled up an awesome score of 40-6 and coasted to victory over West Lake Lions with a score of 47-20. Byrd, with a staggering 485 yards of total offense found that they could substitute freely after James Johnson fired four touchdown passes; two to Isaac Hagins and one each to Jeffery Carter and Tom Hester. Hester and Winston Black also scored with runs of nine and twenty-six yards. The defense played devastatingly as they recovered five fumbles and made two interceptions.

AIRLINE 21

The Airline Vikings, ranked number ten, fell in the last twenty seconds of play to the powerful Byrd Yellow Jackets in the Jackets' best game of the season. Excitement was the name of the game as the Vikings made the first seven points, followed by a seventy-two yard scoring run by Byrd's Issac Hagins. Airline fought back to gain another touchdown before the halftime, but the extra point was missed. After a scoreless third quarter, Byrd took command and the lead with a sixty-nine yard march ending with a pass to Jeffery Carter. But Airline came back with an eighty-eight yard drive with a touchdown plus a conversion play making the score 21-14 Airline. In the last two and one half minutes a drive dotted with big plays and ending with a touchdown put the Jackets one point behind. But in a stupendous maneuver Hagins caught a pass from Johnson for the second district win.

Charles McCoy was the star of the offense having a rushing average of eleven yards per carry. He also caught a nine yard pass from James Johnson who passed for a total of 181 yards. Both of Byrd's substitute quarterbacks passed for a touchdown each. The defense, holding the desperate Bulldogs to just one touchdown made two interceptions and recovered two fumbles, helping to win the fourth straight game.

The defensive performance of Byrd equalled the offensive performance as the Yellow Jackets shut out the Woodlawn Knights 27-0 in a game full of exciting Jacket action. Every Woodlawn pass caught in the first half fell into the hands of Byrd players, and in the second half, the Byrd defense intercepted three more and recovered a fumble. Quarterback James Johnson was responsible for three touchdowns as he passed for 133 yards, and substitute quarterback Mike Leonard also passed for one touchdown. Two more outstanding players in the game were Isaac Hagins, who tied his own school record, and Jeff Eskridge, who averaged 43.3 yards per punt with eight punts. The fierce Byrd High Yellow Jackets added one more victory to their winning streak as they defeated the Booker T. Washington Lions. Byrd reached the scoreboard first during the opening quarter with a 28-yard dash by Charles McCoy and extra point kicked by Paul Nader. After a long even struggle, Tom Hester broke through the Lion line for seven yards and a touchdown in the fourth quarter. The Lions, losers all season, put up an impressive struggle but could only cash in on an 88-yard touchdown on a fumble recovery in the fourth period. The Jacket defense, making two interceptions, halted all other Lion drives. This left Byrd undefeated in district play and 6-2 overall.

The excited Byrd Yellow Jackets had revenge in mind for this game, but lost by a fraction of an inch to the eventual state semi-finalists, the Captain Shreve Gators. The first half was dominated by Shreve, who scored two times, making it 14-0 at halftime. During the third quarter, the Gators again scored putting Byrd behind by 21 points. Then the struggling Jackets began an amazing rally which was sparked by Steve Hansford's 87-yard touchdown. In the fourth quarter, Tom Hester's 31-yard touchdown run left it 21-14 with 8:57 left, and even after another Gator score the Jackets kept coming. This time James Johnson threw a 16-yard touchdown pass to Jeffery Carter and Later managed to get the ball to the Gator 11 yard line with a first down. But the game was thrown away, and Captain Shreve emerged the lucky and shaken victor.

The ambitious Yellow Jackets reached the state playoffs their second straight year with a decisive victory over the Fair Park Indians. Byrd was forced to come from behind after the Indians scored first in the second quarter. A 33-yard pass to Steve Hansford with just 20 seconds left before the half put the half-time score at 7-6 Fair Park. Late in the third quarter, lightning struck again when Johnson drilled a pass to Jeffery Carter, who turned it into a 64-yard touchdown. The Yellow Jackets fell behind 20-0, but before the half was over, Robert Glass carried the ball over the goal line, making the score 20-7 going into the third quarter. Neville then put the wraps on the game with another scoring run. Byrd came back in the fourth period, scoring its final touchdown when Isaac Hagins found blue sky after receiving an 8-yard scoring pass. Nader's kicks were both good making the final score 26-14. It was a hard-fought game, and Neville became confident of victory only in the last minutes of play.

BASKETBALL

At the conclusion of an eventful basketball season, Byrd's team posted a 4-6 district record and an over-all 6-15 record. The games were all hard-fought and ended in close final scores. The six returning lettermen greatly aided the team and often dominated the scoreboard. During the season, the Yellow Jackets participated in three tournaments which sharpened their playing skills and abilities. Led by Head Coach Gene Hamner and Assistant Coaches Earl Belle and John Rogers, the Jackets proved that they could play against the best in the district and still keep the spirit for which they were known. With the backing of the student body, Pep Squad, and cheerleaders, the team pulled through with several fantastic victories; and even though it was a losing season, the boys kept working for victory.

MARSHALL 2

Behind the pitching of Jerry Peyton and good defensive play, the Jackets scored a 3-2 victory over the Marshall Mavericks. The Jackets scored single runs in the first, third, and fifth innings as Ken Hartman led the way with two hits in three times at bat. The Jackets also proved they could play under pressure as they got out of a bases loaded, no out situation to preserve the victory.

Byrd's Hard-Luck BASEBALLERS

BYRD 3

MARSHALL 4

In the season's opener, the Yellow Jackets of Coach Gene Hamner dropped a tough 4-3 decision to the Marshall Mavericks.

The Jackets out-hit the Mavericks, but errors cost them the victory. Marshall scored three runs in the third inning to surge ahead of the Byrdmen. The Jackets came back to score one run in the fifth on singles by Jimmy Watson and Mike Collinsworth and a sacrifice fly by Tracy McLemore.

In the sixth the Jackets tied the score on Randy West's two run triple. It was just not enough, however, as Marshall pushed across a run in the seventh to take the win.

BYRD 7

WOODLAWN 9

Beginning the second round of District 1-AAAA play, the Jackets lost a 9-7 decision to the Woodlawn Knights. The Byrdmen were stunned early as the Knights scored eight runs in the second inning. Sporadic fielding and numerous errors by the Jackets aided the Knights in their lead. The Baseballers fought back in the third inning, scoring four runs on four hits with Donald Donohue's double highlighting the rally. The Knights added a single run in the fifth inning to push the score to 9-4 entering the sixth inning. In the sixth the Jackets scored three runs, but their rally fell short as the game ended in a 9-7 victory for Woodlawn.

BYRD 7

MARSHALL 6

The Diamondmen once more traveled to Marshall to do battle with the Mavericks. The Jackets finally managed some hitting power in taking a hard fought 7-6 win. The Byrdmen fell behind early as the Mavericks scored once in the fourth to make the score 5-1 after four innings. In the sixth inning, the Jackets scored six runs on six successive hits to ensure the victory. Jack Phillips got the win for the Jackets.

Infielders were, *Front Row:* Charles Rogers, Marty McDowell. *Second Row:* Jerry Peyton, Shawn Rachel, Kim Kosmitis.

Donald Donohue created a tough decision for Coach Rogers as he slid into second base during an afternoon practice session.

Dropped Four Close Decisions

Having to look into the sun while getting ready to catch a fly was not uncommon for the Byrd Diamondmen.

Marty McDowell scooped up a grounder at an infield workout.

BYRD 3

FAIR PARK 5

In their third district 1-AAAA contest the Diamondmen lost another close decision, this time to the Fair Park Indians. The Indians jumped off to a 1-0 lead in the first inning. With the help of four Byrd errors, the Indians scored three more in the fifth to make the score 4-0, with Byrd coming to bat in the bottom of the fifth. The Jackets rallied for three runs behind an error, and base hits by Tracy McLemore and Larry Frazier. Frazier pitched for the Jackets and was again the victim of poor fielding. The final score was the Jackets 3, the Indians 5.

BYRD 2

CAPTAIN SHREVE 3

Byrd's hard-luck Baseballers lost another close game by 3-2 score to eventual district champion Captain Shreve. Jerry Peyton pitched well, but the Jackets could not muster any offensive threat in the loss. Both teams scored single runs in the fourth inning to keep the game even. The Gators scored runs in the fifth and sixth innings to clinch the victory. The Jackets scored once again in the sixth. Chuck Pickard and Ken Hartman had two apiece for the Byrdmen as the Jackets record fell to 0-4 in the District.

BYRD 9

BOOKER T. WASHINGTON 3

Looking for their first win in District 1-AAAA play, the Baseballers swarmed over the Booker T. Washington Lions by a 9-3 score. The win also broke a four game losing streak. The Jackets wasted no time in getting to the scoreboard as Ken Hartman singled in the first and scored on Randy West's double. The Jackets scored three more in the second inning of play off a Will McCroclin double. The Byrdmen scored a single run in the fifth inning on a triple by Chuck Pickard and four in the sixth, with Randy West brightening the action with a two-run homer. The Jackets' season record came up to 3-6, and their district slate settled at 1-4.

Inconsistent Hitting Plagued

BYRD 7

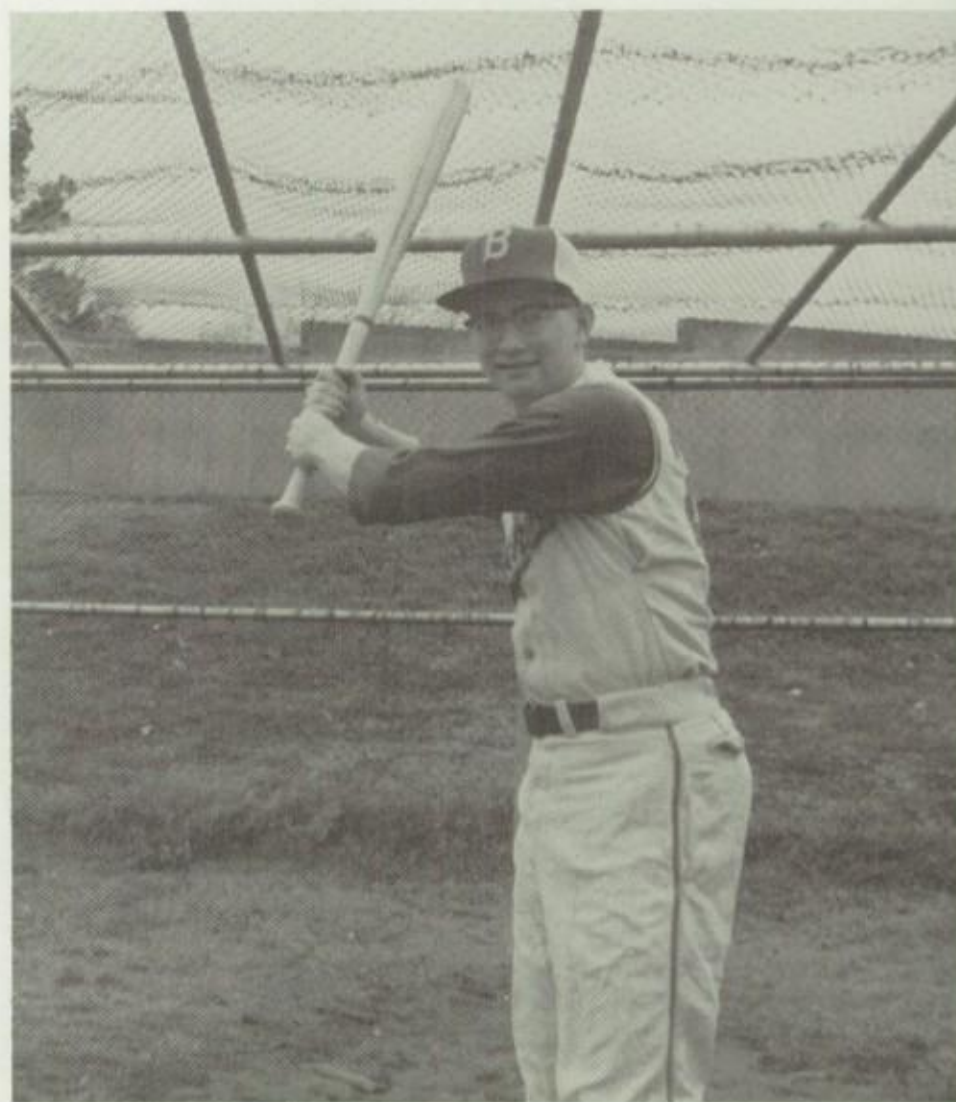

BOOKER T. WASHINGTON 3

Making the best of only six hits, the Baseballers defeated the Booker T. Washington Lions 7-3 on the Lion's diamond. Powerful hitting keyed the Jackets' win as Ken Hartman and Jerry Peyton blasted home runs, with Hartman also banging out a double. Jack Phillips took the mound for the Jackets and allowed the Lions only three hits, while striking out six.

BYRD 0

AIRLINE 3

The Jackets challenged the Airline Vikings at Betty Virginia Park, only to come out on the losing end of a 3-0 score. It was a case of weak hitting for the Jackets as they managed only four hits in dropping their second straight district game. Larry Frazier turned in a fine performance for the Jackets, striking out seven and allowing only six hits. The Vikings were able to make theirs count, however, to take the win 3-0.

Randy Jones was ready for the pitch at one of the Jacket practice sessions.

John Flair, one of the Freshman members of the team prepared to stop a line drive.

Jacket's BASEBALL Season

BYRD 4 SOUTHWOOD 2

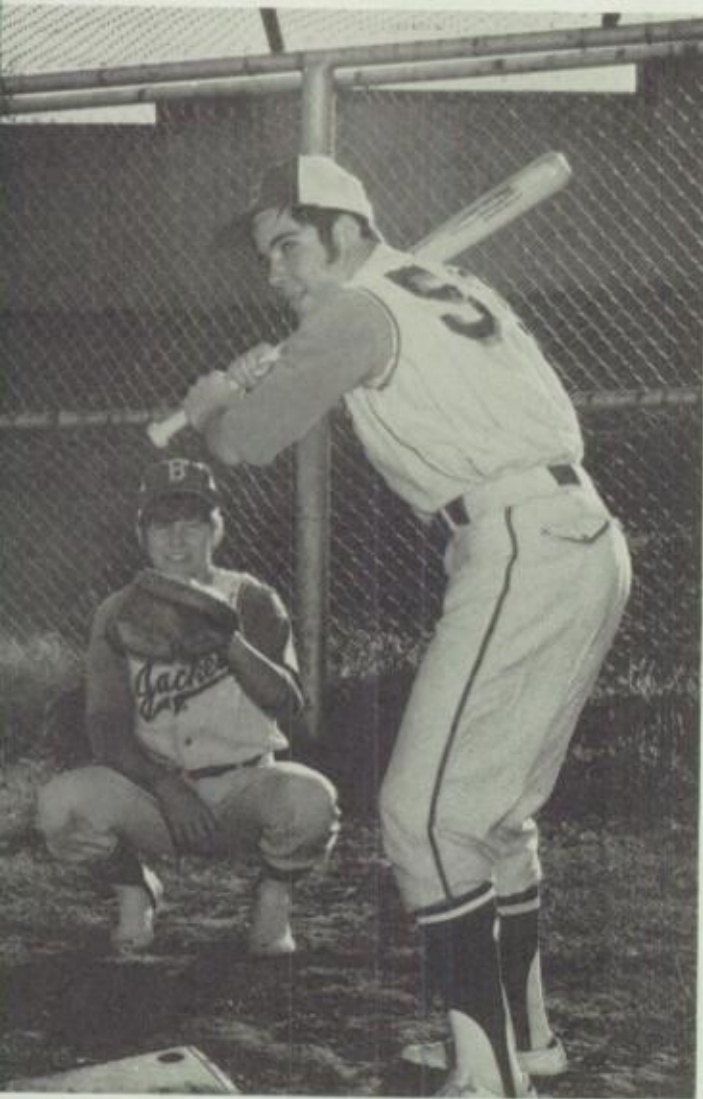

Continuing their winning ways, the Jackets defeated the Southwood Cowboys 4-2 for their second district win in a row. Jerry Peyton held Southwood to only four hits in picking up the victory. The Jackets scored one run in the third and three runs in the sixth to clinch the victory. Leading the Jackets at the plate were Chuck Pickard with two RBI's and Randy West with two hits. The Jackets raised their district record to 2-4.

BYRD 14 FAIR PARK 0

In the opening game of the Bossier Invitational Baseball Tournament, the red-hot Jackets bounced the Fair Park Indians 14-0. Larry Frazier pitched brilliantly, giving up only four hits. The Jackets scored two runs in the first, one in the fourth, four in the fifth, and seven in the sixth. The Byrdmen banged out thirteen hits in raising their season record to 5-6. Leading the Jackets at the plate were Don Donahue with three hits, and Randy West, Jerry Peyton, and Chuck Pickard with two each.

BYRD 5 CAPTAIN SHREVE 3

Taking on District 1-AAAA leader Captain Shreve, the Jackets played vicious baseball as they swamped the Gators 5-3. The diamond-men wasted no time in getting started as they pounded Shreve pitching for four hits and three runs in the first inning. Applying real pressure, the Byrdmen added two scores in the second frame, with Senior Jimmy Watson's triple highlighting the rally. With a comfortable five-run lead, the Jackets concentrated on playing defense the rest of the game. Junior Jerry Peyton held the usually heavy hitting Shreve team in check to assure the victory for the Jackets. The victory hiked the Jackets' district record to 5-6 and pushed their season's record to 10-9.

Workouts meant practice in batting as well as catching for Paul Scott and Ricky Davidson.

Outfielders were, *Front Row:* Mike Leon, Ken Theis. *Second Row:* David Pettigrew, Robert Washington.

Jacket Practice Sessions Intensified

BYRD 3

FAIR PARK 0

The Baseballers of Coach Gene Hamner dealt the Fair Park Indians District Championship hopes a severe jolt as they stopped the Indians 3-0. The strong left arm of Larry Frazier carried the Jackets as the southpaw allowed only three hits and walked only one batter. The Jackets broke open a close game in the fifth inning as they rapped out three hits to score all of their runs. The victory pushed the Byrdmen's district record to 4-6 and overall the Baseballers evened out with a 9-9 slate.

BYRD 3

SOUTHWOOD 6

Suffering from a mental letdown, the Jackets dropped a 6-3 decision to the Southwood Cowboys. Inadequate fielding by the Jackets keyed the Cowboy victory as the Byrdmen committed five errors in poor support of Junior pitcher Jerry Peyton who allowed only five hits to the Cowboys. Randy West led the Jackets at the plate with two hits in three times at bat, but the errors were too costly as the Jackets lost 6-3. The loss dropped Byrd to 5-7 in district play and 10-10 overall.

Manager Bobby Frost set up a base for one of the Jacket practice sessions.

Coach John Rogers advised Paul Nader, the pitcher, on how to throw a curve ball.

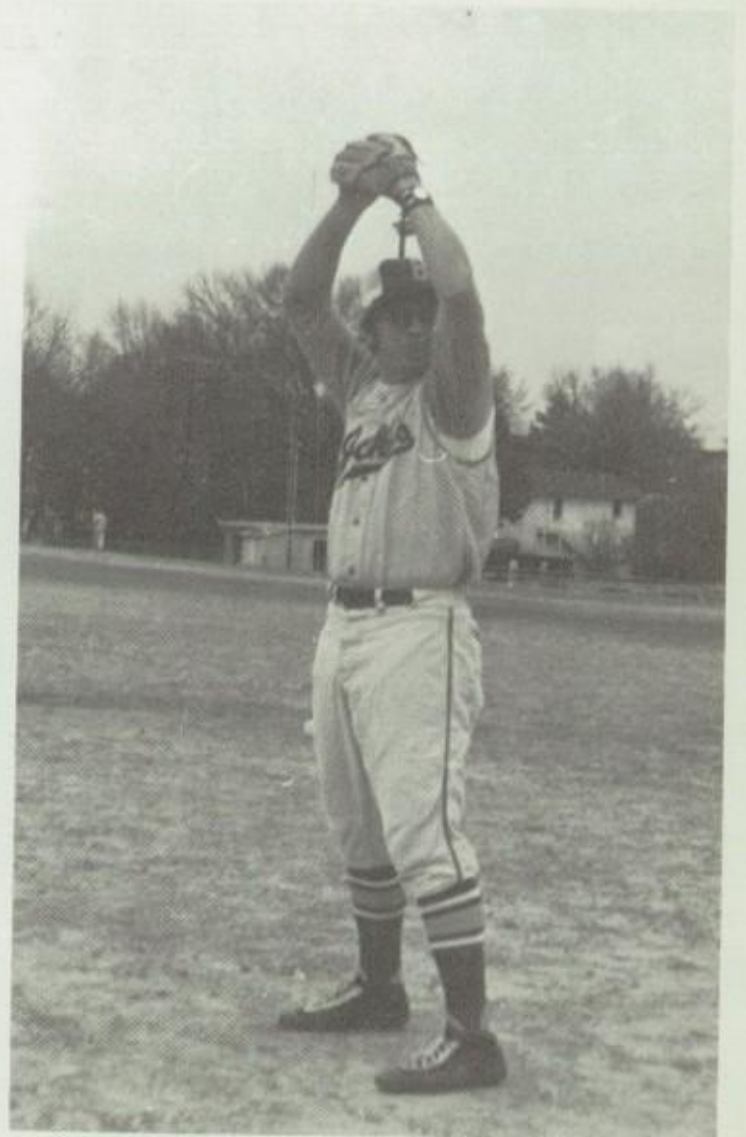

As The BASEBALL Season Progressed

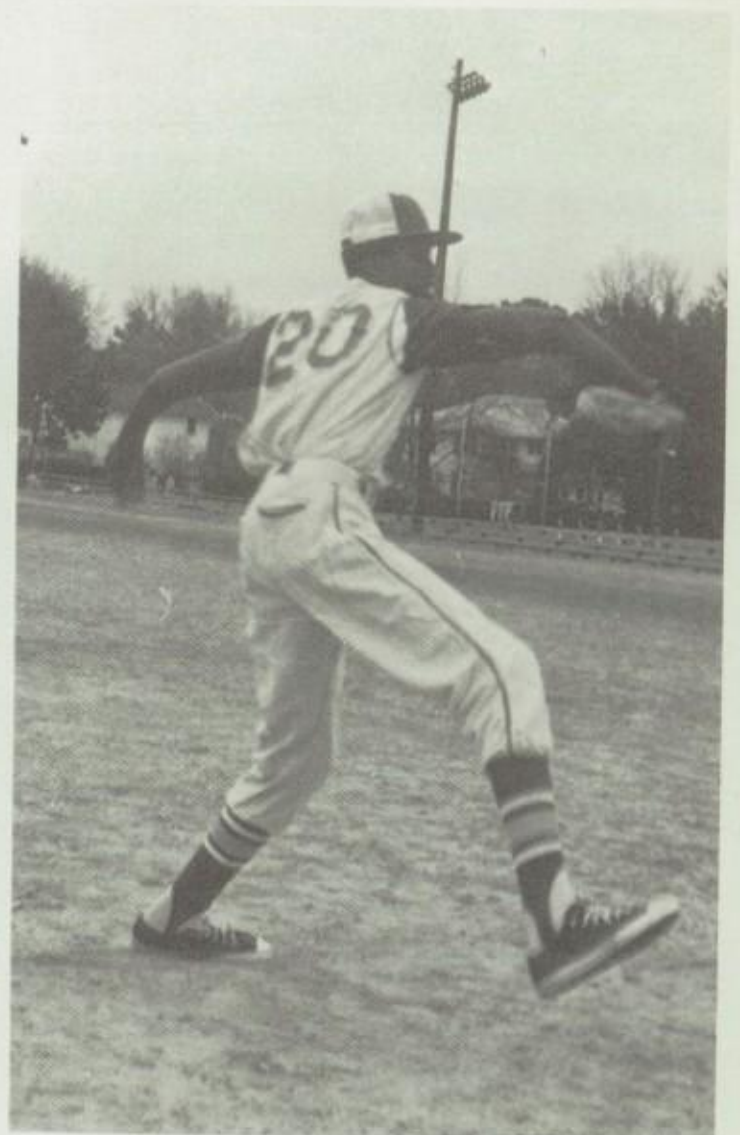

Chris Ferguson prepared to make a catch and tag second during a Jacket practice session.

Catcher David Terry snagged a fast ball at another of the Byrdmen's many workouts.

Billy Darrow took a stretch before he delivered a pitch during practice.

Warming up at a workout session was pitcher, Robert Washington.

TRACK

The Byrd track team, under the leadership of Coach John Crockett, had a successful year during the 1971 season. Showing fine spirit and sportsmanship, Jacket tracksters took three first place awards, which were in the Indian Relays, the Minden Relays, and the Bossier Invitational Meet.

Surpassed only by Fair Park, Byrd earned second place in the District 1-AAAA Meet. With the aid and instruction of nine returning lettermen, Byrd completed the season having placed in several meets.

In the twelfth edition of the Shreveport Relays, held at the Byrd High track, the Jackets placed fourth. Byrd's Jim West leaped 6' 2" to break the present high-jump record by a quarter of an inch. Shreve's Ezell Bell barely outstepped Byrd's James Sykes in a paper-thin verdict over the 100-yard dash. Both were given 10.1 times. Howard Cole, James Sykes, Virgil Johnson, and Robert Jackson led Byrd to capture the 440 baton title in 43.4. Numerous other awards were won. Robert Mills placed in both the low hurdles and the high hurdles. In the field events, Kirby Simmons tied with Tim Jamar of Northwood for fourth place in high jump. He also placed in the pole vault. In the javelin throw Tom Lewis placed second, and Mike Jones ranked fifth.

James Sykes won the 100-yard dash as well as the 220, and ran on the winning 880-yard relay team, which also included Howard Cole, Robert Williams, and Eugene Clark. No running events produced records because of heavy showers.

Four new records were set in the field portion, two by Byrd. Jim West high-jumped 6' 2" to break the old mark by an inch, and Tommy Lewis threw the javelin 200' 2", breaking the standard more than 15'.

Robert Mills won both hurdle events, while Kirby Simmons placed second in the pole vault. Charles McCoy, Tommy Adams, Mike Jones, Jeff Carter, Howard Cole, Gary Hill, Mark Thorne-Thomsen, and Eugene Clark also placed in their events.

Daily practice kept the Byrd Track Team prepared for good performances at the meets. Mike Littlefield, Charles Tooke, and Mike Bradley ran several laps around the track to keep in shape.

Robert Wheat demonstrated his ability of throwing the javelin.

Jackets Were Well Represented

The tennis team finished it's 1971 season with a very successful 22-2 year, losing only to eventual State Champions, Captain Shreve. Every time Byrd played Captain Shreve, the team lost by a heart-breaking one point, putting Byrd second in the district. The Jackets easily defeated all other schools in every match.

Outstanding help was given by David Whitner and Steve Redden, who teamed up to reach the finals in the state tournament. Redden also qualified Byrd for State in the mixed doubles division with Penne Booras. Anne Butcher and Valerie Morelock were the third doubles team playing in the State confrontations.

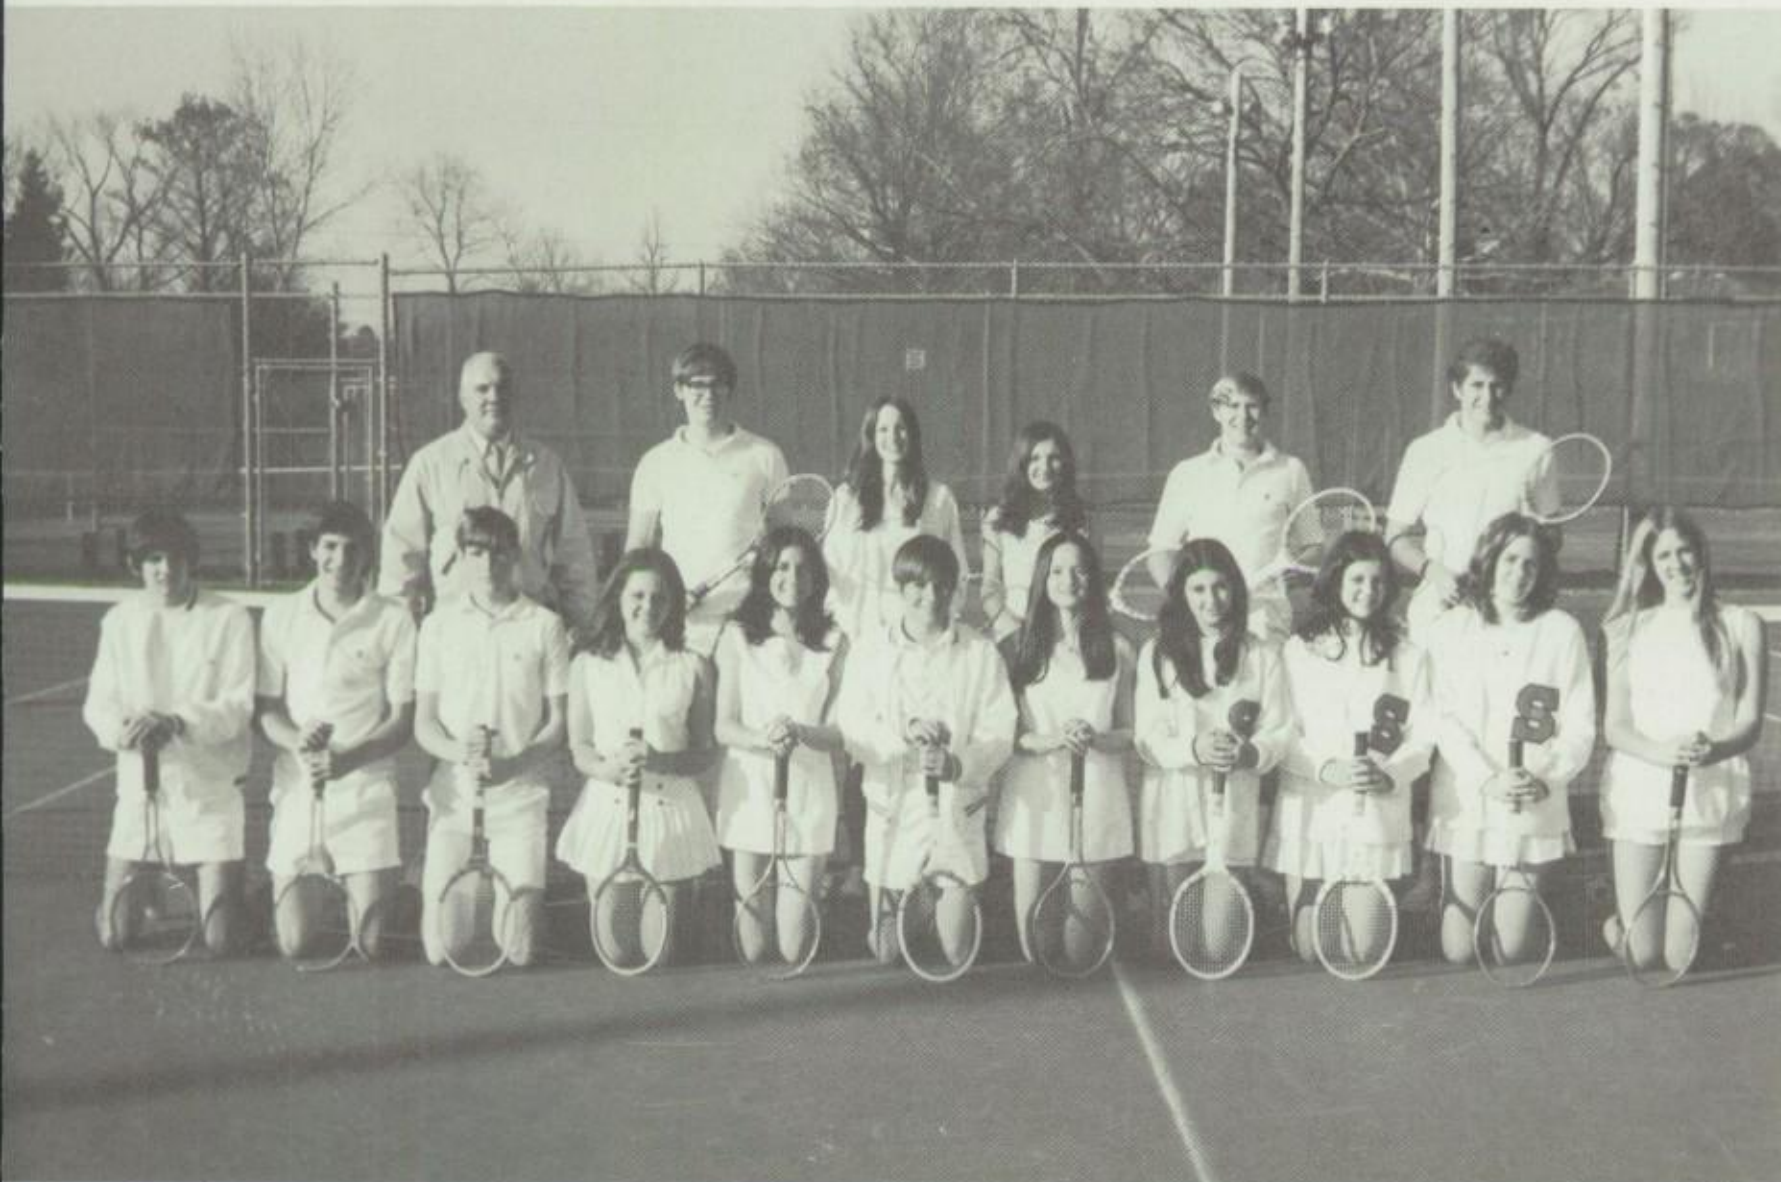

Nina Planchard showed fine form as she participated in a tournament against Saint Vicient's

Gaining many honors, the team's best achievement was a high school course record with an average score of 76 per player set at Texarkana Country Club. State winner, Captain Shreve, was beaten three out of five times by the Jacket golfers. The whole team returned for the 1972 season except Bobby Thompson, who graduated. The team also boasted three two-year lettermen: Alan Elbert, Brian Smith, and Pike Hall.

First POWDER PUFF TEAM Succeeded

Sharon Caudle rounded the end for a substantial gain against the Fair Park Squaws.

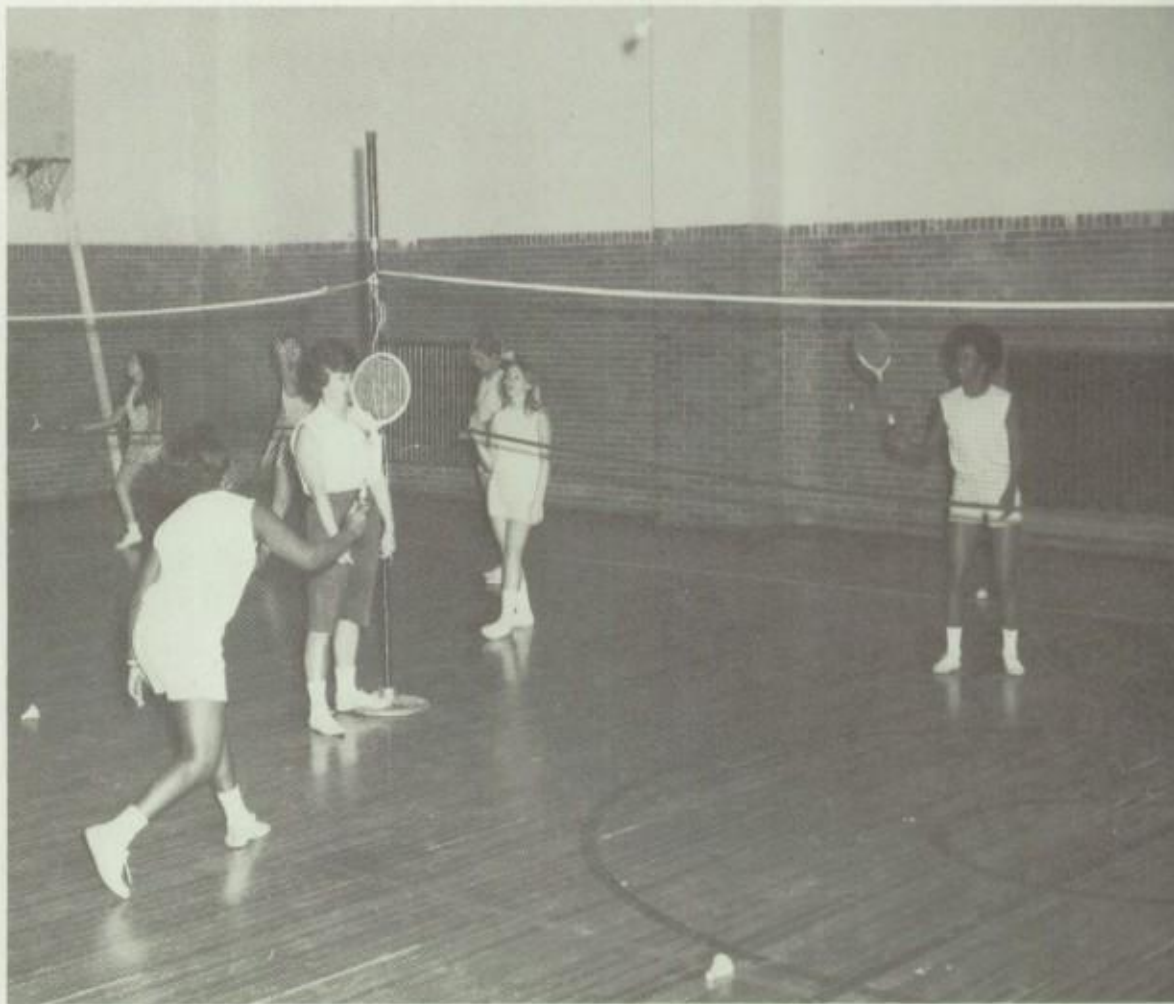

The liberation movement scored again at Byrd with an all-female football team. Composed of seniors and juniors with an able and willing coaching staff, the team practiced long, hard hours after school. At their first game they roared over LSU-S with a devastating score of 18-6. Then, behind a reputation of aggressiveness and fury, the gridettes won by default against Airline, who failed to show up for the next game. To end up the season, they tied Fair Park with a 12-12 score. Although nobody lettered and nobody received a trophy, the girls did deserve congratulations for an undefeated season.

GIRLS' P.E. Emphasized "Life-Time Sports"

Physical Education for girls consisted of a well-rounded and varied program of activities and experiences, with emphasis on the "life-time sports." The program was organized so that activities were related to individual needs and abilities. The activities offered were of major and minor sports. Health education was also offered for each grade level. Classes utilized many community speakers such as doctors, lawyers, and public health workers. Emphasis was placed upon the importance of each student enjoying P.E. as well as being skilled.

"Move, move," instructed Mrs. Gray to members of the fourth period Senior badminton class.

Juniors in Mrs. Johnson's first period archery class learned the techniques necessary to hit the target.

The third period Sophomore class enjoyed playing "mini" basketball games to improve skills and develop spirit of competition.

BOYS' P.E. Developed Sportsmanship

Volleyball stimulated student participation.

Trying for seven laps around the Byrd oval in twelve minutes proved a challenge for many, yet some met the challenge with seconds to spare. This was just one of the many activities in which the P.E. classes participated during the year. Other activities included volleyball, basketball, weight-lifting, and football. Many newcomers to Byrd were surprised to find ping-pong equipment available during one six weeks period.

Teamwork was an important part of the program, and students joined in with satisfying results. Often the participants got so involved in the games that they were reluctant to quit when coaches called, "Go dress!"

Weight-lifting built muscle tone and strength.

Basketball provided students with a fast, enjoyable activity.

Standing in front of the library, where they will find up to date materials to supplement their knowledge were Miss Margee Sanders, English IV; Mr. James Harrison, Head Coach; Mrs. Phalamae Gray, Girls' P.E.; Mr. James Sullivan, Choir; Miss Barbara Whitehead, Social Studies; Mrs. Lillian Schuford, Social Studies Co-ordinator; Miss Jeannine Ponder, Science Co-ordinator; and Mrs. Maredia Bowdon, Journalism.

FACULTY

Teachers provide pathways to the future that guide young people to the world of learning. They help to mold the minds of their students, and, thus, mold the future of the nation. Teachers also are responsible for so many of the discoveries students make while they are at Byrd; the way in which these discoveries reveal the world often affects choices of professions. In an effort to prepare students for life within society, the FACULTY attempts to impress upon them the importance of character and responsibility. Most teachers help their students in many ways. As new classes move up, FACULTY members meet new fears to cope with, new challenges to conquer, and once again young minds to mold with their wisdom.

DR. SHAW Portrayed True Jacket Spirit

Dr. B. L. Shaw contributed much to the spirit felt by each student at Byrd High School. He led the students in cheers at victory flag raisings and allowed many spirit-boosting activities to be held. His nightcap, which he wore during bus trips, became a sign of encouragement for students during the Woodlawn game. The Pep Squad honored Dr. Shaw by wearing gold caps like his to say, "Good Night, Knights!" He attended all games and school functions, setting an example for students to follow. Dr. Shaw served as host to all alumni during the Homecoming festivities, welcoming everyone to the City of Byrd. His plans for a new supplementary learning center were carried out. Dr. Shaw felt close to each student and showed this relationship in all activities, proving to each student that "Jacket Spirit Ain't Never Gonna Die."

Jack the Jacket stood by as Dr. Shaw listened intently to the speeches on Homecoming Day.

CADDO CAREER CENTER Opened

The Caddo Career Center was a new project of the Caddo Parish School System this year. This program gave participating students an opportunity to learn skills in specific areas. The training gave students a start in the world of business, so they could continue either in college or in a career after high school. Juniors and Seniors participating in the program spent three hours a day at Byrd and three hours at the Center. Two credits could be earned each year in such subjects as Auto Mechanics, Stenography, Drafting, Printing, Food and Health Services, and Commercial Art. The Center was a sophisticated operation created to give students a skill which they could develop further in college or use to support themselves.

Roger Day, one of Byrd's students at the Caddo Career Center, performed a vacuum tube experiment.

Jim Thomas prepared to print a job on the offset printing press.

Calvin Butler used the welding facilities of the Center.

New Opportunities For Students

Honor does not come only in the form of fame and prestige, but also in the form of peace and satisfaction. Observing the new Shreveport Regional Airport were Lannier Lafitte, NFL President; Debbie Tucker, DAR Award recipient; Freddy Knight, NHS President; Alvah Ann Neal, HIGH LIFE Co-Editor; Ginger Kramer, GUSHER Associate Editor; and Mac Risinger, National Merit Finalist.

HONORS

To perform one's job, no matter how small, to develop well one's only talent, unimportant as it may seem, is to achieve honor. Honors do not come to the ordinary; they are achieved through hard work by those willing to "walk that extra mile" with the occasional reward of personal recognition. Recognition is only a minute reason for one's striving; there comes to him a sense of accomplishment in a job well done, a pride in having used all of his hidden abilities to the fullest capacity. Honors won also carry with them a responsibility by the person receiving them; he must receive the honor as a reward for work and an incentive for doing more. All of the illimitable hours of labor pay off in the destiny of those who won them.

NATIONAL HONOR SOCIETY Paid

The National Honor Society filled its year with service. As customary, NHS members ushered for the Baccalaureate service and handed out the diplomas in the graduation exercises. The club was also responsible for the special Homecoming skit, and the members collected canned goods for needy families during Thanksgiving and Christmas. As a special tribute to Grover C. Koffman, the club dedicated a plaque in his honor. A traditional project, the carnation sale, was held in the spring, with the proceeds going to the HIGH LIFE. A special assembly was also held in the spring to induct new members and to give the student body a better understanding of the purpose of the National Honor Society.

Mike Hubley, Brian Smith, and Mac Risinger imitated the coaches in the Homecoming assembly.

Mu Alpha Theta is an honorary organization, and to obtain membership, a student must maintain a 3.0 average overall, a 3.0 average in math, and have taken three years of college preparatory math. Different programs throughout the year proved interesting and educational for Mu Alpha Theta members. Mrs. Moody taught the use of the computer and sliderule. SUMMER WORK And WORKSHOPS

Many organizations and groups throughout Byrd took advantage of the summer months to prepare for the 1971-72 school year. Several service organizations helped in the main office by answering the telephone and running errands for the teachers. Student Council members, GUSHER staff members, and Debaters attended various workshops throughout the country to increase their knowledge and learn new methods and techniques in their fields. The Pep Squad and Cheerleaders contributed many long hours to learn performances and cheers. Because these organizations and groups volunteered many of their summer hours, the way was paved for the success of the school activities during the 1971-72 school year.

This year's Pep Squad officers attended S.M.U. Pep Squad and Drill Team School in Dallas during the summer months where they learned hand signals, marching, and performances. They were Roxanne Lea, Martha McClelland, Pam Naifeh, Pat Bone, Debbie Tucker, Alvah Ann Neal, Sharon Caudle, and Carol Marrs.

Student Council members contributed many summer hours by attending several different workshops. Those attending were James Roach, National Student Council Leadership Conference in Estes Park, Colorado; Kip King, Louisiana Association of Student Council Workshop at Northeast University; Bennett Politz, National Student Council Leadership Conference in Hot Springs, Arkansas; and Bridget Hathaway, Northeast University.

Key Club members Mark Thorne-Thomsen and Jerry Peyton, and Interact member Don Herring volunteered many summer hours to assist the teachers in their classrooms. They moved books into the classrooms, distributed chairs and desks, and ran other errands for the teachers.

Prepared The Way For School Activities

Many "Z" Club members contributed long hours last summer by working in the office. The office workers helped by answering the telephone, alphabetizing student locator cards, and running errands. Among the helpers were "Z" Club members Gari Brooke, Terry Morris, and Janey Robertson.

In order to learn new methods of yearbook planning and photography, GUSHER members attended special workshops. Rusty Burnett attended the Taylor Publishing Company workshop at Northeast Louisiana University, and Debbie Tucker attended the yearbook workshop of the L.S.U. Leadership Conference in Baton Rouge.

Several debaters traveled long distances to research this year's national high school debate topic. Traveling to Georgetown University in Washington, D. C., were Brian Homza, Thom Sanders, and Brian Baker. Barbara Bain and Katherine Loe went to Texas Christian University in Ft. Worth, Texas.

Many unrecognized hours of hard work painting banners were contributed by all the cheerleaders. During the summer months the cheerleaders attended the Sam Houston Cheerleading School in Huntsville, Texas.

LOUISIANA STATERS Practiced Citizenship

After an unforgettable eight days, eleven Louisiana Staters trooped home from the Baton Rouge Campus for a well-deserved rest. The delegates learned the duties, privileges, rights, and responsibilities of an American citizen. While citizens of this imaginary "51st" state, the staters formed city and parish governments. Each city was responsible for a city project, which involved deciding on an important problem and taking the steps to remedy it. After this local organization, the delegates turned to the election of their state-wide officials. They divided into two parties and nominated and elected candidates for each office. It was a week of hard work and little sleep, but it was a week that will be long-remembered by the Louisiana State delegates.

Louisiana Girls' State alternates were Beth Bailey, Melanie Jouett, Alicia Richey, D.J. May, and Delma Mason.

Louisiana Boys' State alternates were Richard Cawthon, Greg Harper, Brian Smith, and Martin Zelinsky.

Mr. and Miss Gusher

Melanie Susan Jouett

Henry John Bolin

Each year the GUSHER staff takes pride in selecting a senior boy and girl to represent the yearbook as Mr. and Miss GUSHER. To qualify for this distinction, these two students must have attended Byrd for at least three years, have displayed outstanding character, and have made exceptional contributions to their school and community. No GUSHER staff member is eligible for this honor. The 1972 GUSHER staff proudly presents Mr. and Miss GUSHER, Henry John Bolin and Melanie Susan Jouett.

Melanie Jouett has given Byrd outstanding service and dedication. Selected as a sophomore "Z" Club member, she devoted many service hours to the school and community through the club. She has also participated as a French Club member since her sophomore year. Following a summer and school year of hard work in the Junior Pep Squad, she graduated to the Drum Corps, where she had the distinction of being head tenor drummer. Thus she spent many hours in the spring of her senior year teaching juniors to play the drums.

She was a Key Club sponsor for two years. Having been elected to the National Honor Society at the end of her junior year, she served as the club's secretary the following year. Her major office was secretary of the Student Council in which she had served as a representative during her junior year. Last summer she attended Sam Houston State Cheerleading School. She also received the honors of being a Girls' State alternate and a Homecoming cheerleader.

John Bolin has proved himself to be an important citizen to Byrd High School, for his activities were both numerous and varied. He had a busy sophomore year, being a member of Latin Club, Leo Club, the football team, and FCA. He was a valuable asset to Leo Club, serving as vice-president his junior year and president this year. He also continued playing football, and became Varsity Club's treasurer during his senior year. For two years he has served as a Student Council representative and an office worker. He also participated in the Industrial Arts Club this year.

Gusher Presented Senior Favorites

Throughout the Senior Section recognition has been given to those Seniors holding major offices. This year, as always, seniors were allowed to hold only one major office and two minor ones, or three minor offices, so that equal opportunity for leadership would be available to all.

On January 24, members of the 1972 Senior Class held their first meeting to nominate by popular vote six girls and six boys for the honor of Senior Favorite. The class met for a second time on February 7 to vote for twelve out of thirty-eight nominees listed on each ballot. GUSHER staff Seniors, on February 11, presented the twelve in a special assembly. During the skit, the favorites were required to perform humorous stunts in order to become honorary members of "Dickie Byrd's Dance Club." On the following pages, the GUSHER staff has proudly recognized these honored twelve in order of the number of votes which they received.

Also worthy of recognition are the twenty-six runners-up. They were Michael Alexander, Beth Bailey, Gay Brooke, Patricia Coleman, Marilyn Delton, Debra English, Arthur Gilliam, Margo Jackson, James Johnson, Neil Johnson, Ernest Jones, Melanie Jouett, Linda Lewis, D. J. May, Jan Middleton, Chaminor Modicue, Morgan O'Brien, Jan Parrish, Laura Peterson, Jerry Peyton, Frank Post, Eria Skannal, Brian Smith, K. D. Schwartz, Hazel Taylor, and Debbie Tucker.

Yvonne Burns gave favorite Delma Mason a free make-up job while Sylvia Kosmitis gave a giggle of approval and Neil Johnson made his thoughts known.

Research is a very vital part of furthering one's education. At the library were David Mauroner, Senior Class Sgt.-at-Arms; Pat Boue, Stingerettes' Drum Corps Sgt.-at-Arms; John Bolin, Leo President; Jan Parrish, GUSHER; Bon Carter, Senior Class Vice-President; Bennett Politz, Student Council Vice-President; and Brian Smith, Senior Class Treasurer.

CLASSES

Individual students make a school what it is, and Byrdites have made their school one of the best. Concentrating while in one class to understand what is going on and then running down the hall to make it to the next class on time — this is part of life at Byrd. Then when the student gets home he studies to pass tests and maintain Byrd's scholastic standing. Along with the studies, students enjoy the parties, the assemblies, and all the extra-curricular activities in which they participate. It is the CLASSES, full of people, who give and take, work and play, and feel sorrow and joy.

SENIOR Section Was Printed

Spirit was the unifying force of the 1972 Senior Class. This spirit was exhibited in athletics, academics, and other activities centering around the school. Competition provided an incentive for the students to strive for higher goals and perform to the best of their ability in all phases of school work. Through this determination many scholastic and athletic awards honored the seniors. Feeling a strong sense of loyalty and love towards their school and their fellow seniors, this class was one of the best Byrd has ever produced. As the year came to a close, the seniors looked back with fond memories on their twelve long school years, and especially their wonderful experiences at Byrd.

TELEPHONE STUDENTS Contributed

Once again, the telephone students participated in subjects offered by the Byrd curriculum. This year they were under the instruction of Mr. Lowell Brown and took World Geography. The students regularly attended school at the Caddo School for Exceptional Children under the direction of Mrs. Joyce Posey, principal, with Mrs. Glo Disotell serving as assistant. They communicated with Mr. Brown over a special device installed by the telephone company. The students had many varied interests, including everything from sports to music. They also enjoyed keeping up with the activities at Byrd and were proud to be a part of the thriving "Jacket Spirit."

The telephone students contributed to the spirit of Byrd in the Go West Day assembly.

JUNIORS Ordered Class Rings Early

When the Spirit Stick was awarded for the first time in 1969, it went to the Junior Class. In the years after that time, the Juniors have always been eager to show their enthusiasm for Byrd, and this year was no exception. The Juniors were awarded the coveted Spirit Stick several times during the past football season. Pat McWilliams represented his class in receiving the award due to his leadership in making banners and posters.

For the first time in several years, students were allowed to order their Senior rings in their Junior year. The Juniors reacted enthusiastically to this plan and responded in large numbers to order their class rings. The traditional oblong shape with blue stone was the style ring chosen.

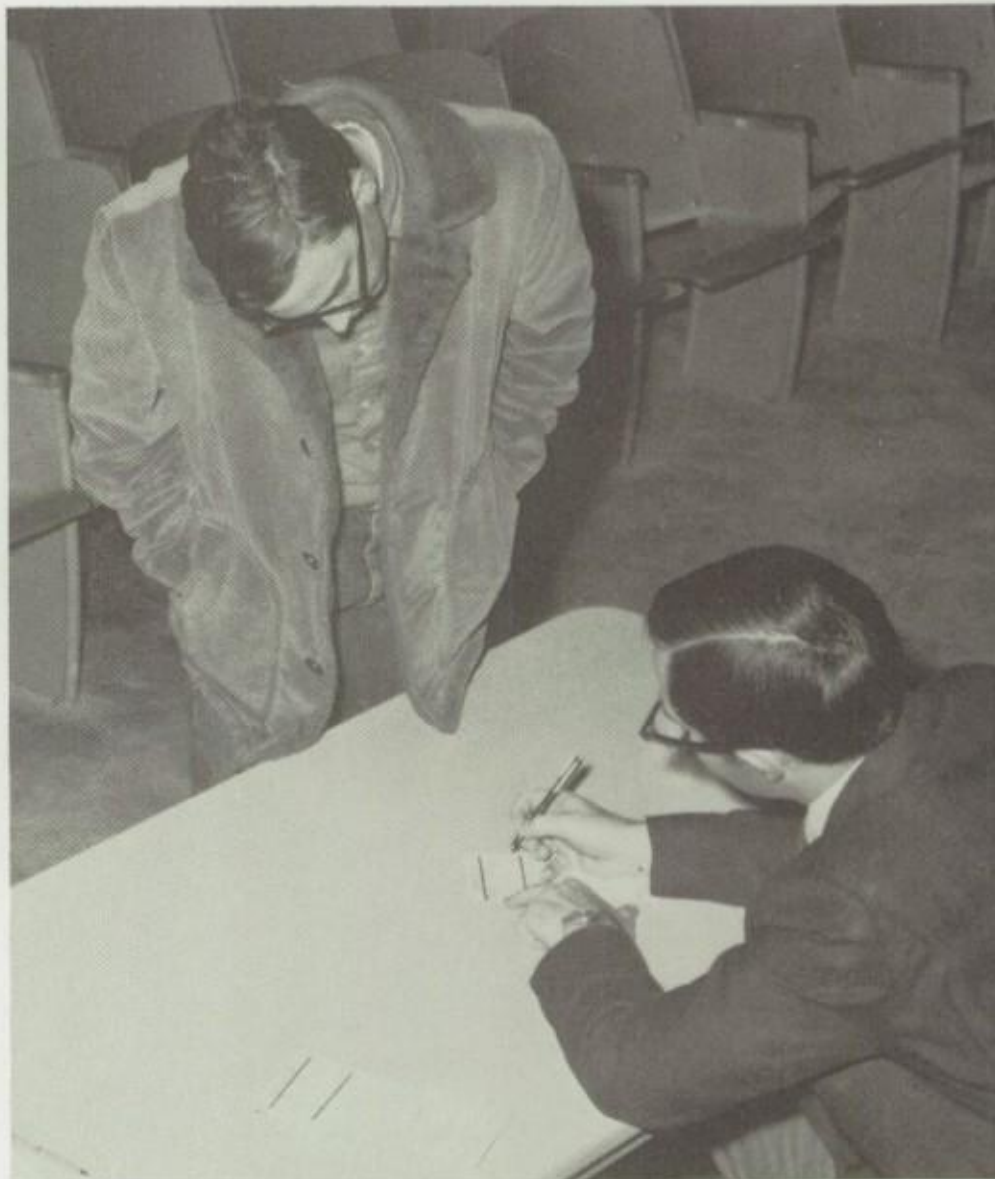

Once again, the Juniors devoted much time and talent to make the Junior Prom a success. Planning for the event began long before the time for the prom. The class officers held several meetings to decide on money raising projects and the theme for this event, one of the most memorable occasions of the year.

Officers of the Junior Class were, *Front Row*: Beverly King, Secretary; Kip King, Vice-President. *Second Row*: Mac Gillen, President; David Terry, Sergeant-at-Arms. Other officers were Jackie Williams, Treasurer; and Mike Jones, Parliamentarian.

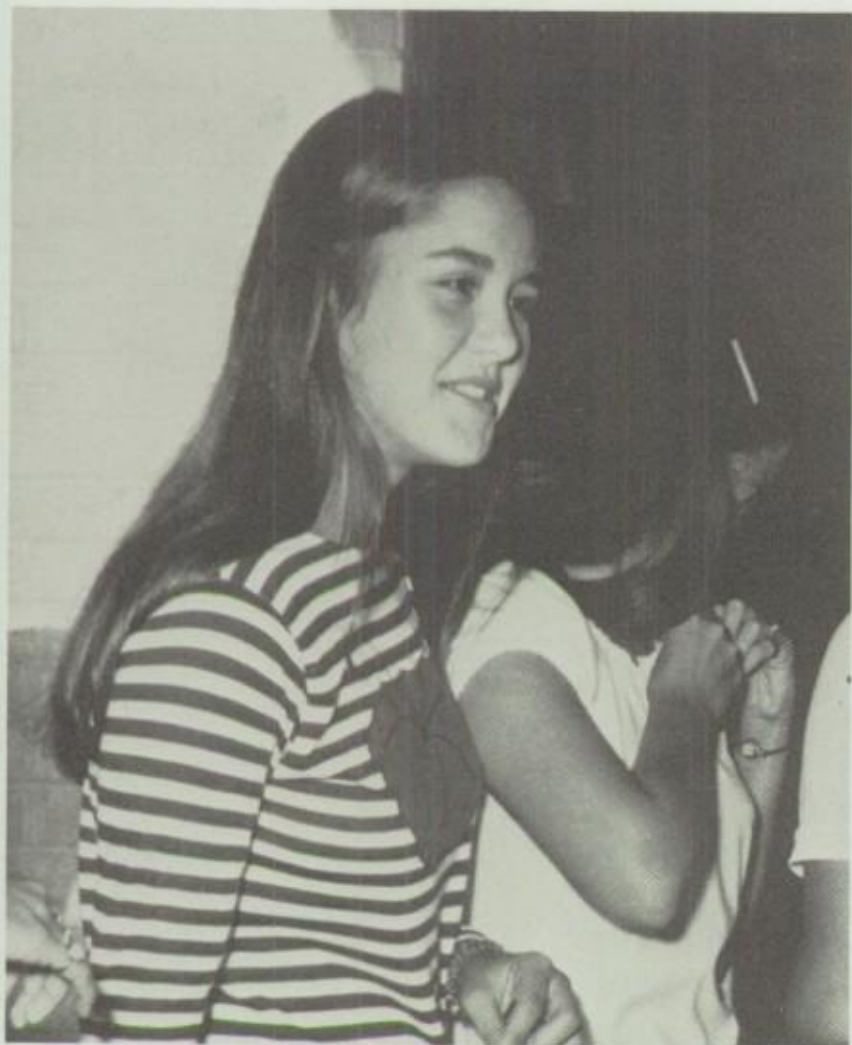

Junior class officers worked many hours to insure the success of the Junior Prom.

Steve Crane, along with his fellow classmates, had the privilege of ordering his Senior ring in his Junior year.

For First Time In Three Years

Candy McConnell and Penne Booras were two of the Junior Class representatives at the Student Council Leadership Day.

Cindy Shaffer, Bill Perdue, and Jan Shedd shared ideas in Mrs. McClanahan's Junior English Class.

Nominees for officers of this year's Junior Class were, *Front Row:* Jordan Edwards, Doris Williams. *Second Row:* Candy McConnell. *Third Row:* George Kurz, Marshall Jones.

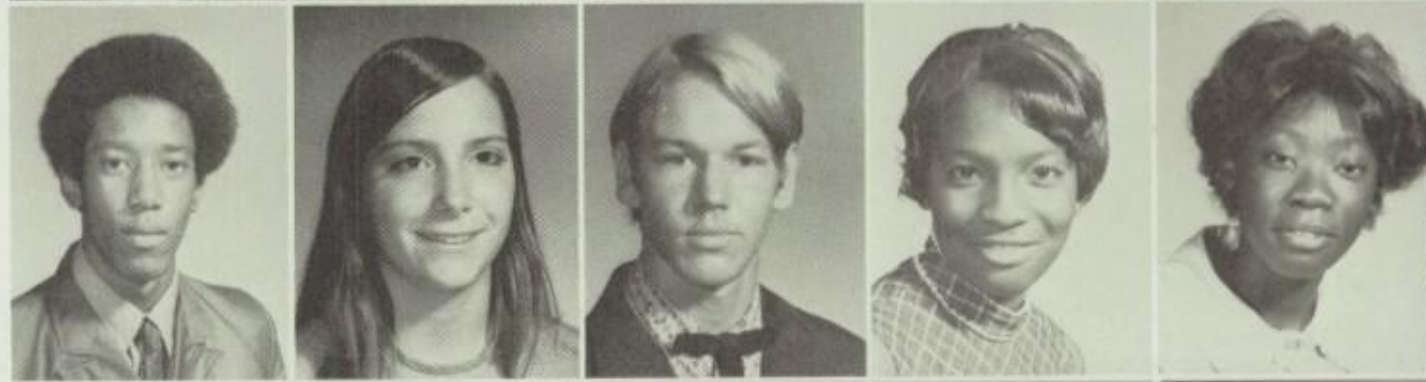

Beverly King and Cindy Huss devoted much of their time to painting banners for the Junior Pep Squad.

SOPHOMORES Were Met With New

Representing the largest class at Byrd with 534 members, Sophomores participated in many activities and achieved many honors. Some were chosen as members of the Byrd service clubs. Others contributed to the success of the various athletic teams. Many Sophomores served on the Student Council and Red Cross.

The Sophomores rapidly became a part of the thrilling Byrd spirit which enabled them to receive the spirit stick within the first few weeks of school. Banners made by the tenth graders added more to the spirit. Sophomores sat together at football and basketball games, creating fantastic enthusiasm which helped lead Byrd to victories. The Sophomore Class of 1971-72 helped keep the Jackets on top.

Sophomore Class Officers were Charles Turner, Vice-President; Billy Martin, Sergeant-at-Arms; Sarah Bailey, Parliamentarian; Gwendolyn Holland, Secretary; Grey Hammett, President; and Mark Politz, Treasurer.

Mrs. Nancy Lonnegan described the dress of the Elizabethan Period to Kathy Sanders and Dacy Bolin.

Sophomore members of the Purple Jackets cheered the Yellow Jackets to victory at a basketball game.

Challenges And Responsibilities

Those nominated for Sophomore Class offices were Marilyn Milloy, Charlene Allen, Patricia Calhoun, Augustine Green, Tommy Rinehart, and Rickey Davidson.

Glen Schach and Beverly Smith studied the leaf structure of the plants in the greenhouse.

Jill Smith and Nancy Johnson tried to find their way around Byrd on the first day of school.

Mark Gilliam, David Pettigrew, Billy Martin, and Peggy Conlon bought supplies at the School Store from Gretchen Campbell.

FRESHMEN Became Acquainted

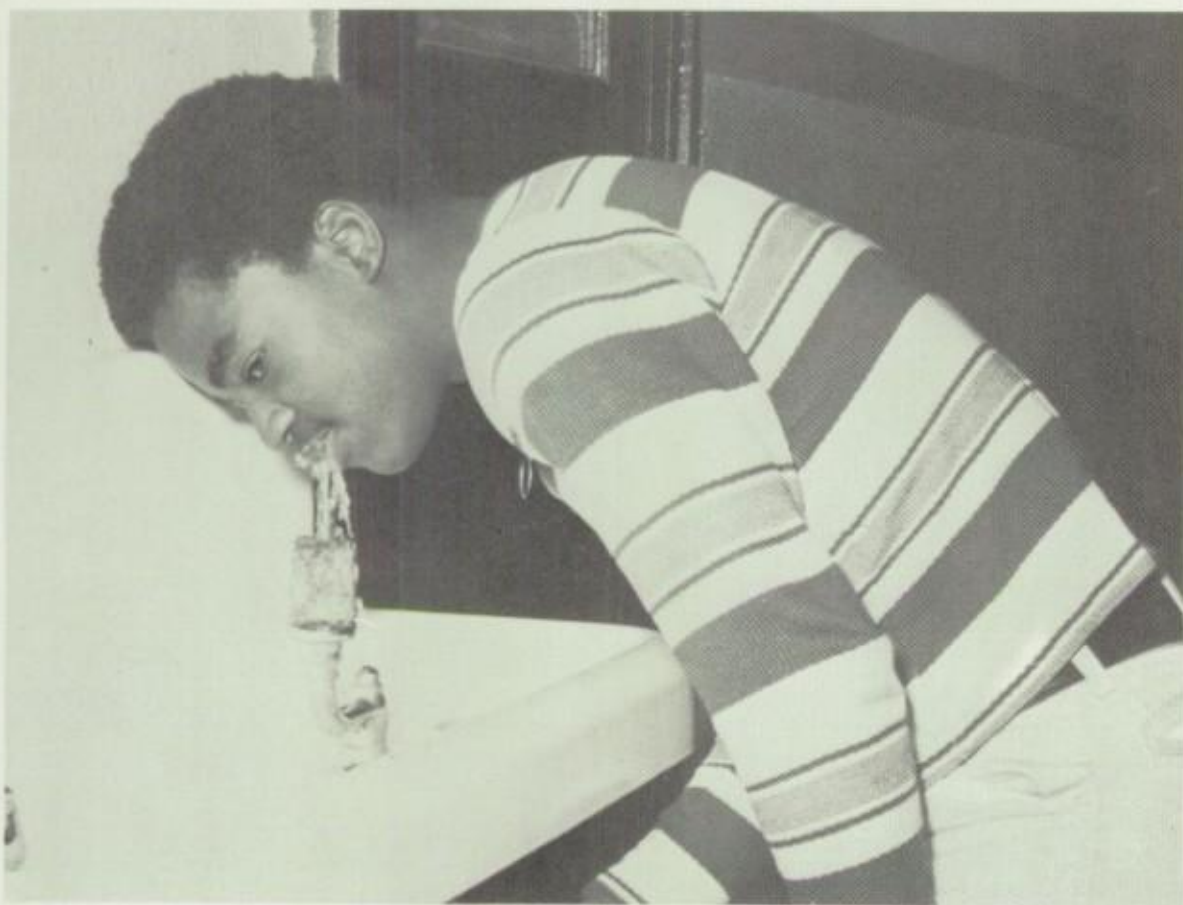

Freshman class officers for 1971-72 were Benji Lester, Sergeant-at-Arms; Wayne Homza, President; Ken Lottinger, Parliamentarian; Debra Singleton, Vice-President; Cheryl LeBlanc, Treasurer; and Mary Leonard, Secretary.

Freshman nominees for class offices were James Lloyd, Kimon Kosmitis, Thomas Woodley, Harlon Smith, Susan Barker, Linda Rhodes, and Sharla Renee Thomas.

With The City Of Byrd

Kenneth Harris paused between classes to get a drink of water.

Their first year of high school was a new experience for the Freshmen. The class, numbering two hundred seventeen, increased this year as ninth graders chose to attend Byrd instead of going to one of the local junior high schools. They immediately became a valuable part of Byrd and proved to be an indispensable asset by participating in many activities. They contributed their valuable time and effort toward keeping Byrd on top by painting banners, attending pep rallies, and cheering at games, thus helping to carry on the tradition "Jacket Spirit Ain't Never Gonna Die!"

James Welch, Donald Westbrook, and William Young admired trophies won in sporting events displayed in the front hall.

Ken Theis helped Jan Melton and Mary Leonard clean out their locker.

Advertising and selling played a vital part in the production of publications . . . GUSHER, HIGH LIFE, and STENTOR. A successful business depended on leadership involved; some of those involved were: Allen Pomeroy, STENTOR Editor; Sandra Fielder, Advertising Manager; Jim Gibson, School Store Manager; Patsy Ogletree, GUSHER Advertising Manager; Yvonne Burns, GUSHER Business Manager; and Andy Shehee, HIGH LIFE Business Manager.

ADVERTISING

Everyday the life of each individual is affected by ADVERTISING signs, commercials, and advertisements, which inform people about the best products selling for the lowest possible price. The capital needed in order to publish the yearbook is obtained by selling ads to a wide variety of firms in the greater Shreveport-Bossier area. Working during the summer months and right on through the final deadline, the members of the Business Staff provide enough money for the publication of the highest quality merchandise at the lowest possible price, the C. E. Byrd High School GUSHER.

WHO LIVES MOST? — We live in deeds, not years; in thoughts, not breaths; in feelings, not in figures on a dial. We should count time by heartthrobs. He most lives who thinks most, feels the noblest, acts the best.

Of these hallowed halls
And the spirit that made Byrd the school on top.
The impressions that we made will remain
'Til judgement day,
And the Purple and Gold will never stop.

I'm glad I got to know
you this year and I wish
I would have had more time

of you are dumb dumb. Not really
you're been very nice & sweet.
Good luck & all you do

DEAR STEFFANIE,

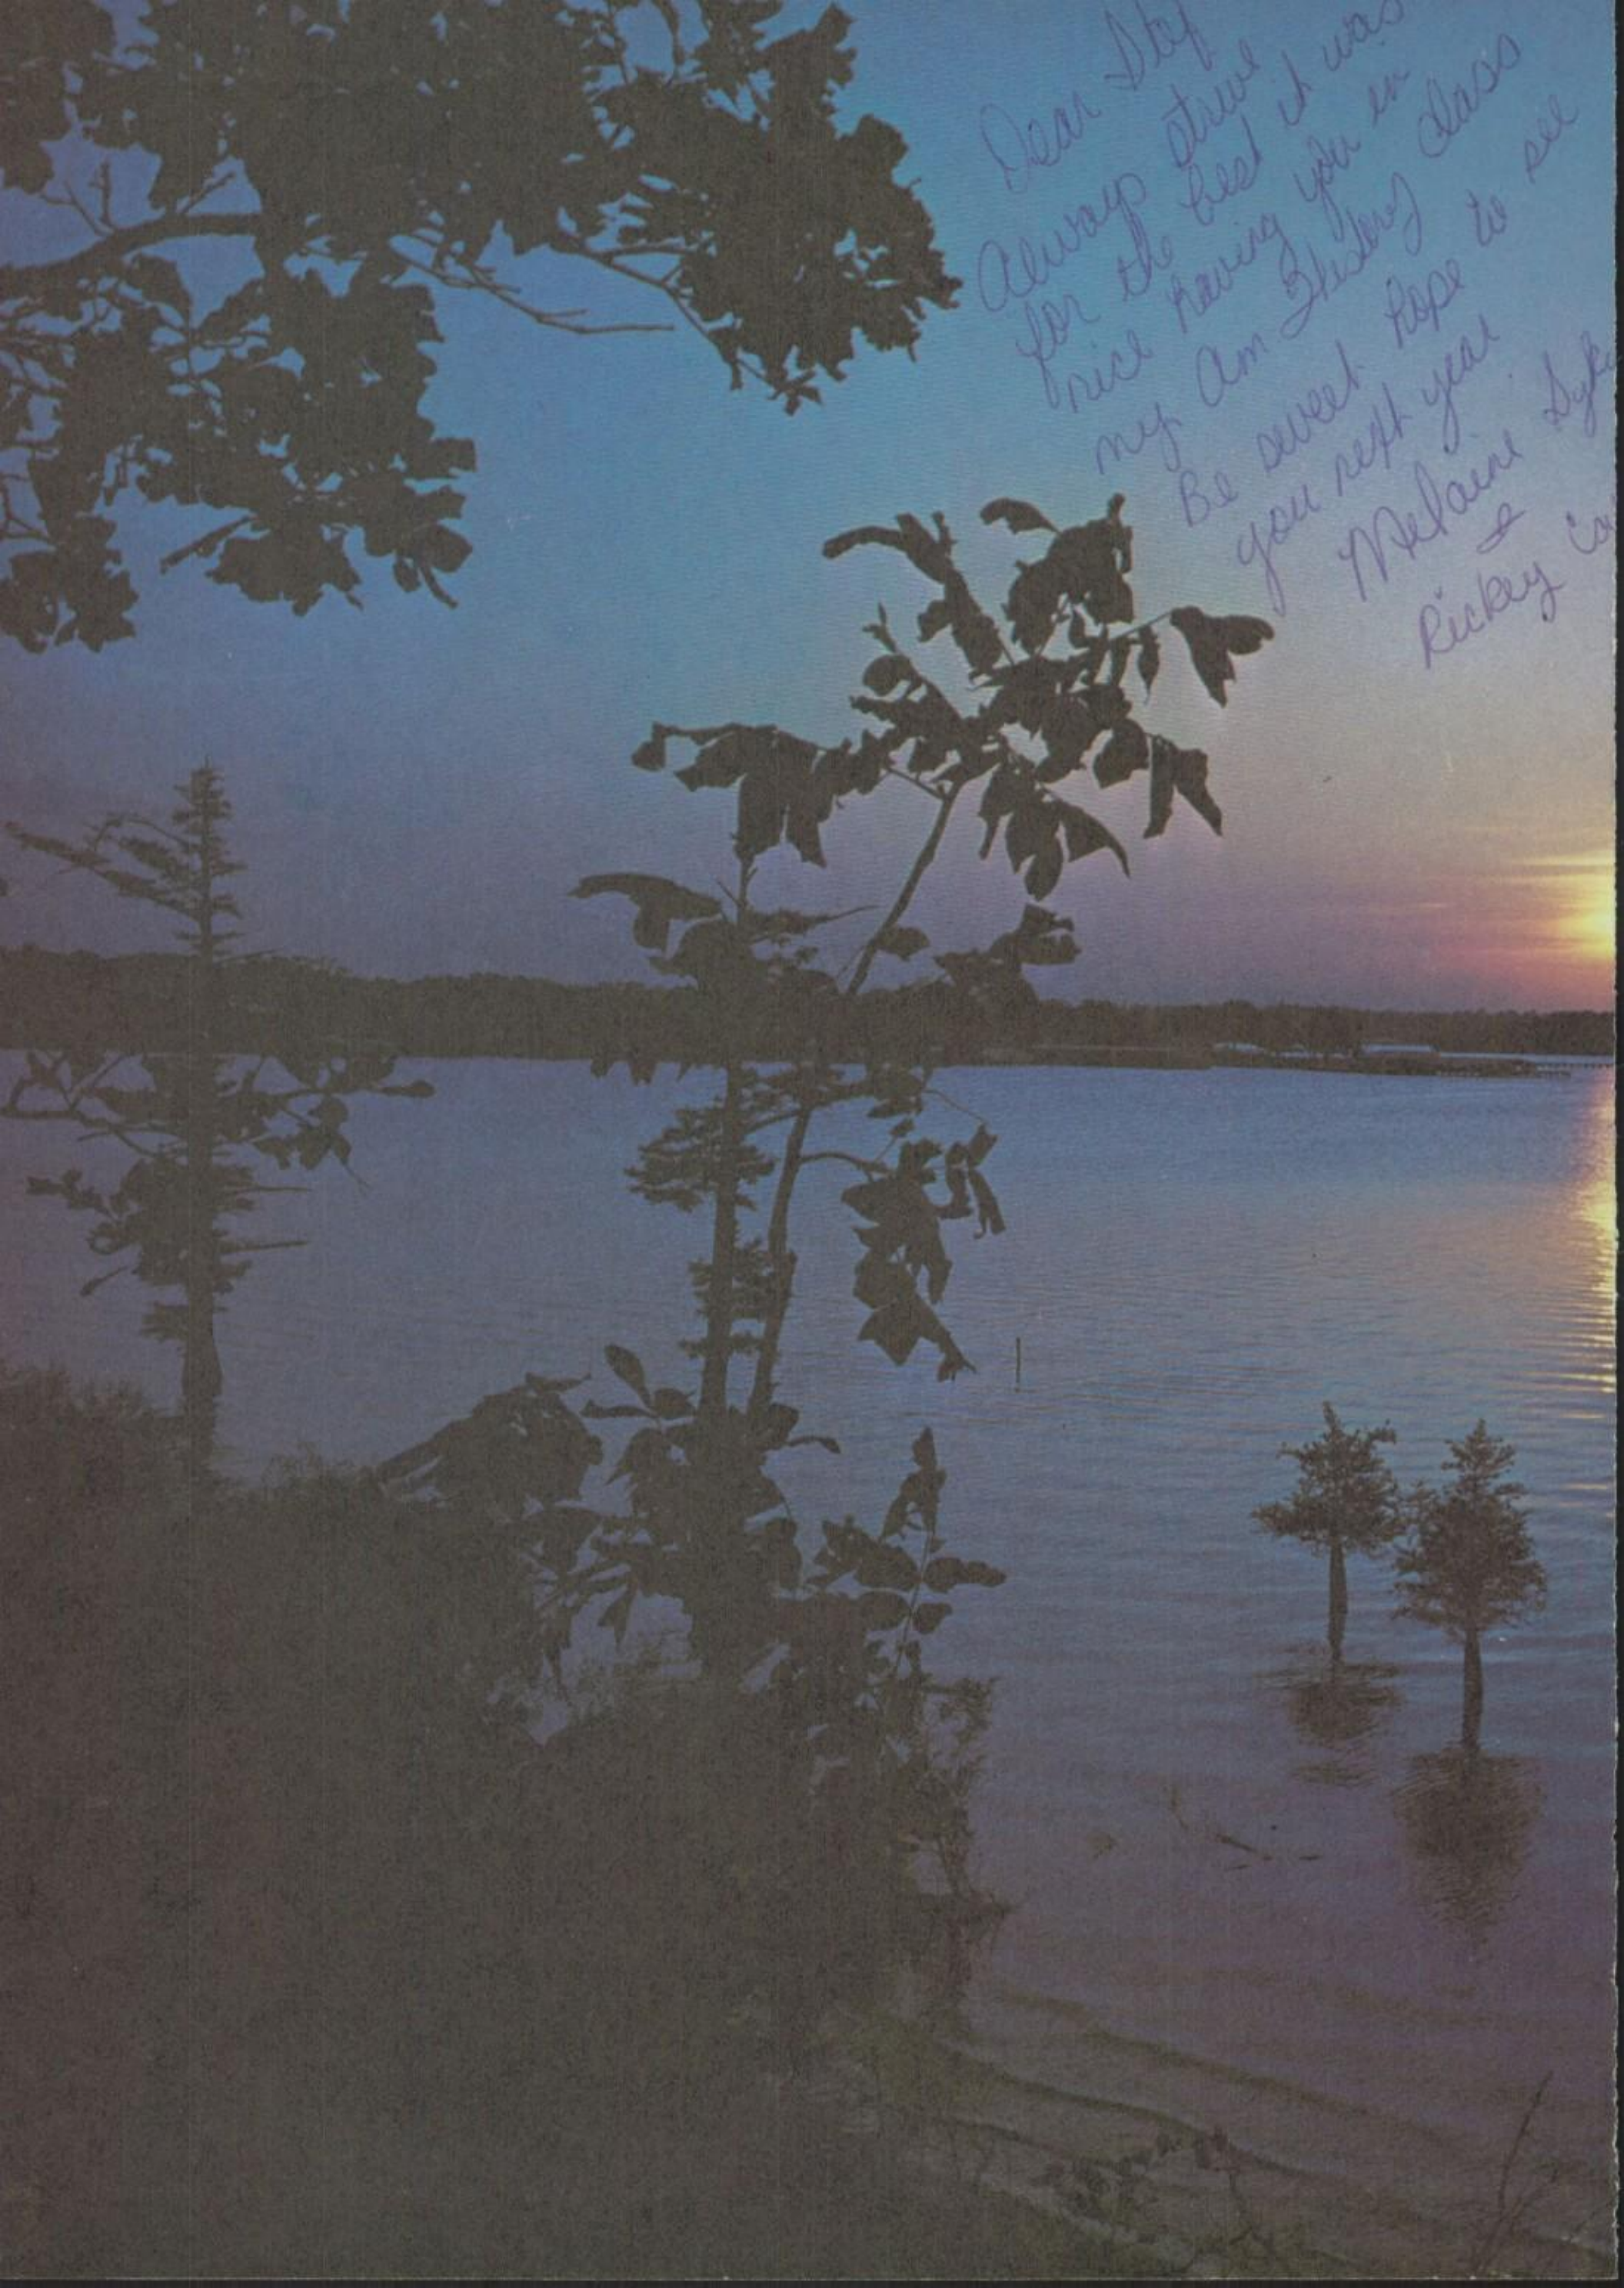

SURE HAS BEEN A BORING YEAR HASN'T IT? IF YOU THINK
BACK YOU CAN HARDLY THINK OF ANY THING WE'VE DONE. WHY
AFTER DANGERFIELD I CAN ONLY REMEMBER THAT TRIP TO SIX
FLAGS AND A FEW CHURCH MEETINGS. OH YEAH! THERE WAS THE MOVIES,
FRENCH CONNECTION, MARK OF THE DEVIL ETC AND NOW THAT I'M THINKING
THERE WAS THE CONCERTS: EMERSON, LAKE, AND PALMER, TWO J. C. SUPERSTARS
NITTY GRITTY DIRT BAND, AND CHICAGO. WELL YOU KNOW COME TO
THINK OF IT, WE DID GO SHOPPING SEVERAL TIMES AND SWIMMING
ABOUT AS MUCH. AND IF YOU RECALL WE WOULD USUALLY HAVE
AT LEAST ONE NIGHT A WEEK TO JUST WATCH TELEVISION & EACH OTHER.
..... 12 + 1 hrm. lets see 1, 6, 8, 9, 11, 61, 64 116, hm thats incredible.
YOU KNOW WHEN I ADD THESE FIGURES UP IT WOULD BE
IMPOSSIBLE TO DO ALL THIS STUFF WITH ANYTHING LESS THAN
AN AVERAGE OF TWO DATES A WEEK! AND EVEN MORE THAN THAT
DURING THE SUMMER! AH HA!!! SO THATS WHERE MY WEEKENDS
HAVE BEEN GOING.

STEFFANIE, HAVE YOU EVER TRIED TO WRITE EVERY THING YOU DID
IN ONE WHOLE YEAR ON ONE SHEET OF PAPER? OR EVEN TRIED
TO EXPRESS ON PAPER THE FACT THAT THAT YEAR WAS THE
FUNLEST YEAR YOU HAVE EVER LIVED? AND IF AFTER THIS
SHOD ATTEMPT I DON'T BELIEVE I'LL EVEN TRY TO SAY
WHAT I THINK OF YOU. IT DOESN'T REALLY MATTER I'VE
GOT TILL NEXT YEAR TO DO THAT, OR THE YEAR AFTER,
OR THE YEAR AFTER THE YEAR AFTER (ETC.) BECAUSE YOU'RE TOO GREAT
TO LET GO. AND I'M JUST SELFISH ENOUGH THAT I WANT
YOU ALL TO MYSELF (SORRY ABOUT THAT). WELL THIS IS
GETTING PEANUT BUTTERY (AND CLOSE TO THE BOTTOM) SO I HEREBY

Love

Clayton
